## **201 Bishopsgate Limited**

### **Strategic Report for the Year Ended 31 March 2020**

The directors present their Strategic Report for the year ended 31 March 2020.

#### **Business review and principal activities**

201 Bishopsgate Limited ("the company") is a wholly owned subsidiary of Broadgate (PHC 8) 2008 Limited and operates as a constituent of Broadgate REIT Limited group of companies ("the group"). Broadgate REIT Limited operates as a joint venture between Euro Bluebell LLP, an affiliate of GIC, Singapore's sovereign wealth fund, and BL Bluebutton 2014 Limited, a wholly owned subsidiary of The British Land Company PLC.

The company's principal activity is property investment in the United Kingdom (UK).

As shown in the company's Profit and Loss Account on page 8, the company's turnover has remained consistent with the prior year. The company's profit before tax has increased by £17,306 compared to the prior year. This is due to a large upward revaluation of investment property during the year, which is partially offset by a provision of bad debts.

The revaluation of investment properties in the year was a surplus of £80,000 (2019: surplus/deficit of £nil).

Dividends of £nil (2019: £nil) were paid in the year.

The Balance Sheet on page 10 shows that the company's financial position at the year end has, in net assets terms, increased compared with the prior year.

The company owns the freeholds to the investment properties 201 Bishopsgate and Broadgate Tower. The value of investment properties held as at 31 March 2020 has increased by 400% from 31 March 2019 as shown in note 8 to the company's Balance Sheet. Details of how investment properties are valued can be found in note 8 to the company's balance sheet. The movement is determined by the prevailing market conditions at the balance sheet date.

The expected future developments of the company are determined by the strategy of the group.

#### **Key performance indicators**

The directors measure how the group, of which this company is a member, is delivering its strategy through the key performance indicators.

The Board of the group uses total return to monitor the performance of the group. This is a measure of growth in total equity per share, adding back any current year dividend.

#### **Principal risks and uncertainties**

This company is part of a large property investment group. As such, the fundamental underlying risks for this company are those of the property group as discussed below.

The company generates returns to shareholders through long-term investment decisions requiring the evaluation of opportunities arising in the following areas:

- demand for space from occupiers against available supply;
- identification and execution of investment and development strategies which are value enhancing;
- availability of financing or refinancing at an acceptable cost;
- economic cycles, including their impact on tenant covenant quality, interest rates, inflation and property values;
- legislative changes, including planning consents and taxation;
- engagement of development contractors with strong covenants;
- key staff changes; and
- environmental and health and safety policies.

The company has no third party debt. It therefore has no interest rate exposure.

**201 Bishopsgate Limited**

**Strategic Report for the Year Ended 31 March 2020 (continued)**

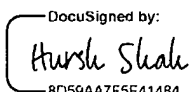

These opportunities also represent risks, the most significant being change to the value of the property portfolio. This risk has high visibility to directors and is considered and managed on a continuous basis. Directors use their knowledge and experience to knowingly accept a measured degree of market risk.

The group's preference for prime assets and their secure long term contracted rental income, primarily with upward only rent review clauses, presents lower risks than many other property portfolios.

The financial risks for the company are managed in accordance with the group financial risk management policy, as disclosed in the consolidated group financial statements. The general risk environment in which the group operates has heightened over the course of the year, which is largely due to the continued level of uncertainty associated with the future impact of the UK's exit from the EU, the significant deterioration in the UK retail market and weaker investment markets.

The outbreak of COVID-19, declared by the World Health Organization as a "Global Pandemic" on 11 March 2020, creates an unprecedented degree of uncertainty over both the severity of the above risks and the effectiveness of the above mitigating actions. The decline in economic activity resulting from the pandemic reduces the degree of certainty around the valuation of investment properties at year end. The valuations across all asset classes are therefore reported on the basis of "material valuation uncertainty" as per VPS 3 and VPGA 10 of the RICS Red Book Global. The external valuers have confirmed, the inclusion of the "material valuation uncertainty" declaration does not mean that valuations cannot be relied upon and rather, the phrase is used in order to be clear and transparent with all parties. See further details in note 8 of the financial statements.

## **201 Bishopsgate Limited**

### **Directors' Report for the Year Ended 31 March 2020**

The directors present their report and the audited financial statements for the year ended 31 March 2020.

