For the financial year ended 31 December 2003, the company was entitled to exemption from audit under section 249A (1) Companies Act 1985; and no notice has been deposited under section 249B (2). The directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 221 of the Act and preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the year and of its profit or loss for the financial year in accordance with the requirements of section 226 and which otherwise comply with the requirements of the Companies Act 1985, so far as applicable to the company.

These accounts have been prepared in accordance with the special provisions relating to small companies within Part VII of the Companies Act 1985 and with the Financial Reporting Standard for Smaller Entities (effective June 2002).

Approved by the board on 25 October 2005.

RA Billett
 Director

The notes on pages 5 to 8 form part of these accounts.

E-Z DATA LIMITED
NOTES TO THE ACCOUNTS
YEAR ENDED 31 DECEMBER 2003

1. ACCOUNTING POLICIES

Basis of accounting

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

The directors believe that it is appropriate to prepare the accounts on the going concern basis which assumes that the company will continue in operational existence for the foreseeable future. If the company were to be unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet value of assets to their recoverable amounts and to provide for further liabilities that might arise, and to reclassify fixed assets and long term liabilities as current assets and liabilities.

Turnover

Turnover represents the total invoice value, excluding value added tax, of goods sold and services provided.

Amortisation of intangible fixed assets

Amortisation of intangible fixed assets is provided to write off the cost of the asset over its expected useful life.

The Copyright and Intellectual Property Rights are amortised over 4 years.

The Trademark was been fully amortised in year one.

Deferred taxation

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and law.

Research and development expenditure

Research and development expenditure is written off as it is incurred with the exception of certain equipment which is capitalised and written off over its expected useful life.

2. OPERATING LOSS

Operating loss is stated after charging:
