Directors' Report

For the year ended 31 December 2017

The directors present their report and audited financial statements for the Company for the year ended 31 December 2017.

Directors

The current directors and those in office during the year are as follows:

F J Helliwell	(resigned 6 September 2017)
S K McLachlan	
S Ravindra	(resigned 8 September 2017)
I Shervell	(appointed 8 September 2017)
J R E Tarry	(appointed 8 September 2017)

Principal Activities

The Company's principal activity is to provide facilities management services to a mental health unit constructed under a Private Finance Initiative ('PFI') with the Sussex Partnership NHS Foundation Trust ('NHS Trust').

The directors have reviewed the activities of the business for the year and the position as at 31 December 2017 and consider them to be satisfactory.

Dividend

The directors do not recommend the payment of a final dividend for the financial year ending 31 December 2017 (2016: £nil). Interim dividends totalling £90,911 were paid during the year (2016: £nil).

Going Concern

After making enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, the directors continue to adopt the going concern basis in preparing the financial statements.

Employees

The Company has no employees (2016: nil).

Future Developments

There are no changes expected to the Company's activities for the foreseeable future.

Disclosure of Information to the Auditors

Each person who was a director of the Company on the date that this report was approved, confirms that:

- (a) so far as the director is aware, there is no relevant audit information of which the auditors are unaware; and
- (b) each director has taken all the steps that he/she ought to have taken as a director in order to make him/herself aware of any relevant audit information and to establish that the auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Companies Act 2006.

Directors' Report (continued)

For the year ended 31 December 2017

Independent Auditors

It is the intention of the directors to reappoint the auditors, PricewaterhouseCoopers LLP, under the deemed appointment rules of Section 487 of the Companies Act 2006.

Qualifying Indemnity Provisions

The directors have the benefit of an indemnity provision contained in the Company's Articles of Association, subject to the conditions set out in the Companies Act 2006. This is a 'qualifying third party indemnity' provision as defined in section 234 of the Companies Act 2006.

Aviva plc, granted in 2004 an indemnity to the directors against liability in respect of proceedings brought by third parties, subject to the conditions set out in the Companies Act 1985 (which continue to apply in relation to any provision made before 1 October 2007). This indemnity is a 'qualifying third party indemnity' for the purposes of sections 309A to 309C of the Companies Act 1985. These qualifying third party indemnity provisions remain in force as at the date of approving the Directors' Report by virtue of paragraph 15, Schedule 3 of The Companies Act 2006 (Commencement No. 3, Consequential Amendments, Transitional Provisions and Savings) Order 2007.

Statement of Directors' Responsibilities in Respect of the Financial Statements

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' Report (continued)
For the year ended 31 December 2017

In preparing their report, the directors' have taken advantage of the exemption for small companies in accordance with section 415(A) of the Companies Act 2006.

Independent auditors' report to the members of NU Local Care Centres (Chichester No.1) Limited

Report on the audit of the financial statements

Opinion

In our opinion, NU Local Care Centres (Chichester No.1) Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the statement of financial position as at 31 December 2017; the statement of comprehensive income, the statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you when:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

Independent auditors' report to the members of NU Local Care Centres (Chichester No.1) Limited (continued)

Reporting on other information (continued)

With respect to the Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

Directors' Report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' Report for the year ended 31 December 2017 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Directors' Report.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the Statement of Directors' Responsibilities set out on page 4, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Independent auditors' report to the members of NU Local Care Centres (Chichester No.1) Limited (continued)

Other required reporting

Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

Notes to the Financial Statements
for the year ended 31 December 2017

1. General information

NU Local Care Centres (Chichester No. 1) Limited provides facilities management services to a mental health unit constructed under a PFI with the NHS Trust.

The Company is a private company limited by shares and is incorporated in England. The registered office is St Helen's, 1 Undershaft, London, EC3P 3DQ.

2. Statement of compliance

The individual financial statements of NU Local Care Centres (Chichester No. 1) Limited have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006.

3. Accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated. The company has adopted FRS 102 in these financial statements.

a) Basis of preparation

These financial statements are prepared on a going concern basis, under the historical cost convention.

