Trustees' Report 2020

The Trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present their report and the financial statements for the year ended 31 March 2020.

Objectives and Activities

Trinity Winchester is a Winchester-based charity which addresses the effects of homelessness and vulnerability through specialist practical and emotional support and proactive prevention, empowering positive change. We help people who are suffering from and vulnerable to the effects of homelessness, addiction, physical and mental ill-health, poverty, social isolation and domestic abuse. We offer solutions, hope, choice and control.

Achievement and Performance

Trinity Winchester is a key partner of Winchester City Council in addressing homelessness locally. Our holistic programme of direct access services provides life-changing benefits for our homeless and other vulnerable clients.

Trinity's Direct Access Services (Drop-in)

We offer advice and information relating to benefits, housing, alcohol and drug use and harm minimisation; signposting to key services; healthcare; learning and skills development; confidence-building recreational activities; preparing for employment; counselling and domestic abuse programmes; hot nutritious meals and bathing and laundry facilities.

We welcomed 639 individuals to Bradbury House in 2019/20 (2019: 648), 440 of whom were new to Trinity (2019: 346). Our clients made 10,224 visits to Trinity this year for support and interventions (2019: 11,016); 1,541 advice sessions were delivered (2019: 1,995). Of those accessing the drop-in, 263 presented as homeless (sleeping rough or in Winchester Churches Nightshelter) (2019: 283), 160 were in temporary housing (hostels, etc) (2019: 149) and 215 were permanently housed (2019: 216) following our intervention. Saturday morning opening continued for rough sleepers and those staying at Winchester Churches Nightshelter.

Outreach

The Trinity outreach team, in partnership with A2Dominion and Winchester City Council, continued to provide comfort and support to rough sleepers in the community through morning outreach visits within the city centre area of Winchester, reaching 88 individuals during 2019/20 (2019: 74). Rough sleepers receive hot drinks, advice and signposting to key agencies and are encouraged to engage with our day service.

Homelessness prevention

Much of our focus has been on helping people to retain successful tenancies, resulting in fewer evictions. We work with people who are in temporary or permanent accommodation, helping them with budgeting and paying bills, liaising with landlords, and supporting them to feel safe in their own homes and within their communities. During 2019/20, we worked with private landlords to seek to increase the supply of rented properties available for former rough sleepers, providing wrap-around support to landlords hesitant to let to this client group and to the clients themselves, for as long as it takes for them to move on to living independently. This project, funded by Nationwide Building Society, has provided valuable learning and experience for our forthcoming Under One Roof initiative. We also continue to fund access to emergency accommodation for those who would otherwise have to sleep rough.

Skills development

A crucial part of our work is the provision of a range of structured and informal learning opportunities for our clients. We are commissioned by Hampshire Futures to deliver a number of formal courses which are subject to Ofsted inspection. Courses provided include IT, Literacy and Numeracy, Debt Management and Budgeting, Empowerment, Art and Craft, Cookery, Gardening and Volunteering programmes. These help to develop lifelong skills and build confidence and self-esteem, making real changes to people's lives. This year 349 learners (2019: 317) took part in a total of 1,420 groups, classes and 1:1 support sessions (2019:1,392). Job Club and Preparing for Employment ran three times per week, facilitated by our Learning and Engagement Project Worker and a regular group of skilled volunteers. The wellattended sessions offer help with searching for jobs, writing CVs, interview skills and mock interviews. We offer opportunities to gain nationally recognised qualifications and provide access to work experience. We are indebted to Osborne Construction for facilitating interview skills practice and to Premier Inn Winchester for providing work placement and employment opportunities for Trinity clients. We also thank our client volunteers, who in turn pass on newly acquired skills. 58 people found paid or voluntary employment or entered further education in 2019/20 (2019: 53).

Healthcare

As part of our commitment to providing proactive and preventative healthcare services in-house, we continued our 'Head to Toe' programme of health promotion and therapies, supported by other NHS healthcare providers. The programme included primary healthcare and mental health interventions. St Clements Surgery delivered an average of 37 GP and nurse appointments per week from the on-site GP surgery (2019: 37); monthly dental clinics were provided by dental charity Dentaid's bus; optician appointments were provided by NHS England. The number of people accessing these services across 2019/20 was 459 (2019: 389). Awareness sessions were offered throughout the year on mental health issues, substance use and harm minimisation, smoking cessation, sexual health, domestic abuse, eating well and nutrition. Access to emotional first aid, such as mindfulness and other problem-solving therapies which help people develop strategies to manage life events and challenges, was also available throughout the year. Trinity continued to

work with the Royal Hampshire County Hospital, including its mental health unit, Melbury Lodge, in multi-agency intervention, to prevent patients being discharged back on to the streets.

