Director's report for the year ended 31 December 2018

The director presents his report on the Company and the financial statements for the period ended 31 December 2018.

Principal activities, review of business and future developments

Beyond Interactive Limited (the "Company"), a member of the WPP plc Group (the "Group"), did not trade during the year. Therefore, the Company is considered dormant as defined in section 1169 of the Companies Act 2006 throughout the year. There was no transfer to or from reserves for the year. The Directors are of the opinion that the Company will remain dormant for the foreseeable future.

Directors and their interests

The Director of the Company who was in office during the year and up to the date of signing the financial statements was as follows:

Lance Maerov

No Director had, during the year, or at the end of the year, any material interest in any contract of significance to the Company's business.

Director's Indemnity

Each of the Directors benefits from a quality third party indemnity given by the Company. This indemnity is in respect of liabilities incurred by the Directors in the execution and discharge of their duties. The indemnity remained applicable throughout the financial year and up to the date of signing.

Statement of Director's responsibilities

The Directors are responsible for preparing the Director's report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law, the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards), including FRS 101 "Reduced disclosure framework" ("FRS 101") and applicable law. Under company law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit and loss of the Company for that period.

Director's report for the year ended 31 December 2018

In preparing these financial statements, the Directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and accounting estimates that are reasonable and prudent

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors have a duty to act in a way they consider would be most likely to promote the success of the Company for the benefit of its members. The Directors believe that they have acted appropriately to achieve this, as defined by section 172 of the Companies Act 2006.

Going concern

The Directors believe that preparing the financial statements on the going concern basis is appropriate. The Company is a subsidiary of WPP plc and is therefore subject to the overall WPP plc financial arrangements. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

Independent auditors

General information

Beyond Interactive Limited is a dormant company. The Company is a private company, limited by shares and is incorporated and domiciled in the UK (England). The address of the registered office is The Johnson Building, 77 Hatton Garden, London EC1N 8JS.

2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied, unless otherwise stated.

(a) Basis of preparation

The financial statements have been prepared in accordance with Financial Reporting Standard 100 Application of Financial Reporting Requirements ("FRS 100") and Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

The Directors believe that preparing the financial statements on the going concern basis is appropriate. The Company is a subsidiary of WPP plc and is therefore subject to the overall WPP plc financing arrangements. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

These financial statements have been prepared on the going concern basis under the historical cost convention, and in accordance with the Companies Act 2006.

(b) Disclosure exemptions adopted

In preparing these financial statements, the Company has taken advantage of all disclosure exemptions conferred by FRS 101. Therefore, these financial statements do not include:

*the following paragraphs of IAS 1 "Presentation of financial statements":

- 10(d) – (statement of cash flows)
- 16 (statement of compliance with all IFRS)
- 38A (requirements for minimum of two primary statements, including cash flow statements)

Notes to the financial statements for the year ended 31 December 2018

The preparation of financial statements in conformity with FRS101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. As the Company is dormant, the Directors confirm that no significant accounting judgements or critical estimates apply to the Company.

The Company is a wholly owned subsidiary of the ultimate parent company. WPP Plc, a company incorporated in Jersey, is the ultimate parent company and the ultimate controlling party. The largest group of undertakings for which group financial statements are drawn up and of which the company is a member is the consolidated financial statements of WPP plc.

Copies of the consolidated financial statements of WPP plc are available at www.wppinvestor.com.

The smallest group of undertakings for which group financial statements are prepared and which include the results of the Company are the consolidated financial statements of WPP Jubilee Limited, registered in the UK (England). These financial statements are separate financial statements.

(c) Trade and other receivables

Trade and other receivables are carried at original invoice amount less any provisions for doubtful debts. Provisions are made where there is evidence of a risk of non-payment, taking into account ageing, previous experience and general economic conditions. When a trade or other receivable is determined to be uncollectable it is written off, firstly against any provisions available and then to the income statement.

Subsequent recoveries of amounts previously provided for are credited to the income statement. Long-term receivables are discounted where the effect is material.

Trade receivables do not contain a significant financing component and as such, the Company has applied the simplified approach to trade receivables under IFRS 9.

(d) Trade and other payables

Trade and other payables are initially recognised at fair value and then held at amortised cost using the effective interest method. Long-term payables are discounted where the effect is material.