The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 4.

b) Strategic report

A strategic report has not been included in these audited financial statements as the Company qualifies for exemption as a small entity under Section 382 of the Companies Act 2006 relating to small companies.

c) Cash flow statement

The Company has taken advantage of the exemption, under FRS 102 paragraph 1.12(b), from preparing a statement of cash flows, on the basis that it is a qualifying entity and its parent entity, Norwich Union Public Private Partnership Fund, includes the Company's cash flows in its own consolidated financial statements.

d) Going concern

After making enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

e) Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 102. Deferred tax assets are recognised to the extent that it is regarded as more likely than not profits will be available against which they can be realised.

Notes to the Financial Statements (continued)
for the year ended 31 December 2017

3. Accounting policies (continued)

f) Financial instruments

The Company has chosen to adopt Sections 11 and 12 of FRS 102 in respect of financial instruments.

(i) Financial assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

Basic financial assets, including trade and other receivables, cash at bank and in hand balances, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Finance lease receivables from PFI concessions represent outstanding amounts due under finance lease arrangements less finance charges allocated to future periods. Unitary payments receivable are allocated between turnover and the reimbursement of the finance lease receivable. This basis of allocation is also integral in generating a constant rate of return on the net cash investment over the contract period.

Such assets are subsequently carried at amortised costs using the effective interest method.

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in the Statement of Comprehensive Income.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been had the impairment not previously been recognised. The impairment reversal is recognised in the Statement of Comprehensive Income.

Financial assets that are classified as receivable within one year are measured at the undiscounted amount of the cash or other consideration expected to be received, net of impairment.

Financial assets are derecognised when (a) the contractual rights to the cash flows from the asset expire or are settled, or (b) substantially all the risks and rewards of the ownership of the asset are transferred to another party or (c) despite having retained some significant risks and rewards of ownership, control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

Notes to the Financial Statements (continued)
for the year ended 31 December 2017

3. Accounting policies (continued)

f) Financial instruments (continued)

(ii) Financial liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Basic financial liabilities are initially measured at transaction price (including transaction costs), except for those financial liabilities classified as at fair value through the Statement of Comprehensive Income, which are initially measured at fair value (which is normally the transaction price excluding transaction costs).

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Debt instruments that are classified as payable within one year and which meet the above conditions are measured at the undiscounted amount of the cash or other consideration expected to be paid or received, net of impairment.

Other debt instruments not meeting these conditions are measured at amortised cost, using the effective interest rate method.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, is cancelled or expires.

(iii) Offsetting

Financial assets and liabilities are offset and the net amounts presented in the financial statements when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

g) Cost of sales

Cost of sales includes amounts invoiced in respect of facilities management services provided, and other expenses incurred on an accruals basis.

h) Interest payable and similar charges

Interest payable on loans is charged to the Statement of Comprehensive Income on an accruals basis.

Finance costs incurred in relation to the raising of loan finance are amortised to the Statement of Comprehensive Income over the period of the loan facility.

i) Dividends

Dividends are recognised as liabilities once they are no longer at the discretion of the Company.

j) Cash at bank and in hand

Cash at bank and in hand comprises of cash and cash on deposit, both of which are immediately available and cash held within the sinking fund which is not immediately available.

k) Functional currency

The functional currency of the Company is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates.

l) Related party transactions

The Company, being an indirect wholly owned subsidiary of Norwich Union Public Private Partnership Fund, has taken advantage of the exemption under the terms of the FRS 102 from disclosing related party transactions with entities that are part of the group headed by Norwich Union Public Private Partnership Fund.

Notes to the Financial Statements (continued)

for the year ended 31 December 2017

4. Critical accounting adjustments and estimation uncertainty

The preparation of the Company's Financial Statements requires the directors to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the reporting date. The estimates and associated assumptions are based on historical experience, expectations of future events and other factors that are considered to be relevant. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the assets or liabilities affected.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

In the process of applying the Company's accounting policies, the directors have made the following judgements which have the most significant effect on the amounts recognised in the Financial Statements:

- i. Non-financial assets are reviewed for impairment at each balance sheet date. An impairment loss is recognised for the amount by which the carrying amount of the asset exceeds its recoverable amount, which is the higher of an asset's net selling price and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows.
- ii. Interest free inter-company loans are discounted to fair value using market rates of interest. The market rate of interest is assumed to be the rate charged on long-term unsecured loans between companies within the Norwich Union Public Private Partnership Fund group.

5. Turnover

Turnover, which excludes value added tax, represents amounts derived from the financial model established in accordance with the PFI concession agreement dated 24 June 1999, together with amounts in respect of facilities management services provided. The amounts under this PFI concession agreement include an element of service charge which will be recognised on a straight line basis over the 30 year term of the agreement on an accruals basis.

