attorney (with full power of substitution and delegation) in its name and on its behalf and as its act and deed to execute, seal and deliver (using the Chargor's seal where appropriate) and otherwise perfect and do any deed, assurance, agreement, instrument, act or thing which it ought to execute and do under the terms of this debenture, or which may be required or deemed proper in the exercise of any rights or powers conferred on the Security Trustee or any Receiver under this debenture or otherwise for any of the purposes of this debenture, and the Chargor covenants with the Security Trustee and each Receiver to ratify and confirm all such acts or things made, done or executed by that attorney.

10. ENFORCEMENT AND POWERS OF THE SECURITY TRUSTEE

10.1 Statutory Restrictions

The restriction on the consolidation of mortgages and on power of sale imposed by sections 93 and 103 respectively of the Law of Property Act 1925 shall not apply to the security constituted by this debenture.

10.2 Enforcement Powers

For the purpose of all rights and powers implied or granted by statute, the Secured Liabilities are deemed to have fallen due on the date of this debenture. The power of sale and other powers conferred by section 101 of the Law of Property Act 1925 and all other enforcement powers conferred by this debenture shall be immediately exercisable at any time after a Default Event has occurred and is continuing.

10.3 Statutory Powers

The powers conferred on mortgagees, receivers or administrative receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (as the case may be) shall apply to the security created by this debenture, unless they are expressly or impliedly excluded. If there is ambiguity or conflict between the powers contained in those Acts and those contained in this debenture, those contained in this debenture shall prevail.

10.4 Fixtures

The Security Trustee may sever any fixtures from the property to which they are attached and sell them separately from that property.

10.5 Appointment of Receiver or Administrator

- (a) Subject to Clause 10.5(d) below, at any time after a Default Event has occurred and is continuing, or if so requested by the Chargor, the Security Trustee may by writing under hand signed by any officer or manager of the Security Trustee, appoint any person (or persons) to be a Receiver of all or any part of the Charged Assets.
- (b) Section 109(1) of the Law of Property Act 1925 shall not apply to this debenture.
- (c) Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to the floating

charge created by Clause 3.2.

- (d) The Security Trustee shall be entitled to appoint a Receiver save to the extent prohibited by section 72A of the Insolvency Act 1986.

10.6 Powers of Leasing

The Security Trustee may lease, make agreements for leases at a premium or otherwise, accept surrenders of leases and grant options or vary or reduce any sum payable under any leases or tenancy agreements as it thinks fit, without the need to comply with any of the provisions of sections 99 and 100 of the Law of Property Act 1925.

10.7 Exercise of Powers

All or any of the powers conferred upon mortgagees by the Law of Property Act 1925 as varied or extended by this debenture, and all or any of the rights and powers conferred by this debenture on a Receiver (whether expressly or impliedly), may be exercised by the Security Trustee without further notice to the Chargor at any time after a Default Event has occurred which is continuing, irrespective of whether the Security Trustee has taken possession or appointed a Receiver of the Charged Assets.

10.8 Appropriation

- (a) In this debenture, “**financial collateral**” has the meaning given to that term in the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226).
- (b) At any time after a Default Event has occurred which is continuing, the Security Trustee may appropriate all or part of the financial collateral in or towards satisfaction of Secured Liabilities.
- (c) The Security Trustee must attribute a value to the appropriated financial collateral in a commercially reasonable manner.
- (d) Where the Security Trustee exercises its rights of appropriation and the value of the financial collateral appropriated differs from the amount of the Secured Liabilities, as the case may be, either:
 - (i) the Security Trustee must account to the Chargor for the amount by which the value of the appropriated financial collateral exceeds the Secured Liabilities; or
 - (ii) the Chargor will remain liable to the Secured Parties for any amount whereby the value of the appropriated financial collateral is less than the Secured Liabilities.

10.9 Restrictions on Notices

- (a) The Security Trustee shall not be entitled to give any notice referred to in paragraph 2(a) of the notice in the form of Schedule 5 unless and until a Default Event has occurred which is continuing, or any of the circumstances described in

Clause 3.4 or Clause 3.5 has arisen.

- (b) The Security Trustee shall not be entitled to give any notice or instruction (as the case may be) referred to in paragraph 2 of each notice in the form of Part 1 or Part 2 of Schedule 4 unless in accordance with Clause 8.7(b).

11. STATUS, POWERS, REMOVAL AND REMUNERATION OF RECEIVER

11.1 Receiver as Agent

Each Receiver shall be the agent of the Chargor which shall be solely responsible for his acts or defaults, and for his remuneration and expenses, and be liable on any agreements or engagements made or entered into by him. The Security Trustee will not be responsible for any misconduct, negligence or default of a Receiver.