Trinity's Cognitive Behavioural Therapy Group continued in 2019/20 for clients wanting to develop coping mechanisms and changed patterns of behaviour. Challenging deep-set beliefs and negative thought patterns, participants reported that this approach helped with anger management, depression and anxiety. We also continued to offer Dual Diagnosis counselling for clients suffering from both addiction and mental ill-health.

Trinity Women's Service

Women's homelessness is often under-reported and frequently linked to experiences of abuse. Trinity's Women's Service provides specialised interventions for women facing often complex co-existing difficulties such as mental ill-health, substance use and domestic abuse. Our holistic approach provides individually tailored programmes of counselling, peer group support, complementary therapies, empowerment classes, outings and social get-togethers. Our clients can also access the nationally recognised Freedom Programme for people experiencing domestic abuse. A total of 160 women engaged with the service in 2019/20 (2019: 159). Our client-centred interventions and signposting helped individuals both emotionally and practically to come to terms with, manage and move on from abusive and at times life-threatening situations. Participants consistently reported increased wellbeing and confidence.

Transforming Rehabilitation

Trinity successfully completed the delivery of its 'Transforming Rehabilitation' course, commissioned by the Hampshire and Isle of Wight Community Rehabilitation Company (CRC) as part of the Purple Futures consortium, which had begun in 2018/19. 53 clients engaged and completed the 4-week course (2019: 51), designed and run by our in-house qualified counsellor, all reporting an increase in confidence and coping strategies. Following this and earlier successful courses exploring and trying to change patterns of behaviour that can develop in perpetrators of domestic abuse within relationships, Trinity was commissioned again in 2019/20 to deliver a course for offenders across Basingstoke, Southampton and Portsmouth.

Other Partnerships

Partnership working plays a key part in the delivery of our services. As well as our closest partner Winchester City Council, we also worked with STOP Domestic Abuse, Winchester City Council's outreach team, Two Saints, Hampshire Probation, Catch22, the Domestic Abuse Forum, MARAC (Multi-Agency Risk Assessment Conference) and Winchester Churches Nightshelter. Multi-agency working included Children's Services, the Community Mental Health Team, Inclusion Winchester housing providers, GPs, health visitors and the Royal Hampshire County Hospital to ensure a seamless pathway of intervention and support. Our productive partnership

with Winchester University continued with Trinity delivering bespoke lectures at the University for psychology and social work students covering domestic abuse, poverty and homelessness.

Allevne House

In October 2019 the directors of Trinity Winchester Supported Housing, Trinity's wholly owned subsidiary company, signed a lease and service level agreement for the day to day management of Alleyne House in Winchester. The owner, Mr Mark Thistlethwayte, had converted the building into 7 units of move-on accommodation for homeless men, specifically to include those coming out of prison. Trinity furnished the rooms, set up an office and recruited a live-in warden. The first tenants moved in in late November 2019. Rooms are offered to those considered low-risk, with relatively low support needs. By 31 March 2020, there were 5 men living in Alleyne House, one ex-prisoner and 4 of Trinity's service users.

Under One Roof

In 2019/20 Trinity's Trustees continued to raise funds for Under One Roof, its project to develop 11 or 12 self-contained accommodation units adjacent to the rear of Bradbury House. These are to enable homeless people to take the first steps in establishing themselves in their own accommodation, based on 'Housing First' principles. A group of advocates and an appeal committee were set up at the end of 2018/19 to assist with raising the necessary funds. The year began with £557,487 raised towards the budget of £1.4 million. By the year end over £1.1 million had been pledged and the Trustees are confident that the total will be reached. A building company has been selected and it is hoped that building can begin in September 2020, with the first residents moving in by April 2021. TWSH will manage the day to day operation of Under One Roof once it is ready to welcome residents.

Coronavirus

As the Covid-19 crisis unfolded, it quickly became clear that we could no longer offer the usual raft of day services whilst abiding by government guidelines for keeping service users and staff safe. Trinity was obliged to close its doors to clients on 16 March 2020. An emergency action plan was drawn up with Winchester City Council, St Clements NHS surgery and other Coronavirus taskforce partners. By the end of March Winchester City Council had found emergency housing for all of the rough sleepers in the city and Trinity had agreed to continue to support service users across the city in Winchester Churches Nightshelter and other temporary accommodation. With the help and generosity of local businesses and other volunteers, Trinity's Day Service was re-enabled as a hub, a limited number of staff working with other agencies to begin providing food, counselling and other support in those settings. In the knowledge that our major fundraising event of the year would have to be cancelled, an emergency coronavirus appeal was launched at the end of March.

