Maybourne Hotels Limited

Directors' report

The directors present their report and the audited financial statements for the 18 month period ended 31 December 2010

Activities

The principal activity of the company is the provision of management services to other entities within the group, where the parent company is Coroin Limited. The principal activity of these companies is the provision of five star deluxe hotel and restaurant services.

Review of developments

The loss for the 18 month period to 31 December 2010 before tax was £0.28m (*year ended 30 June 2009 loss £1.5m*). The profit and loss account is shown on page 9.

The directors expect that the present activity level will at least be sustained for the foreseeable future.

Dividends

During the period no dividends were paid or proposed (*year ended 30 June 2009 £nil*).

Directors and their interests

The directors who held office during the period were as follows:

Stephen Alden

Mark Hennebry

Lisa Seelinger

Resigned 30 November 2010

The directors and secretary do not hold any material interests in the shares of the company or any other company in the group.

Employees

The company's policy is to give full and fair consideration to the recruitment of disabled persons having regard to their particular aptitudes and abilities. Appropriate training will be arranged for disabled persons. The company's personnel policies ensure that all its employees are made aware, on a regular basis, of the company's policies, programmes and progress.

Creditor payment policy

The payment policy of the company is to pay all purchases within thirty days of the end of the month. The payment policy applies to all payments to creditors/suppliers for revenue and capital supplies of goods and services without exception.

Maybourne Hotels Limited

Directors' report *(continued)*

Political and charitable contributions

The company made no political contributions during the period and no donations to charities

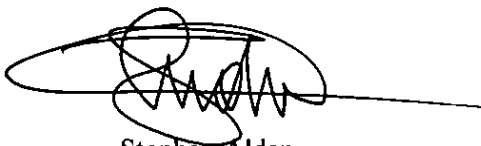

Disclosure of information to auditors

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information

Auditors

Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be re-appointed and KPMG will therefore continue in office

Approved by the Board of Directors and signed on behalf of the Board

A handwritten signature in black ink, appearing to be 'Stephen Alden', with a large, stylized initial 'S' and a long horizontal line extending to the right.

Maybourne Hotels Limited

Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

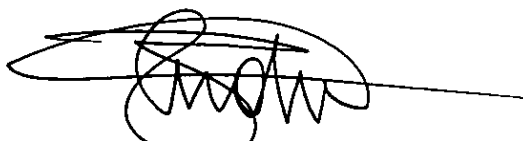

Company law requires the directors to prepare financial statements for each financial period. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities

On behalf of the board

Stephen Alden

Independent auditor's report to the members of Maybourne Hotels Limited

We have audited the financial statements of Maybourne Hotels Limited for the period ended 31 December 2010 which comprise the profit and loss account, statement of total recognised gains and losses, balance sheet and related notes. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's website at www.frc.org.uk/apb/scope/private.cfm

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2010 and of its loss for the period then ended,
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Independent auditor's report to the members of Maybourne Hotels Limited (continued)

Emphasis of matter – going concern

In forming our opinion on the financial statements, which is not qualified, we have considered the adequacy of the disclosures made in Note 1 to the financial statements about the preparation of the financial statements on a going concern basis. As outlined in Note 1 borrowings of the company's parent, Coroin Ltd, and other group companies, are secured by a fixed and floating charge over the assets of the company. The parent company is currently in discussions with its bankers with a view to extending its banking facilities, which currently are due on 30 September 2011. As these negotiations are ongoing there exists a risk that such banking facilities will not be extended and that the fixed and floating charges issued by the company may be called upon. However, the parent company is confident that discussions with its bankers will be satisfactorily concluded and on this basis the directors are satisfied that the financial statements should be prepared on the going concern basis.

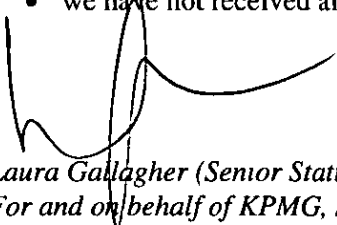

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the directors' report is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Maybourne Hotels Limited

Statement of accounting policies

for the period ended 31 December 2010

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements

Basis of preparation and going concern

The financial statements are prepared in Sterling in accordance with generally accepted accounting principles under the historical cost convention and comply with financial reporting standards of the Accounting Standards Board

The financial statements have been prepared on a going concern basis. See Note 1 to the financial statements for further information

Cash flow statement

The company's ultimate parent undertaking publishes financial statements which are publicly available. Those financial statements include a consolidated cash flow statement. For this reason the exemption requirements of FRS 1 (Revised) "Cash Flow Statements" are met and the company has therefore not prepared a cash flow statement