11.2 Powers of Receiver

Each Receiver appointed under this debenture shall have all the powers conferred from time to time on receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (each of which is deemed incorporated in this debenture), so that the powers set out in schedule 1 to the Insolvency Act 1986 shall extend to every Receiver, whether or not an administrative receiver. In addition, notwithstanding any liquidation of the Chargor, each Receiver shall have power to:

- (a) develop, reconstruct, amalgamate or diversify any part of the business of the Chargor;
- (b) enter into or cancel any contracts on any terms or conditions;
- (c) incur any liability on any terms, whether secured or unsecured, and whether to rank for payment in priority to this security or not;
- (d) let or lease or concur in letting or leasing, and vary the terms of, determine, surrender leases or tenancies of, or grant options and licences over, or otherwise deal with, all or any of the Charged Assets, without being responsible for loss or damage;
- (e) establish subsidiaries to acquire interests in any of the Charged Assets and/or arrange for those subsidiaries to trade or cease to trade and acquire any of the Charged Assets on any terms and conditions;
- (f) make and effect all repairs, renewals and improvements to any of the Charged Assets and maintain, renew, take out or increase insurances;
- (g) exercise all voting and other rights attaching to the Investments and stocks, shares and other securities owned by the Chargor and comprised in the Charged Assets;
- (h) redeem any prior Security on or relating to the Charged Assets and settle and pass the accounts of the person entitled to that prior Security, so that any accounts so settled and passed shall (subject to any manifest error) be conclusive and binding on

the Chargor and the money so paid shall be deemed to be an expense properly incurred by the Receiver;

- (i) appoint and discharge officers and others for any of the purposes of this debenture and/or to guard or protect the Charged Assets upon terms as to remuneration or otherwise as he may think fit;
- (j) settle any claims, accounts, disputes, questions and demands with or by any person who is or claims to be a creditor of the Chargor or relating to any of the Charged Assets;
- (k) implement or continue the development of (and obtain all consents required in connection therewith) and/or complete any buildings or structures on any real property comprised in the Charged Assets;
- (l) purchase or acquire any land or any interest in or right over land;
- (m) take any action in respect of the Assigned Agreement as he sees appropriate;
- (n) exercise on behalf of the Chargor all the powers conferred on a landlord or a tenant by any legislation from time to time in force in any relevant jurisdiction relating to rents or agriculture in respect of any part of the Premises; and
- (o) do all other acts and things (including signing and executing all documents and deeds) as the Receiver considers to be incidental or conducive to any of the matters or powers in this Clause 11.2, or otherwise incidental or conducive to the preservation, improvement or realisation of the Charged Assets, and use the name of the Chargor for all such purposes,

and in each case may use the name of the Chargor and exercise the relevant power in any manner which he may think fit.

11.3 Removal of Receiver

The Security Trustee may by notice remove from time to time any Receiver appointed by it (subject to the provisions of section 45 of the Insolvency Act 1986 in the case of an administrative receivership) and, whenever it may deem appropriate, appoint a new Receiver in the place of any Receiver whose appointment has terminated, for whatever reason.

11.4 Remuneration of Receiver

The Security Trustee may from time to time fix the remuneration of any Receiver appointed by it.

11.5 Several Receivers

If at any time there is more than one Receiver, each Receiver may separately exercise all of the powers conferred by this debenture (unless the document appointing such Receiver states otherwise).

12. APPLICATION OF ENFORCEMENT PROCEEDS

12.1 Order of Application

All proceeds of enforcement (whether cash or non-cash) received or recovered by the Security Trustee or any Receiver pursuant to this debenture shall (subject to the claims of any person having prior rights thereto) be applied in the order and manner specified by the Trust Deed notwithstanding any purported appropriation by the Chargor.

12.2 Insurance Proceeds

If a Default Event has occurred and is continuing, all moneys received by virtue of any insurance maintained or effected in respect of the Charged Assets shall be paid to the Security Trustee (or, if not paid by the insurers directly to the Security Trustee, shall be held on trust for the Security Trustee) and shall, at the option of the Security Trustee, be applied in replacing or reinstating the assets destroyed, damaged or lost (any deficiency being made good by the Chargor) or (except in the case of leasehold premises) in reduction of the Secured Liabilities.

12.3 Section 109 Law of Property Act 1925

Sections 109(6) and (8) of the Law of Property Act 1925 shall not apply to a Receiver appointed under this debenture.

12.4 Application against Secured Liabilities

Subject to Clause 12.1, any moneys or other proceeds (whether cash or non-cash) received or realised by the Security Trustee from the Chargor or a Receiver under this debenture may be applied by the Security Trustee to any item of account or liability or transaction forming part of the Secured Liabilities to which they may be applicable in any order or manner which the Security Trustee may determine.

