Notes to the Financial Statements for the Year Ended 31 July 2020

1. STATUTORY INFORMATION

SelectScience Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property - 20% on cost Fixtures and fittings - 20% on cost Computer equipment - 20% on cost

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Research and development

Expenditure on research and development is written off in the year in which it is incurred.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

2. ACCOUNTING POLICIES - continued

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Deferred income

During the year the company changed the accounting policy with regard to deferred income

In previous years the company had provided deferred income only for invoices that remained unpaid at the year end.

During the current year the company has provided for deferred income on all invoices raised in the year.

The revised accounting policy provides a fairer reflection of the work done in the year, and also a more prudent profit for the year.

See note 12 for the effect on the prior year.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 39 (2019 - 39).

Prior Year Adjustment

During the year the company changed the accounting policy with regard to deferred income

In previous years the company had provided deferred income only for invoices that remained unpaid at the year end. During the current year the company has provided for deferred income on all invoices raised in the year.

The revised accounting policy provides a fairer reflection of the work done in the year, and also a more prudent profit for the year.

The company has not been able to restate the 31 July 2019 comparative figures because it is impracticable to obtain the data for the year ended 31 July 2018.

The prior year adjustment is made up of the following figures;

Increase in deferred income £ (1,069,956) Decrease in corporation tax £ 203,292 Decrease in retained earnings £ (866,664)

10. RELATED PARTY DISCLOSURES

During the year, total dividends of £180,000 (2019 - £180,000) were paid to the directors.

11. ULTIMATE CONTROLLING PARTY

The ultimate controlling party is Mr A Butt.