#### **Directors of the company**

The directors, who held office during the year, and up to the date of signing the financial statements, were as follows:

D Richards

H Shah

D I Lockyer

#### **Directors' responsibilities statement**

The directors acknowledge their responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 'Reduced Disclosure Framework' ('FRS 101'). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether FRS 101 has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Environmental matters**

The company recognises the importance of its environmental responsibilities, monitors its impact on the environment, and designs and implements policies to reduce any damage that might be caused by the company's activities. The company operates in accordance with best practice policies and initiatives designed to minimise the company's impact on the environment including the safe disposal of manufacturing waste, recycling and reducing energy consumption.

#### **Going concern**

Having reviewed the company's forecast working capital and cash flow requirements including the impact of COVID-19 and in addition to making enquiries and examining areas which could give risk to financial exposure, the directors have a reasonable expectation that the company has adequate resources to continue its operations for the foreseeable future. As a result they continue to adopt the going concern basis in preparing the accounts.

#### **Subsequent Events**

Details of significant events since the Balance Sheet date, if any, are contained in note 15.

**201 Bishopsgate Limited**

**Directors' Report for the Year Ended 31 March 2020 (continued)**

**Disclosure of information to the auditors**

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information. The directors confirm that there is no relevant information that they know of and of which they know the auditors are unaware.

**Reappointment of independent auditors**

The auditors, PricewaterhouseCoopers LLP, have indicated their willingness to continue in office and a resolution concerning their re-appointment will be proposed at the next Board Meeting.

Approved by the Board on 24 September 2020 and signed on its behalf by:

# ***Independent auditors' report to the members of 201 Bishopsgate Limited***

## **Report on the audit of the financial statements**

---

### **Opinion**

In our opinion, 201 Bishopsgate Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the Balance Sheet as at 31 March 2020; the Profit and Loss account, the Statement of Comprehensive Income, the Statement of Changes in Equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

---

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Independence**

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

---

### **Emphasis of matter - Significant estimation uncertainty in relation to the valuation of investment property**

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosures made in notes 3 (Significant accounting judgements and key sources of estimation uncertainty) and 8 (Investment properties) to the financial statements. These notes explain that there is significant estimation uncertainty in relation to the valuation of investment properties of £100,000 included in the balance sheet as at 31 March 2020. The third party valuers engaged by management have included a material valuation uncertainty clause in their report. This clause highlights that less certainty, and consequently a higher degree of caution, should be attached to the valuation as a result of the COVID-19 pandemic.

---

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

---

### **Reporting on other information**

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that

# ***Independent auditors' report to the members of 201 Bishopsgate Limited (continued)***

there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic Report and Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

## ***Strategic Report and Directors' Report***

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic Report and Directors' Report for the year ended 31 March 2020 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic Report and Directors' Report.

---

## **Responsibilities for the financial statements and the audit**

### ***Responsibilities of the directors for the financial statements***

As explained more fully in the Directors' responsibilities statement set out on page 3, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### ***Auditors' responsibilities for the audit of the financial statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

### ***Use of this report***

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

# ***Independent auditors' report to the members of 201 Bishopsgate Limited (continued)***

---

## **Other required reporting**

---

### **Companies Act 2006 exception reporting**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

## **201 Bishopsgate Limited**

### **Notes to the Financial Statements for the Year Ended 31 March 2020**

#### **1 General information**

The company is a private company limited by share capital, incorporated and domiciled in England, United Kingdom.

The address of its registered office is:

York House  
45 Seymour Street  
London  
W1H 7LX

#### **2 Accounting policies**

##### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### **Basis of preparation**

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

In preparing these financial statements, the company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of investments properties. Historical cost is generally based on the fair value of the consideration given in exchange for the assets.

##### **Summary of disclosure exemptions**

The company has taken advantage of the following disclosure exemptions under FRS 101:

- (a) The requirements of IAS 1 to provide a Balance Sheet at the beginning of the year in the event of a prior year adjustment;
- (b) The requirements of IAS 1 to provide a Statement of Cash flows for the year;
- (c) The requirements of IAS 1 to provide a statement of compliance with IFRS;
- (d) The requirements of IAS 1 to disclose information on the management of capital;
- (e) The requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors to disclose new IFRS's that have been issued but are not yet effective;
- (f) The requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member;
- (g) The requirements of paragraph 17 of IAS 24 Related Party Disclosures to disclose key management personnel compensation;
- (h) The requirements of IFRS 7 to disclose financial instruments; and
- (i) The requirements of paragraphs 91-99 of IFRS 13 Fair Value Measurement to disclose information of fair value valuation techniques and inputs.