There is no geographical business segment and thus segmental disclosures of turnover are not provided.

6. Administrative expenses

	2017 £	2016 £

Total future payments	9,342,098	9,942,351
Less: interest allocated to future periods	(3,294,916)	(3,712,083)
Total receivables from PFI concessions	6,047,182	6,230,268

This comprises of:

	2017 £	2016 £
Amounts falling due within one year	211,381	183,085
Amounts falling due between 2 and 5 years	1,178,548	1,039,869
Amounts falling due after more than 5 years	4,657,253	5,007,314
Total	6,047,182	6,230,268

The receivables from PFI concessions due after more than one year include an amount of £4,034,821 (2016: £3,963,123) in respect of timing differences between the amounts invoiced to the NHS Trust and the amounts required to achieve a constant rate of return on the net cash investment.

The total amount receivable from PFI concessions comprises the amount owed by the NHS Trust under the terms of the PFI agreement. This balance takes into account the residual value of the property at the end of the primary lease term, which is deemed to be £nil (2016: nil).

In the operational phase of the project to provide facilities management services to the mental health care unit, the property is leased under the PFI agreement to the NHS Trust. The Company recognises the amount owed by the NHS Trust in debtors after deducting finance charges allocated to future periods. The value of the receivable from PFI concessions are based upon the expected repayments receivable from the NHS Trust.

The interest earned under the PFI agreement is calculated using the actuarial method to give a constant rate of return on the net cash investment. The interest is recognised in the Statement of Comprehensive Income over the primary term of the lease, which is thirty years.

The directors consider the key risk underlying the PFI agreement to be the recoverability of the amounts owed by the NHS Trust. This risk, however, is mitigated, as the repayments are fixed under the terms of the PFI agreement, after including an annual indexation factor.

Notes to the Financial Statements (continued)

for the year ended 31 December 2017

12. Prepayments and accrued income

	2017 £	2016 £
Prepayments	5,890	5,756
Accrued income	138,527	123,543
Total prepayments and accrued income	<u>144,417</u>	<u>129,299</u>

13. Cash at bank and in hand

Cash at bank and in hand includes £866,947 (2016: £795,848) which relates to amounts paid by Sussex Partnership NHS Foundation Trust into a sinking fund to fund the replacement and repair of certain assets. The fund cannot be accessed by the Company for any other purpose.

14. Creditors: amounts falling due within one year

	2017 £	2016 £
Trade creditors	31,930	57,324
Sinking fund	858,036	815,651

Accruals and deferred income	214,903	190,772
Total creditors amounts falling due within one year	<u>1,242,584</u>	<u>1,285,720</u>

Income received into the sinking fund is not recognised until the contractual obligations of the corresponding maintenance contract have been fulfilled. The amounts invoiced are recognised as a liability. Once the Company has fulfilled its contractual obligations under the maintenance contract it recognises the expenditure incurred and a corresponding amount is recognised as turnover in its Statement of Comprehensive Income. Differences between the sinking fund and the related bank account are due to timing differences in invoices and actual cash receipts and payments.

Amounts owed to group undertakings are unsecured, interest free, have no fixed date of repayment and are repayable on demand.

15. Creditors: amounts falling due after more than one year

	2017 £	2016 £
Amounts owed to group undertakings		
Loan due to NUPPP (Care Technology and Learning Centres) Limited	8,900,000	8,900,000
Gross loan	8,900,000	8,900,000

for the year ended 31 December 2017

16. Taxation, including deferred taxation

	2017 £	2016 £
Balance as at 1 January	157,255	192,308
Credit for the year	(23,031)	(35,053)
Balance as at 31 December	<u>134,224</u>	<u>157,255</u>

The provision for deferred taxation is made up of:

	2017 £	2016 £
Accelerated capital allowances	256,681	261,995
Short term timing differences	(85,788)	(63,312)
Tax losses carried forward	(36,669)	(41,428)
Total provision for deferred taxation	<u>134,224</u>	<u>157,255</u>

Deferred tax assets are expected to unwind against the deferred liabilities, and therefore a net deferred tax liability has been recognised on the balance sheet.

Legislation already enacted at the balance sheet date means that the corporate tax rate is expected to reduce to 19% from 1 April 2017 and then 17% from 1 April 2020. On this basis, the closing deferred tax liability balance has been tax effected at the rate of 17%.

17. Called up share capital

	2017 £	2016 £
