Directors' report

The directors present their annual report and the audited financial statements for the period from 8 June 1998 (date of incorporation) to 25 December 1998.

Principal activities and future prospects

The company was incorporated on 8 June 1998 and started trading on 24 July 1998. The principal activity of the company is the leasing of properties to its fellow Group company, National Car Parks, for the purposes of that company's trade.

Business review

The trading results are shown in the profit and loss account on page 5.

Change of name

On 17 June 1998 the company changed its name from Trushelfco (No.2393) Limited to NCP South East & East Anglia Limited.

The Year 2000

The company's computer and operating systems are maintained centrally by its fellow Group company, National Car Parks Limited. National Car Parks has implemented a very detailed Year 2000 programme, seeking to ensure that the Group's systems are compliant. All related costs are to be borne by National Car Parks Limited, which is satisfied that the total Year 2000 costs will not be material to the Group.

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company at the end of the financial period and of the profit or loss for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They have a general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Report of the auditors to the members of NCP South East & East Anglia Limited (formerly Trushelfco (No.2393) Limited)

We have audited the financial statements on pages 5 to 11 which have been prepared under the accounting policies set out on pages 7 and 8.

Respective responsibilities of directors and auditors

As described on page 3 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 25 December 1998 and of its profit for the period from 8 June 1998 to 25 December 1998 and have been properly prepared in accordance with the Companies Act 1985.

Notes to the Accounts

for the period from 8 June 1998 to 25 December 1998

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards, under the historical cost accounting rules, and on a going concern basis.

Turnover

The company's turnover comprises gross rents receivable.

Tangible fixed assets

Tangible fixed assets comprise properties in which NCP South East & East Anglia Limited holds the beneficial ownership. Although legal title is held by fellow Group companies, the risks and rewards of ownership are held by NCP South East & East Anglia Limited.

These properties which are leased to other Group companies, for use in the Group's trading are regarded as operating properties, and are stated in the financial statements at cost less accumulated depreciation. Provisions in respect of impairment in value of properties are charged or released to the profit and loss account.

Fixed assets and depreciation

Properties

Depreciation is provided on a straight line basis over the estimated useful lives of the properties after deducting the expected residual value at the end of that life. The following rates of property depreciation are applied:

Operating properties:

Freehold (buildings only)	-	2%
Long leasehold	-	2%
Short leasehold	-	Over term of the lease

Leasehold properties with an unexpired term of greater than 50 years are classified as long leasehold properties. Other leasehold properties are classified as short leasehold properties.

No provision is made in respect of taxation that would arise on the disposal of the properties stated in the accounts at revalued figures where disposal is not intended in the foreseeable future.

Cash flow statement

Under Financial Reporting Standard 1, the company is exempt from the requirement to prepare a cash flow statement on the grounds that it is a wholly owned subsidiary undertaking.
