## Statement of directors' responsibilities in respect of the financial statements

---

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently; and
- make judgments and estimates that are reasonable and prudent.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report and Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### Opinion on financial statements

#### Matters on which we are required to report by exception

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

## Notes to the financial statements at 31 December 2015

---

### 1 Accounting policies

#### *a) Statement of compliance*

Shed Productions (Jailbirds) Limited is a limited liability company incorporated in England. The Registered Office is 98 Theobald's Road, London, WC1X 8WB.

The company's financial statements have been prepared in compliance with FRS 102 as it applies to the financial statements of the company for the year ended 31 December 2015.

The company transitioned from previously extant UK GAAP to FRS 102 as at 1 January 2014. An explanation of how transition to FRS 102 has affected the reported financial position and financial performance is given in note 10.

#### *b) Basis of preparation*

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006 and with applicable United Kingdom accounting standards.

The financial statements are prepared in sterling which is the functional currency of the company and rounded to the nearest £'000.

#### *Statement of cash flows*

The company has taken advantage of the exemption in FRS 102.1.12(b) Reduced disclosures for subsidiaries. A statement of cashflows has not been prepared as the company is a member of a group where the parent, Time Warner Inc., prepares publicly available consolidated financial statements and the company is included in the consolidation (see note 9).

#### *Related parties*

The company has taken advantage of the exemption in FRS 102.1.12(e) Reduced disclosures for subsidiaries. Key management remuneration has not been disclosed as the company is a member of a group where the parent, Time Warner Inc., prepares publicly available consolidated financial statements and the company is included in the consolidation (see note 9).

The company has taken advantage of the exemption in FRS 102.33.1A not to disclose related party transactions with fellow wholly-owned subsidiary undertakings of Time Warner Inc., which prepares publicly available consolidated financial statements (see note 9).

#### *c) Judgements and key sources of estimation uncertainty*

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the statement of financial position date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

#### *Taxation*

The company recognises liabilities for anticipated uncertain corporation tax positions based on reasonable estimates of whether additional taxes will be due and the timing of those additional taxes. Further details are contained in Note 5.

Management estimation is required to determine the amount of deferred tax assets that can be recognised, based upon likely timing and level of future taxable profits.

#### *d) Significant accounting policies*

##### **Turnover**

Turnover represents amounts receivable for work carried out in producing television programmes and distribution income on licensing formats and completed programmes available to third parties.

Production income is recognised on episodic delivery of programmes in the year.

Distribution income represents license fees receivable from both Time Warner group companies and third parties. Amounts recognised in the statement of income and retained earnings include withholding tax but exclude Value Added Tax. Distribution income is recognised based on statements received from distributors.

##### **Deferred taxation**

Deferred tax is recognised without discounting in respect of all timing differences which are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. Deferred tax assets are only recognised to the extent that they are considered recoverable against future taxable profits.

### 5 Taxation on profit/(loss) on ordinary activities

a) There is no tax on the results for the current or preceding financial year.

b) Circumstances affecting the total tax charge:

The standard rate of current tax for the year, based on the UK standard rate of corporation tax is 20.25% (2014 -21.5%).

The tax charge for the year differs from the standard rate for the reasons in the reconciliation below:

	Year ended 31 December 2015 £'000	Year ended 31 December 2014 £'000
Profit/(Loss) on ordinary activities before taxation	5	(25)
Taxation on profit/(loss) on ordinary activities at standard rate	1	(5)
Factors affecting the tax charge:		
Group relief (received) /surrendered for nil consideration	(1)	5
Total tax (see note 5(a) above)	-	-

#### c) Factors affecting future tax charges

The Finance Act 2013 included legislation to reduce the main rate of corporation tax from 21% to 20% from 1 April 2015.

The Finance (No. 2) Act 2015, enacted on 18 November 2015, included two changes to the future mainstream corporation tax rate. From 1 April 2017 the rate will reduce from 20% to 19% and from 1 April 2020 the rate will reduce further to 18%.

The 2016 Budget on 16 March 2016 proposed a further rate change. The 18% rate enacted in the Finance (No. 2) Act 2015 will reduce by 1%, so that from 1 April 2020, the mainstream corporation tax rate will become 17%.

It is not yet possible to quantify the impact of this rate change upon current tax.