Group accounts

The company is exempt from the obligation to prepare consolidated accounts by virtue of Section 400 of the Companies Act 2006 in that it is a wholly owned subsidiary of its ultimate parent and controlling undertaking which itself prepares group accounts which are publicly available. These financial statements are therefore entity financial statements and are not consolidated financial statements

Turnover

Turnover is derived from management fees payable by other entities within the group, excludes value added tax and is recognised on provision of the related service. Turnover is derived solely from UK operations

Stocks

Stocks are valued at the lower of cost and net realisable value

Fixed assets

Fixed assets are stated at cost less accumulated depreciation. Assets under construction are held at cost. Depreciation is not recorded until the asset is fully operational

Maybourne Hotels Limited

Statement of accounting policies *(continued)*

Depreciation

Depreciation of other tangible assets is provided on a straight-line basis over the following useful lives

Plant and machinery	between 4 and 20 years
Fixtures and fittings	between 5 and 20 years

Capitalisation of interest

Interest attributable to progress payments made on construction work-in-progress is capitalised and included in the cost of fixed assets. Interest is calculated by reference to specific borrowings where applicable or calculated at the weighted average interest rate for the pool of borrowings funding that particular project. Capitalisation of interest ceases when substantially all the activities that are necessary to bring the tangible fixed asset into use are complete.

Deferred taxation

Deferred taxation is provided in full on an undiscounted basis on timing differences that result in an obligation to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law and on an undiscounted basis. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered.

Pension and other post retirement benefits

The company is a participating member of a larger group defined benefit pension scheme, the Maybourne Hotels Group Pension and Life Insurance Scheme, providing benefits based on final pensionable pay. The assets of the scheme are held separately from those of the Company. The Company is unable to identify its share of the scheme assets and liabilities on a consistent and reasonable basis and therefore, as permitted by FRS 17 'Retirement benefits', the scheme has been accounted for in these financial statements, as if the scheme was a defined contribution scheme. As a result, the amount charged to the profit and loss account represents the contributions payable to the scheme in respect of the accounting period.

Maybourne Hotels Limited

Profit and loss account

22 July 2011

Maybourne Hotels Limited

Notes

forming part of the financial statements

1 Basis of preparation of financial statements and going concern

The financial statements have been prepared on a going concern basis

As at 31 December 2010 the company had net current liabilities of £6,961,000 and net liabilities of £4,743,000. The parent company has provided a commitment to continue to fund the company going forward as required. The company has provided cross guarantees with respect to the borrowings of Coroin Limited and its subsidiaries (the "group").

As at 31 December 2010 the group had net current liabilities of £604,711,000 and net assets of £18,099,000. The group's projections for 2011 forecast increased operating profit and cash flows reflecting increased average room rates and occupancy. The group holds sufficient working capital to meet its trading obligations. Funding of the group's debt used to acquire and develop the assets is dependent upon the continued availability of bank borrowings which are due for refinancing in September 2011. It is expected that the group's bankers will continue to provide financing to enable the group to meet its obligations as and when they fall due for the foreseeable future. It is expected that such financing will be agreed at similar terms and conditions as currently in place.

On this basis, the directors are satisfied that it is appropriate to prepare the financial statements on a going concern basis.

2 Turnover

	18 month period ended 31 December 2010 £'000	Year ended 30 June 2009 £'000
Property rental, management fees and ancillary business receipts	16,445	9,081

All turnover is derived from operations in the UK.

3 Staff numbers and costs

The average number of persons employed by the company (including directors) during the year, analysed by category, was as follows:

	2010 No.	2009 No.
Hotel and administration	67	63

Maybourne Hotels Limited

Notes (continued)

3 Staff numbers and costs (continued)

The aggregate payroll costs of these persons were as follow

	2010 £'000	2009 £'000
Wages and salaries	3,486	2,849
Social security costs	524	258
Other pension costs (excluding exceptional costs)	239	148
	<hr/>	<hr/>
	4,249	3,255
	<hr/>	<hr/>

Director's remuneration

The directors received no remuneration for these services to the company (2009 nil)

4 Administration expenses – exceptional

Included in administration expenses are exceptional costs of £4.1 million (2009 £2.6 million) relating to additional monthly contributions paid to the defined benefit pension scheme to cover the shortfall in funding as recommended in the most recent actuarial valuation at 31 March 2006