Fundraising

Fundraising activities in 2019/20 met objectives set by the Trustees. Trinity adheres to charity sector guidelines and regulations including the Fundraising Code of Practice and would take appropriate action to remedy any shortcomings identified. Trinity's fundraising practices are ethical. We are committed to protecting privacy and only use personal data that we collect in line with applicable laws, including the General Data Protection Regulation (GDPR): data is not shared, sold, swapped or rented to third parties for marketing purposes; communication is only sent to those who want it in the method they have agreed to.

Investments

The Trustees, having regard to liquidity requirements of operating the charity, have kept available funds in an interest-bearing deposit account and in fixed-term deposits. Due to depressed deposit rates expectations for interest earned in the year were modest and these expectations were met. The invested funds held on deposit achieved rates of 1.25% on the charity notice deposit account and 1.15% on the fixed-term deposit.

Trinity Winchester Supported Housing (TWSH)

Trinity Winchester's wholly owned subsidiary, which had been dormant in 2018/19, began operation in November 2019, managing the accommodation at Alleyne House.

Financial review

We are tremendously grateful to our loyal and most established supporters and partners, Winchester City Council, Hampshire County Council, major grant-making trusts and all who have again committed significant funding to Trinity. We would also like to extend our thanks to all our supporters, including many local organisations and individuals who have been so generous in this and other years.

In 2019/20 income targets were met and expenditure controlled in accordance with the budget. The organisation had a surplus of £126,456. £127,894 was received in the year towards the Under One Roof capital appeal, leaving an underlying deficit of £1,438 compared with the previous year's underlying surplus of £26,091. Unrestricted funds stood at £139,409 at the year end (2019: £136,781). Included in unrestricted funds is a designated fund of £50,000 for the Under One Roof project.

Restricted reserves stood at £1,791,080 (2019: £1,667,252). The main restricted items are related to Bradbury House £1,126,621 (2019: (£1,126,621) and the Under One Roof project £635,381 (2019: £507,487). Further details of these and other restricted funds are included in the notes to the accounts.

TRUSTEES' REPORT

for the year ended 31 March 2020

Financial review (continued...)

Trinity's outstanding loan from Futurebuilders, given for the construction of Bradbury House, stood at £269,542 at 31 March 2020 (2018: £289,363). A total of £19,821 was repaid during the year (2019: £19,279). Maintaining the current payment profile will result in the loan being repaid within the remaining term of 11 years and 2 months. Due to the Covid-19 crisis Futurebuilders have suspended repayments six months at the start of the 2020/21 financial year.

Income and expenditure

The Trustees are pleased to report that their objective of delivering stability and sustainable financial performance were met again in 2019/20. During 2019/20 revenue income was £632,921 (including £127,894 for Under One Roof) compared with £503,569 (£7,487 for Under One Roof) in 2018/19. The underlying income figures was therefore £505,027 as against £496,082 in 2018/19. Strong support continued from both Winchester City Council and Hampshire County Council and significant income was also received from Ladies of the Grail, Lloyds Bank Foundation for England and Wales, Nationwide Building Society, LCP Foundation and the Hampshire and Isle of Wight CRC, as well as many others. In addition significant income was raised through local fundraising events, corporate and personal donations. All income was used for the purposes for which it was given. Revenue expenditure for the year was £506,465, compared with £469,991 in 2018/19, representing additional staffing to allow for the management (through TWSH) of Alleyne House and planning for Under One Roof. The increase in direct project costs in 2019/20 is largely the result of setting up and equipping Alleyne House for occupation.

Reserves

The Trustees consider it prudent regularly to review Trinity's reserves policy having regard to the need to:

- provide basic services for our users
- · meet contractual obligations
- · meet the organisation's obligations as a good employer
- build up funds for specific purposes when required or deemed good financial practice
- protect and maintain the organisation's assets.

Free Reserves

The charity's free reserves represent unrestricted reserves, excluding designated funds, fixed assets and long-term liabilities. These stood at £128,998 (2019: £164,972).

