Directors' report

The directors present their annual report and the audited financial statements for the year ended 31 December 2022.

Results for the year

The Income Statement of the Company is set out on page 8. The directors do not recommend the payment of any dividends.

The Company made a profit after tax of £555,000 (2021 : £30,000).

Principal activity

The principal activity of the company is specialist research and development of defence related vehicles.

Future Developments

The directors of HMT Vehicles Limited plan to have the Company struck off and dissolved in 2023.

Going Concern

Following the sale of all intellectual property in 2022, the directors of HMT Vehicles Limited plan to have the Company struck off and dissolved in 2023, as such these accounts are prepared on a break up basis

Once all remaining considerations have been received and all outstanding liabilities have been discharged the Company will apply to be struck off.

As the Company has no fixed assets or employees any costs associated with this process will be nominal and as such a provision is not required.

Post balance sheet event

No post balance sheet events to report.

Directors

The directors of the Company during the period to the date of this report were:

J M Diamond

G Campbell

P Livingston

The secretary of the Company during the period to the date of this report was:

J Fasick (resigned 29th September 2022)

Directors' liabilities

The company has indemnified the directors of against liability in respect of proceedings brought by third parties, subject to the conditions set out in the Companies Act 2006. Such qualifying third party indemnity provision was in force during the year and is in force as at the date of approving the directors' report.

Directors' report (continued)

Directors' statement as to disclosure of information to Auditors

The directors who were members of the board at the time of approving the directors' report are listed on page 2. Having made enquiries of fellow directors and of the company's auditors, each of these directors confirms that:

- to the best of each director's knowledge and belief, there is no information relevant to the preparation of their report of which the company's auditors are unaware; and
- each director has taken all the steps a director might reasonably be expected to have taken to be aware of relevant audit information and to establish that the company's auditors are aware of that information.

Auditors

A resolution to reappoint Ernst & Young LLP as auditors will be put to the members at the Annual General Meeting.

The directors have taken advantage of the small companies exemption provided by Section 415a of the Companies Act 2006.

By order of the Board

J M Diamond
Director

Date 18th July 2023

Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable applicable United Kingdom law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard FRS 102. The Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102").

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and the company and of the profit or loss of the group and the company for that period.

In preparing these financial statements the directors are required to:

- Select suitable accounting policies in accordance with IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- Present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;
- Provide additional disclosures when compliance with the specific requirements in IFRSs is insufficient to enable users to understand the impact of particular transactions, other events and conditions on the group and company financial position and financial performance;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company and/ or the group will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's and group's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the company and the group financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the group and parent company and group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Under applicable law and regulations, the directors are also responsible for preparing a strategic report and a directors' report that comply with that law and those regulations. The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HMT VEHICLES LIMITED

Opinion

We have audited the financial statements of HMT Vehicles Limited (the 'company') for the year ended 31 December 2022 which comprise the Income Statement, the Statement of Comprehensive Income, the Statement of Financial Position and the Statement of Changes in Equity and the related notes 1 to 14, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 31 December 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – Financial Statements prepared on a break-up basis

We draw attention to note 2 to the financial statements which explains that the Directors intend to strike off the company imminently and therefore do not consider it to be appropriate to adopt the going concern basis of accounting in preparing the financial statements. Accordingly, the financial statements have been prepared on a break up basis as described in note 2. Our opinion is not modified in respect of this matter.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HMT VEHICLES LIMITED (CONTINUED)

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the company and determined that the most significant to be those relating to the United Kingdom General Accepted Accounting Practice, the Companies Act 2006, and the United Kingdom direct and indirect tax regulations. In addition, owing to the sector the company operates in, we considered laws and regulations that had a fundamental effect on the operations of the company, including in respect of export controls, defence contracting and anti-bribery and corruption legislation. Finally, the company must comply with operational and employment laws and regulations including health and safety regulations, environmental regulations and GDPR.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HMT VEHICLES LIMITED (CONTINUED)

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud (cont.)