These additional top up contributions increase annually at a rate determined by the Retail Price Index and are required to address the Minimum Funding Requirement shortfall

Full details of the pension scheme are disclosed in the accounts of the company's parent undertaking

5 Operating loss

	18 month period ended 31 December 2010 £'000	Year ended 30 June 2009 £'000

Effects of		
Expenses not deductible for tax purposes	(2,392)	22
Capital allowances in excess of qualifying depreciation	180	90
Other timing differences (deferred tax provided)	-	-
Current losses carried forward	2,291	373
Other permanent differences	-	(62)
	<hr/>	<hr/>
Current tax charge for the period/year	-	-
	<hr/>	<hr/>

Maybourne Hotels Limited

Notes (*continued*)

7 Tax (charge)/credit on loss on ordinary activities (*continued*)

Factors that may affect the future tax charge

The tax charge in future periods will be impacted by any rate changes to the corporation tax rate in force in the countries in which it operates. In the UK, the Finance Bill 2010 included a reduction in the rate of corporate tax from 28% to 27% and this was substantially enacted on 21 July 2010. The rate reduction applies from 1 April 2011. Deferred tax balances must be recognised at the future rate applicable when the balance is expected to unwind. The rate reduction is not reflected in the closing tax balance at the year end. The UK 2010 Emergency budget announced further reductions in the corporation tax rate of 1% annually, reaching 24% on 1 April 2014 and this is not reflected in the closing deferred tax balance.

Deferred tax has not been provided on the difference between the carrying value and the tax basis of fixed assets. This tax will only become payable if the assets are sold and rollover relief is not obtained. The estimated amount of tax that would become payable in these circumstances is £Nil.

Factors affecting corporation tax charge for the current year

Deferred tax has not been provided in respect of gains realised that have been rolled over into the acquisition cost of replacement assets. This tax will become payable if the replacement assets are sold and further rollover relief is not available. The estimated amount of tax that would become payable in these circumstances is £Nil.

A deferred tax asset has not been recognised in respect of the carried forward tax losses of £1,104,000 (2009 £1,793,000) as their utilisation in the near future is uncertain.

Notes (continued)

18 Related party disclosures

The company is exempt under the provisions of paragraph 3, Financial Reporting Standard 8 "Related Party Disclosures" from disclosing details of transactions with group-related parties

During the period, the Company paid interest and consultancy fees on behalf of Goldrange, a company controlled by a number of directors of the parent undertaking Coroin Limited. An amount of £1,176,695 (2009 £18,554) is included in debtors at 31 December 2010 in this respect and represents the full amount outstanding at the year end

At 31 December 2010 an amount of £149,354 (2009 £149,354) remains due from one of the directors of Coroin Limited in relation to monies advanced in previous years. Other amounts due from companies controlled by common directors amounted to £nil (2009 £47,827)

19 Pensions and similar obligations

Maybourne Hotels Limited is a participating employer in two pension schemes. The Maybourne Hotels Group pension and life insurance scheme, a defined benefit scheme, which has two sections – Staff and Senior Staff section was closed to new entrants with effect from 1 August 2007. The Maybourne Stakeholder Scheme, a defined contribution scheme, was introduced on 1 August 2007 and is open to all staff if they meet the eligibility criteria. The company actively encourages staff to join the scheme as it believes that it is an important element of the remuneration package. This is disclosed fully in the consolidated accounts of Coroin Limited.

The directors are unable to identify the company's share of the scheme assets and liabilities as,

- Most scheme members have worked for more than one company within the group. The group structure has also changed materially over time due to restructurings, acquisitions and disposals. It is therefore not appropriate to allocate assets and liabilities between the participating companies.
- For funding purposes, the employers within the group share actuarial risks. The determination of cash contributions does not separately identify assets and liabilities for individual participating companies and all employers pay the same contribution rate in respect of accruing benefits. Contributions in respect of the past service deficit are paid separately by another group company.

As a result it is accounted for as a defined contribution scheme. The scheme is currently in deficit and it is expected that contributions will be increased to reduce the deficit. At 31 December 2010 this deficit, calculated in accordance with FRS 17, amounted to £1.4 million (30 June 2009 £5.7 million). Full details of the scheme are disclosed in the accounts of Coroin Limited.

20 Ultimate parent company

The company's ultimate parent company is Coroin Limited, a company incorporated in Great Britain and registered in England and Wales. This is the smallest and largest group in which the results of the company are consolidated. Copies of those statutory accounts will be available from its registered office, 30 Old Burlington Street, Mayfair, London, W1S 3AR.