12.5 Suspense Account

- (a) Until the Secured Liabilities are paid in full, the Security Trustee may place and keep (for such time as it shall determine) any recoveries or other proceeds of enforcement (whether cash or non-cash) received pursuant to this debenture or on account of the Chargor's liability in respect of the Secured Liabilities in an interest bearing separate suspense account and the Receiver may retain the same for the period which he and the Security Trustee consider expedient without having any obligation to apply all or any part of the same in or towards discharge of the Secured Liabilities.
- (b) If the security created by this debenture is enforced at a time when no amount is due under the Security Documents but at the time when amounts may or will become due, the Security Trustee (or Receiver) may pay any recoveries or other proceeds of enforcement into a suspense account.

13. PROTECTION OF THIRD PARTIES

13.1 No Obligation to Enquire

No purchaser from, or other person dealing with, the Security Trustee or any Receiver (or their agents) shall be obliged or concerned to enquire whether:

- (a) the right of the Security Trustee or any Receiver to exercise any of the powers conferred by this debenture has arisen or become exercisable or as to the propriety or validity of the exercise or purported exercise of any such power; or
- (b) any of the Secured Liabilities remains outstanding or be concerned with notice to the contrary and the title and position of such a purchaser or other person shall not be impeachable by reference to any of those matters.

13.2 Receipt Conclusive

The receipt of the Security Trustee or any Receiver shall be an absolute and a conclusive discharge to a purchaser, and shall relieve him of any obligation to see to the application of any moneys or other consideration paid to or by the direction of the Security Trustee or any Receiver.

14. PROTECTION OF SECURITY TRUSTEE AND RECEIVER

14.1 No Liability

Neither the Security Trustee nor any Receiver shall be liable in respect of any of the Charged Assets or for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, their respective powers, unless caused by its or his gross negligence, wilful default or breach of any obligation under the Security Documents.

14.2 Possession of Charged Assets

Without prejudice to Clause 14.1, if the Security Trustee or the Receiver enters into possession of the Charged Assets, it will not be liable to account as mortgagee in possession and may at any time at its discretion go out of such possession.

14.3 Liability of the Chargor

The Chargor shall be deemed to be a principal debtor and the sole, original and independent obligor for the Secured Liabilities and the Charged Assets shall be deemed to be a principal security for the Secured Liabilities. The liability of the Chargor under this debenture and the charges contained in this debenture shall not be impaired by any forbearance, neglect, indulgence, extension of time, release, surrender or loss of securities, dealing, variation or arrangement by the Security Trustee or any other Secured Party, or by any other act, event or matter whatsoever whereby the liability of the Chargor (as a surety only) or the charges contained in this debenture (as secondary or collateral charges only) would, but for this provision, have been discharged.

14.4 Security Trustee

The provisions of the Trust Deed shall govern the rights, duties and obligations of the Security Trustee under this debenture.

15. COSTS AND EXPENSES

15.1 Initial Expenses

The Chargor shall promptly on demand pay to each of the Security Trustee, the other Secured Parties and any Receiver the amount of all costs and expenses (including legal fees) reasonably incurred by any of them in connection with:

- (a) evaluating, negotiating or complying with any request or requirement in relation to any amendment, waiver or consent relating to this debenture; and
- (b) the investigation of any Default Event.

15.2 Enforcement Expenses

The Chargor will within three Business Days of demand pay to each of the Security Trustee, the other Secured Parties and any Receiver or Delegate the amount of all costs and expenses (including reasonable legal fees) incurred by any of them in connection with the enforcement of or preservation of any of their rights under this debenture or any of the Charged Assets and any proceedings instituted by or against any Secured Party as a consequence of taking or holding the Charged Assets or enforcing these rights.

15.3 Stamp Duties, etc.

The Chargor will pay and, within three Business Days of demand, indemnify each of the Security Trustee, the other Secured Parties and any Receiver, from and against any cost, loss or liability for any stamp duty, registration and other similar Taxes payable in connection with this debenture.

15.4 Default Interest

If not paid when due, the amounts payable under this Clause 15 shall carry interest (compounded monthly) at the Default Rate (after as well as before judgment), from the date of demand and shall form part of the Secured Liabilities.

16. CUMULATIVE POWERS AND AVOIDANCE OF PAYMENTS

16.1 Cumulative Powers

The powers which this debenture confers on the Security Trustee, the other Secured Parties and any Receiver are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The Security Trustee, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or

arrangement whatsoever. The respective powers of the Security Trustee, the other Secured Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

16.2 Amounts Avoided

If any amount paid by the Chargor in respect of the Secured Liabilities is capable of being avoided or set aside on the liquidation or administration of the Chargor or otherwise, then for the purposes of this debenture that amount shall not be considered to have been paid.