## **201 Bishopsgate Limited**

### **Notes to the Financial Statements for the Year Ended 31 March 2020 (continued)**

#### **2 Accounting policies (continued)**

Disclosure exemptions for subsidiaries are permitted where the relevant disclosure requirements are met in the consolidated financial statements. Where required, equivalent disclosures are given in the group financial statements of Broadgate REIT Limited. The group financial statements of Broadgate REIT Limited are available to the public and can be obtained as set out in note 16.

#### **Going concern**

Having reviewed the company's forecast working capital and cash flow requirements including the impact of COVID-19 and in addition to making enquiries and examining areas which could give risk to financial exposure, the directors have a reasonable expectation that the company has adequate resources to continue its operations for the foreseeable future. As a result they continue to adopt the going concern basis in preparing the accounts.

#### **Adoption status of relevant new financial reporting standards and interpretations**

During the year the company adopted the following standard:

##### ***IFRS 16 - Leases***

The new standard results in almost all leases held as lessee being recognised on the balance sheet, as the new distinction between operating and finance leases is removed. The accounting for lessors has not significantly changed. The company is a lessor and therefore the adoption of this new accounting policy has not had a material impact on the financial statements.

Apart from the changes in the standard highlighted above, no other standards, interpretations and amendments effective for the first time from 1 April 2019 have had a material effect on the financial statements.

#### **Turnover**

##### ***Rental income from investment property***

Rental income is recognised on an accruals basis. A rent adjustment based on open market estimated rental value is recognised from the rent review date in relation to unsettled rent reviews. Where a rent-free period is included in a lease, the rental income foregone is allocated evenly over the period from the date of lease commencement to the earliest termination date.

Rental income from fixed and minimum guaranteed rent reviews is recognised on a straight-line basis over the shorter of the entire lease term or the period to the first break option. Where such rental income is recognised ahead of the related cash flow, an adjustment is made to ensure that the carrying value of the related property including the accrued rent does not exceed the external valuation. Initial direct costs incurred in negotiating and arranging a new lease are amortised on a straight-line basis over the period from the date of lease commencement to the earliest termination date.

Where a lease incentive payment, including surrender premia paid, does not enhance the value of a property, it is amortised on a straight-line basis over the period from the date of lease commencement to the earliest termination date. Upon receipt of a surrender premium for the early determination of a lease, the profit, net of dilapidations and non-recoverable outgoings relating to the lease concerned, is immediately reflected in income.

Service charge income is recognised on an accruals basis in line with the service being provided.

#### **Taxation**

Current tax is based on taxable profit for the year and is calculated using tax rates that have been enacted or substantively enacted. Taxable profit differs from net profit as reported in the Profit and Loss Account because it excludes items of income or expense that are not taxable (or tax deductible).

**201 Bishopsgate Limited****Notes to the Financial Statements for the Year Ended 31 March 2020  
(continued)****2 Accounting policies (continued)****Investment properties**

Investment properties are measured initially at cost, including transaction costs. Subsequently to initial recognition, investment properties are stated at fair value, which reflects market conditions at the reporting date. Any surplus or deficit arising on revaluing investment properties is recognised in the Profit and Loss Account as a fair value movement.

Where properties held for investment are appropriated to trading stock, they are transferred at market value. If properties held for trading are appropriated to investment, they are transferred at book value.

**Debtors**

Trade and other debtors are initially recognised at fair value and subsequently measured at amortised cost and discounted as appropriate. The Company calculates the expected credit loss for debtors based on lifetime expected credit losses under the IFRS 9 simplified approach.

**Creditors**

Trade and other creditors are initially recognised at fair value and subsequently measured at amortised cost and discounted as appropriate.

**3 Significant accounting judgements and key sources of estimation uncertainty**

The key source of estimation uncertainty relates to the valuation of the property portfolio where an external valuation is obtained. The primary source of evidence for property valuations should be recent, comparable market transactions on an arms-length basis. However, the valuation of the Company's property portfolio is inherently subjective, as it is made on the basis of assumptions made by the valuers which may not prove to be accurate. The third party valuers for properties recognised at 31 March 2020 include a material valuation uncertainty clause in their reports. The clause highlights significant estimation uncertainty regarding the valuation of investment property due to the COVID-19 pandemic. The valuations as at the current balance sheet date should therefore be treated with additional caution. See note 8.

