Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company to prevent and detect fraud and other irregularities.

Independent auditors' report to the members of SMS Management & Technology Limited

We have audited the financial statements on pages 5 to 15.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on page 3, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 30 June 2003 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements, except as noted below. The company has adopted FRS 19 'Deferred Tax' in these financial statements. The comparative figures have been restated accordingly.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

The financial statements have been prepared on the going concern basis, notwithstanding net liabilities of £629,521, which the directors believe to be appropriate for the following reasons.

SMS Management & Technology Limited, the ultimate parent company, has indicated to the company that for at least 12 months from the date of approval of these financial statements, it will continue to make available such funds as are needed by the company and in particular will not seek repayment of the amounts currently made available. This should enable the company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment.

Based on this undertaking the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

Fixed assets and depreciation

The cost of tangible fixed assets is their purchase cost, together with any incidental costs of acquisition.

Depreciation is calculated so as to write off the cost of tangible fixed assets, less their estimated residual values, on a straight line basis over the expected useful economic lives of the assets concerned. The principal annual rates used for this purpose are:

| | | |
|------------------------|---|-----|
| Office equipment | - | 33% |
| Furniture and fittings | - | 20% |

Operating leases

Costs in respect of operating leases are charged on a straight line basis over the lease term.

Turnover

Turnover, which excludes value added tax and trade discounts, represents the invoiced value of professional services and other consultancy services supplied.

Pension

The company operates a defined contribution pension scheme on behalf of certain staff. The assets of the scheme are held separately from those of the company by an insurance company. The company's contributions are charged to the profit and loss account in the year in which they are payable.

Notes (continued)

1 Accounting policies (continued)

Deferred taxation

Deferred tax is provided in full on an undiscounted basis, on all timing differences which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in tax computations in periods different from those in which they are included in the financial statements.

A net deferred tax asset is regarded as recoverable and is recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be sufficient taxable profits in the foreseeable future from which the reversal of the underlying timing differences can be deducted.

Related party transactions

As over 90% of the company's voting rights are controlled within the group headed by SMS Management & Technology Limited, the company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group or investees of the group qualifying as related parties.

Foreign currencies

Transactions denominated in foreign currencies are recorded in sterling at actual exchange rates as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the year end are translated at the exchange rate prevailing on that date. Exchange gains or losses are taken to the profit and loss account in the year in which they arise.

2 Turnover

Turnover consists entirely of sales made in the United Kingdom.

3 Operating loss

| | 2003 £ | 2002 £ |
|---|-----------|-----------|
| <i>Operating loss is stated after charging/(crediting):</i> | | |
| Depreciation of tangible fixed assets | 3,048 | 5,317 |
| Auditors' remuneration for audit services | 8,000 | 10,800 |
| Gain on foreign currencies exchange | 3,074 | (217) |

7 Tax on (loss)/profit on ordinary activities

| | 2003 £ | 2002 £ |
|--|---------------|-----------|
| <i>Taxation based on the (loss)/profit for the year:</i> | | |
| UK corporation tax at 30% | - | - |
| Over provision in respect of previous year | 98,779 | - |
| | <u>98,779</u> | <u>-</u> |

Factors affecting the tax charge for the current period

The current tax charge for the period is higher (2001: lower) than the standard rate of corporation tax in the UK (2002: 30%, 2001: 30 %). The differences are explained below:

| | 2003 £ | 2002 £ |
|--|------------------|------------------|
| <i>Current tax reconciliation</i> | | |
| Loss on ordinary activities before tax | (805,483) | (439,659) |

| Current tax at 30% (2002: 30 %) | (241,645) | (131,898) |
| <i>Effects of:</i> | | |
| Expenses not deductible for tax purposes | 17,578 | 72,453 |
| Capital allowances for period in excess of depreciation | (50) | 683 |
| Losses to be carried back | - | 68,083 |
| Losses not utilised | 224,117 | - |
| Adjustments to tax charge in respect of previous periods | 98,779 | - |
| Short term timing differences | - | (9,321) |
| | <u>98,779</u> | <u>-</u> |
| Total current tax charge (see above) | <u>98,779</u> | <u>-</u> |

8 Deferred tax

The company has an unprovided deferred tax asset as follows:

| | 2003 £ | 2002 £ |
|----------------------------|----------------|---------------|
| Advance capital allowances | 1,056 | 683 |
| Losses | 229,500 | 15,000 |
| | <u>230,556</u> | <u>15,683</u> |

These assets have not been recognised in the financial statements, as, in the opinion of the directors there is insufficient evidence that they will be recoverable.