TRUSTEES' REPORT

for the year ended 31 March 2020

Plans for Future Periods

Trinity's break-even budget for 2020/21 (underlying figures without the capital appeal) predicted stable levels of income from trusts, individuals and local organisations, enabling Trinity to continue to deliver high quality services and maintain unrestricted reserves over the coming years in the region of 3 to 6 months operating costs (approximately £130,000 to £260,000). However, the budget was prepared before the impact of the Coronavirus outbreak became clear. The 2020/21 financial year has begun with Trinity's project workers working with vulnerable service users in their emergency accommodation rather than our day centre. With our taskforce partners, Trinity has a phased plan for the resumption of services at Bradbury House which will be reviewed as events unfold.

Trinity's major fundraising event for 2020/21, the Big Sleep Out, was cancelled and there is concern about the viability of other 2020/21 fundraising events. An extremely generous response to our emergency Coronavirus appeal, launched in late March, raised £40,000 in two months. Whilst ensuring that most staff remained actively involved in supporting our service users and managing the administrative function, Trinity has been able to benefit from the government's Coronavirus Job Retention Scheme as well as receiving a Covid-19 grant from Winchester City Council of £25,000. For the moment it appears that the objective of balancing income and expenditure can be met. However, the Trustees continue to monitor carefully both income generation and expenditure.

Despite delays caused by the coronavirus crisis, it is envisaged that building work on the £1.4 million capital project Under One Roof will begin in September 2020 and Trinity will be able to offer secure supported move-on accommodation for service users by April 2021. Day to day activity will be run by TWSH alongside Alleyne House.

Structure, Governance and Management

The Trustees, who are also directors of the charity, control decision-making regarding the organisation's long-term direction and focus. Members of the charity, who may be approved or rejected by the Board, have voting rights at the Annual General Meeting. During the year to 31 March 2019 there were 37 members (2019: 37). If the charity is dissolved, any member who has held office within 12 months of dissolution will be liable to pay an amount up to £1 towards the cost of dissolution and the liabilities incurred by the charity while they were a member.

At the Annual General Meeting each year Trustees who were elected three or more years ago automatically retire from office but are eligible for re-election up to a maximum of three terms. The Board has the power to appoint new trustees at any time, filling vacancies arising through resignation or death of an existing trustee, and any appointment is governed by the articles of association of the charity.

TRUSTEES' REPORT

for the year ended 31 March 2020

Structure, Governance and Management (continued)...

Day-to-day decision-making is delegated to senior staff. During 2019/20 Sue McKenna continued as Chief Executive, and Hannah Scott as Operations Director with responsibility for day-to-day management of service delivery. The Trustees would like to acknowledge the tremendous commitment shown throughout the year by Sue, Hannah and the rest of the staff team and the immense contribution of our many volunteers. In particular their proactive development of new procedures for the management of Alleyne House and rapid response to the threat of the coronavirus crisis have been exemplary.

Remuneration of the Chief Executive is managed by the Trustees. Remuneration levels of all other staff are the responsibility of the Chief Executive; these are measured against benchmarking tools including the Trustees' annual salary review and local comparators.

The Charity has up-to-date policies and procedures for the recruitment, induction and training of trustees to ensure that individuals are fully aware of their roles within the organisation and their responsibilities both internally and within the wider field of charity law. The Trustees regularly review the risks facing the charity through the maintenance of a Risk Register. Where major risks are identified, systems are put in place to mitigate their effect on the charity.

Public Benefit

The charity provides a benefit to the public through addressing the effects of homelessness and vulnerability with specialist practical and emotional support and proactive prevention. The Trustees confirm that they have complied with the duty in Section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission.

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the Trustees are required to:

- · select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified
 material uncertainties that may cast significant doubt about the Charity's
 ability to continue to adopt the going concern basis of accounting for a period
 of at least twelve months from the date when the financial statements are
 authorised for issue.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF TRINITY WINCHESTER

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF TRINITY WINCHESTER

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE ACCOUNTS

Year ended 31 March 2020

1 General information

Trinity Winchester is a charitable company limited by guarantee incorporated in England and Wales and is registered with the Charity Commission in England and Wales. The address of its registered office is: Bradbury House, Durngate Place, Winchester, Hampshire, SO23 8DX.

2 Accounting policies

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value.

Trinity Winchester meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at the transaction value unless otherwise stated in the relevant accounting policy notes.

The financial statements are presented in sterling (\mathfrak{L}) , which is also the functional currency of the charity and rounded to the nearest \mathfrak{L} ...

Going Concern

The directors have considered the impact and risk on the company of COVID-19 and the company's prospects, recognising the high degree of uncertainty. The directors have concluded that with the right management actions the company is a going concern for at least 12 months following the signature of the financial statements. Accordingly the directors have prepared the financial statements on this basis.