- We understood how HMT Vehicles Limited is complying with those frameworks by making inquiries of senior finance personnel and those charged with governance and gaining an understanding of the entity level controls of the company in respect to these areas and the controls in place to reduce opportunity for fraudulent transactions.
- We assessed the susceptibility of the Company's financial statements to material misstatement, including how fraud might occur by meeting with management, and those charged with governance to understand where it considered there was susceptibility of fraud. We considered the procedures and controls that the company has established to address risks identified, or that otherwise prevent, deter and detect fraud and gained an understanding as to how those procedures and controls are implemented and monitored. We have obtained supporting documentation for material transactions that occurred during the year. Due to the company having limited activity during the year, the risk of material misstatement is deemed to be low. We remained aware of the presumed risk of management override in the performance of our procedures.
- Based on this understanding we designed our audit procedures to identify noncompliance with such laws and regulations. Our procedures involved:
 - o Enquiring of management, those charged with governance and internal legal counsel as to any fraud identified or suspected in the period, any actual or potential litigation or claims or breaches of significant laws or regulations applicable to the company;
 - o Reading board meeting minutes and relevant approval documents;
 - o Challenging the judgements made by management through corroborating the basis for those judgements and considering contradicting evidence; and
 - o Reading financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the financial statements

as at 31 December 2022

1 Accounting policies

Statement of compliance

HMT Vehicles Limited is a Private limited liability company incorporated and domiciled in England. The registered office is Reddings Wood, Ampthill, Bedfordshire, MK45 2HD.

The financial statements of HMT Vehicles Limited were authorised for issue by the Board of Directors on the date shown on the Statement of Financial Position (page 9).

The financial statements have been prepared on the historical cost basis and in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102 – The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), and with the Companies Act 2006.

The financial statements are presented in Sterling which is the functional currency of the company and rounded to the nearest £000.

Turnover

Turnover represents the sale of intellectual property excluding VAT.

Research and development

Research expenditure is written off to the profit and loss account in the year in which it is incurred. Development expenditure is written off in the same way unless the directors are satisfied as to the technical, commercial and financial viability of individual projects. In this situation, the expenditure is deferred and amortised over the period during which the company is expected to benefit. This normally starts with commercial production of the project.

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling of the date of the transaction. Assets and liabilities expressed in foreign currencies are translated into sterling at rates of exchange ruling at the end of the financial year. All foreign exchange differences are taken to the profit and loss account in the year in which they arise.

Deferred taxation

Deferred tax is recognised in respect of all timing differences which are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements, except:

- Provision is made for deferred tax that would arise on remittance of the retained earnings of overseas subsidiaries, associates and joint ventures only to the extent that, at the statement of financial position date, dividends have been accrued as receivable;
- Where there are differences between amounts that can be deducted for tax for assets (other than goodwill) and liabilities compared with the amounts that are recognised for those assets and liabilities in a business combination a deferred tax liability/(asset) shall be recognised. The amount attributed to goodwill is adjusted by the amount of the deferred tax recognised; and
- Unrelieved tax losses and other deferred tax assets are recognised only to the extent that the directors consider that it probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Intangible assets

Intangible assets are initially recorded at cost.

Intangible assets are amortised on a straight line basis over the estimated useful life of the asset. The carrying value of intangible assets is reviewed for impairment if events or changes in circumstances indicate the carrying value may not be recoverable.

Notes to the financial statements

as at 31 December 2022

2 Judgements in applying accounting policies and key sources of estimation uncertainty

In the application of the Company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors including expectations of future events that are considered to be reasonable under the circumstances. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods. There are no significant judgements and estimates made in preparing these financial statements.

Following the sale of all intellectual property in 2022, the directors of HMT Vehicles Limited plan to have the Company struck off and dissolved in 2023. The financial statements have not been prepared on a going concern basis. Instead they have been prepared on a break-up basis reflecting the expected closure of the company by September 2023.

Once all remaining considerations have been received and all outstanding liabilities have been discharged the Company will apply to be struck off.

As the Company has no fixed assets or employees any costs associated with this process will be nominal and as such a provision is not required.

There is no impact on the amounts recorded in these financial statements of adopting the break up basis.'

In making this assessment the directors have given sufficient consideration to the current external social, political and economic environment, and the impact that may have on the operational and financial performance of the Company for the assessment period. Implications of the war on Ukraine and the impact on current global economic pressures have been considered in arriving at this conclusion and do not alter the directors' assessment.

3 Turnover

All turnover originates from the sale of the Company's intellectual property. Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes.

4 Operating profit

Operating profit is stated after charging auditor fees of £8,500 (2021 : £7,500). There is no directors' remuneration payable in respect of qualifying services provided to the company. The company had no employees in 2022 (2021: nil)

5 Interest receivable and similar income

	2022	2021
	£000	£000
Bank interest receivable	31	-

6 Interest payable and similar charges