In accounting for net rental income, the group is required to judge the recoverability of any income accrued and provides against the credit risk on these amounts. The potential for management to make judgements or estimates relating to those items which would have a significant impact on the financial statements is considered, by the nature of the group's business, to be limited.

**4 Turnover**

The analysis of the company's turnover for the year from continuing operations is as follows:

	<b>2020</b>	<b>2019</b>
	<b>£</b>	<b>£</b>
Rental income from investment property	<u>2,000</u>	<u>2,000</u>
	<u><b>2,000</b></u>	<u><b>2,000</b></u>

**5 Auditors' remuneration**

A notional charge of £3,543 (2019: £4,040) is deemed payable to PricewaterhouseCoopers LLP in respect of the audit of the financial statements for the year ended 31 March 2020. Actual amounts payable to PricewaterhouseCoopers LLP are paid by Bluebutton Properties UK Limited.

No non-audit fees (2019: £nil) were paid to PricewaterhouseCoopers LLP.

**201 Bishopsgate Limited****Notes to the Financial Statements for the Year Ended 31 March 2020  
(continued)****6 Staff costs**

No director (2019: nil) received any remuneration for services to the company in either year. The remuneration of the directors was borne by another company, for which no apportionment or recharges were made. The value of this service was negligible.

Average number of employees, excluding directors, of the company during the year was nil (2019: nil).

**7 Taxation**

	2020 £	2019 £
<b>Current taxation</b>		
UK corporation tax	-	-
Tax charge in the profit and loss account	-	-
	2020 £	2019 £
<b>Tax reconciliation</b>		
Profit on ordinary activities before taxation	19,172	1,866
Tax on profit on ordinary activities at UK corporation tax rate of 19% (2019: 19%)	3,643	355
<b>Effects of:</b>		
REIT exempt income and gains	465,250	582,897
Capital allowances	(453,693)	(583,252)
Increase in fair value of property & investments	(15,200)	-
<b>Total tax charge</b>	-	-

On 17 March 2020 legislation was substantially enacted confirming that the tax rate would not be reduced from 1 April 2020 but would remain at 19%.

Cost	20,000
Net book value at 31 March 2018 and 2019	20,000

At 31 March 2020 the book value of leasehold investment properties owned by the company was £100,000 (2019: £20,000).

Investment properties are valued by adopting the "investment method" of valuation. This approach involves applying capitalisation yields to current and estimated future rental streams net of income voids arising from vacancies or rent-free periods and associated running costs. These capitalisation yields and rental values are based on comparable property and leasing transactions in the market, using the valuers' professional judgement and market observation. Other factors taken into account in the valuations include the tenure of the property, tenancy details and ground and structural conditions.

Properties were valued to fair value at 31 March 2020 by Cushman & Wakefield, independent valuers not connected with the company, in accordance with the RICS Valuation - Professional Standards 2014, Ninth Edition, published by The Royal Institution of Chartered Surveyors.

The outbreak of COVID-19, declared by the World Health Organisation as a "Global Pandemic" on 11 March 2020, has impacted global financial markets. Travel restrictions have been implemented by many countries. Market activity is being impacted in many sectors. As at the valuation date, the external valuers consider that they can attach less weight to previous market evidence for comparison purposes, to inform opinions of value. The current response to COVID-19 means that external valuers are faced with an unprecedented set of circumstances on which to base a judgement.

The valuations are therefore reported on the basis of "material valuation uncertainty" as per VPS 3 and VPGA 10 of the RICS Red Book Global. Consequently, less certainty - and a higher degree of caution - should be attached to the valuations provided than would normally be the case. For the avoidance of doubt, the inclusion of the "material valuation uncertainty" declaration does not mean that valuations cannot be relied upon. Rather, the phrase is used in order to be clear and transparent with all parties, in a professional manner that - in the current extraordinary circumstances - less certainty can be attached to valuations than would otherwise be the case.

The impact of changes in unobservable inputs (Level 3) on the fair value of the Group's property portfolio can be found in note 9 of the Broadgate REIT Limited consolidated accounts.

The company leases out all of its investment properties under operating leases. The future aggregate minimum rentals receivable under non-cancellable operating leases are as follows:

**201 Bishopsgate Limited****Notes to the Financial Statements for the Year Ended 31 March 2020  
(continued)****8 Investment properties (continued)**

	<b>31 March 2020 £</b>	<b>31 March 2019 £</b>
Leases less than one year	2,000	2,000