16.3 Discharge Conditional

Any settlement or discharge between the Chargor and any Secured Party shall be conditional upon no security or payment to that Secured Party by the Chargor or any other person being avoided, set aside, ordered to be refunded or reduced by virtue of any provision or enactment relating to insolvency and accordingly (but without limiting the other rights of that Secured Party under this debenture) that Secured Party shall be entitled to recover from the Chargor the value which that Secured Party has placed on that security or the amount of any such payment as if that settlement or discharge had not occurred.

17. RULING OFF ACCOUNTS

If the Security Trustee or any other Secured Party receives notice of any subsequent Security or other interest affecting any of the Charged Assets (except with the consent of the Security Trustee) it may open a new account for the Chargor in its books. If it does not do so then (unless it gives express notice to the contrary to the Chargor), as from the time it receives that notice, all payments made by the Chargor to it (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of the Chargor and not as having been applied in reduction of the Secured Liabilities.

18. DELEGATION

The Security Trustee may delegate by power of attorney or in any other manner all or any of the powers, authorities and discretions which are for the time being exercisable by it under this debenture to any person or persons upon such terms and conditions (including the power to sub-delegate) as it may think fit (a “**Delegate**”). The Security Trustee will not be liable or responsible to the Chargor or any other person for any losses arising from any act, default, omission or misconduct on the part of any Delegate.

19. REDEMPTION OF PRIOR CHARGES

The Security Trustee may, at any time after a Default Event, redeem any prior Security on or relating to any of the Charged Assets or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on the Chargor. The Chargor will on demand pay to the Security Trustee all principal monies and interest and all losses incidental to any such redemption or transfer.

20. SET-OFF

20.1 Set-off Rights

Any Secured Party may set off any matured obligation due from the Chargor under the Security Documents (to the extent beneficially owned by that Secured Party) against any matured obligation owed by that Secured Party to the Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Secured Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

20.2 Different Currencies

A Secured Party may exercise its rights under Clause 20.1 notwithstanding that the amounts concerned may be expressed in different currencies and each Secured Party is authorised to effect any necessary conversions at a market rate of exchange selected by it.

20.3 Unliquidated Claims

If the relevant obligation or liability is unliquidated or unascertained, the Secured Party may set-off the amount which it estimates (in good faith) will be the final amount of that obligation or liability once it becomes liquidated or ascertained.

21. NOTICES

Clause 26 of the Trust Deed shall apply to this debenture.

22. CHANGES TO PARTIES

22.1 Assignment by the Security Trustee

The Security Trustee may at any time assign or otherwise transfer all or any part of its rights under this debenture in accordance with the Security Documents.

23. CURRENCY CLAUSES

23.1 Conversion

All monies received or held by the Security Trustee or any Receiver under this debenture may be converted into any other currency which the Security Trustee considers necessary to cover the obligations and liabilities comprised in the Secured Liabilities in that other currency at any spot rate of exchange then prevailing in the market for purchasing that other currency with the existing currency.

23.2 No Discharge

No payment to the Security Trustee (whether under any judgement or court order or otherwise) shall discharge the obligation or liability of the Chargor in respect of which it was made unless and until the Security Trustee has received payment in full in the currency

in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Security Trustee shall have a further separate cause of action against the Chargor and shall be entitled to enforce the security constituted by this debenture to recover the amount of the shortfall.

24. MISCELLANEOUS

24.1 Certificates Conclusive

A certificate or determination of the Security Trustee as to any amount payable under this debenture will be conclusive and binding on the Chargor, except in the case of manifest error.

24.2 Invalidity of any Provision

If any provision of this debenture is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

24.3 Counterparts

This debenture may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this debenture.

24.4 Third Party Rights

The Contracts (Rights of Third Parties) Act 1999 shall not apply to this debenture and no rights or benefits expressly or impliedly conferred by this debenture shall be enforceable under that Act against the parties to this debenture by any other person.

24.5 Covenant to Release

Once all the Secured Liabilities has been paid in full and none of the Security Trustee nor any Secured Party has any actual or contingent liability to advance further monies to, or incur liability on behalf of the Security Trustee and each Secured Party shall, at the request and cost of the Chargor, take any action which may be necessary to release the Charged Assets from the security constituted by this debenture.

25. GOVERNING LAW AND JURISDICTION

- (a) This debenture and any dispute, controversy, proceedings or claims of whatever nature arising out of or in any way relating to this debenture or its formation (including any non-contractual disputes or claims) shall be governed by and construed in accordance with English law.
- (b) The Parties irrevocably submit to the jurisdiction of the courts in England for the purpose of hearing and determining any dispute arising out of this debenture (and

any non-contractual disputes or claims) and for the purpose of enforcement of any judgment against the assets of the Chargor.

IN WITNESS whereof this deed has been duly executed and delivered on the above date first above written.