Fund accounting

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds. Included within unrestricted funds are designated funds which the Trustees have set aside for future specific purposes or projects. Funds that have been designated for specific purposes do not form part of the free reserves of the charity.

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund, together with a fair allocation of management and support costs.

Incoming resources

Grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities in the year in which they are receivable. Donated assets are included in the accounts when received. They are valued at the amount the charity would have had to pay to acquire them.

Expenditure

Resources expended are recognised in the period in which they are incurred. They include attributable VAT which is not recovered. For day to day purposes, resources expended may be allocated to the particular activity where the cost relates directly to that activity or allocated across activities as follows: staff costs according to time spent on each activity, premises and office costs on the basis of funding allocated for the purpose. However, as Trinity's model is one of integrated services, expenditure across the organisation is not separated out by activity in Note 8.

Operating leases

Operating lease rentals applicable to operating leases are charged to the Statement of Financial Activities over the period of the lease.

NOTES TO THE ACCOUNTS

Year ended 31 March 2020

2 Accounting Policies (continued)

Pension costs

A defined contribution plan is a pension plan under which fixed contributions are paid into a pension fund and the Charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods. The charge for the year represents contributions payable in the year to defined contribution schemes.

Governance costs

Governance costs are included in the Statement of Financial Activities on an accruals basis, exclusive of VAT.

Investment income

Investment income consists of bank interest and is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

Donated goods

Donated goods are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), volunteer time is not recognised; for more information about their contribution refer to the Trustees' Annual Report.

Taxation

The charity is exempt from Corporation Tax on its charitable activities.

Buildings

Leasehold land has been made available at a peppercorn rent from Winchester City Council. Buildings are shown at cost, inclusive of fees.

Tangible fixed assets

Tangible fixed assets over £2,000 are capitalised and are stated at cost, less accumulated depreciation. Depreciation is provided to write off the cost, less estimated residual values, of all fixed assets except land, over their expected useful lives. It is calculated at the following rates:

Buildings	2%	Straight line method
Equipment	33%	Straight line method
Furniture & fittings	33%	Straight line method

Componentisation shall be applied for depreciation purposes for tangible fixed asset purchases from 1 April 2019. Components that are required to be depreciated separately are those that have a cost that is significant in relation to the cost of an asset, a different useful economic life and method of depreciation.

Investment assets

Investment assets are initially recognised at cost on acquisition and are disclosed at market value at the balance sheet date.

Cash and cash equivalents

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NOTES TO THE ACCOUNTS

Year ended 31 March 2020

2 Accounting Policies (continued)

Debtors

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid net of any discounts due.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any discounts due.

Deferred income

Income is deferred where the charity is not yet entitled to the use of the resources. When the pre-conditions for use are met then the income is released.

Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are recognised at transaction value.

Significant judgements and estimation uncertainty

Preparation of the financial statements may require management to make significant judgements and estimates. There are no items in the financial statements where judgements and estimates would have a significant effect on the amounts recognised in the financial statements.

Purpose of Designated Funds

(xv) Under One Roof

A fund of £50,000 was designated by the Trustees in 2015/16 for the development of an accommodation project, now Under One Roof and the subject of an ongoing capital appeal. See (ii) above.

20 Share capital

Trinity Winchester is a company limited by guarantee and does not have a share capital. The liability of each Trustee member, in the event of winding-up, is limited to £1. There were 37 members on 31 March 2020 (2019: 37).

21 Related party disclosures

In both 2019 and 2020 a charge for room hire was made to the Clinical Commissioning Group of the St Clements GP practice in Winchester of which Alex Fitzgerald-Barron is a partner. The total amount charged during the year was £3,380 (2019: £3,380). There was one quarter outstanding at the year end (2019: one quarter) and no amounts were written off.

22 Subsidiary company

The charitable company owns the whole of the issued share capital of Trinity Winchester Supported Housing Limited, a company registered in England, which began trading in 2019/20. The company number is 11526635 and the registered office is Bradbury House, Durngate Place, Winchester SO23 8DX.

23 Post Balance Sheet Events

The impact on the company subsequent to the balance sheet date as a result of the steps taken by the Government in March 2020 to control the Covid-19 pandemic is uncertain. This is the case for the majority of businesses in the UK and around the world. The directors do not consider that the Covid-19 pandemic has had a material impact on the company's financial position at the balance sheet date and thus no adjustments have been made to the carrying values of the company's assets and liabilities as at 31 March 2020.
