Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practices), including FRS 101 Reduced Disclosure Framework.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

Alterian Minorities Ltd is a company incorporated and domiciled in the UK.

#### Basis of preparation

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101") for the first time. The amendments to FRS 101 (2014/15 Cycle) issued in July 2015 and effective immediately have been applied.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

In the transition to FRS 101, the Company has made no measurement and recognition adjustments.

In these financial statements, the company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- Comparative period reconciliations for share capital; and
- The effects of new but not yet effective IFRSs.

The Company's ultimate parent undertaking, SDL plc includes the Company in its consolidated financial statements. The consolidated financial statements of SDL plc are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from the Company Secretary's office, Globe House, Clivemont Road, Maidenhead, SL6 7DY.

The Company proposes to continue to adopt the reduced disclosure framework of FRS 101 in its next financial statements.

The accounting policies set out have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

There are no judgments made by the directors, in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustments in the next year.

The Company had no transactions during the year and has made neither a profit nor a loss. No profit and loss account, statement of changes in equity nor cash flow statement has therefore been prepared.

As explained in the Strategic report, the Company has been inactive during the reported accounting year and it is not expected to become active in the future. The accounts have therefore been prepared on a basis other than going concern. No material adjustment arose as a result of ceasing to apply the going concern basis.
