6 Broadgate 2010 Limited
STRATEGIC REPORT
for the year ended 31 March 2017

The directors present their Strategic Report for the year ended 31 March 2017.

Business review and principal activities

6 Broadgate 2010 Limited ("the company") is a wholly owned subsidiary of Bluebutton (5 Broadgate) UK Limited and operates as a constituent of the Broadgate REIT Limited group of companies ("the group"). Broadgate REIT Limited operates as a joint venture between Euro Bluebell LLP, an affiliate of GIC, Singapore sovereign wealth fund, and BL Bluebutton 2014 Limited, a wholly owned subsidiary of The British Land Company PLC. During the year to 31 March 2012, the company ceased to trade having transferred its property to Bluebutton (5 Broadgate) UK Limited.

As shown in the company's Profit and Loss Account on page 6, the company's turnover is £nil compared to a turnover of £nil in the prior year and profit on ordinary activities before taxation is £nil compared to a profit on ordinary activities before taxation of £nil in the prior year.

Dividends of £nil (2016: £nil) were paid in the year.

The Balance Sheet on page 8 shows that the company's financial position has, in net liabilities terms, remained consistent compared with the prior year.

The expected future developments of the company are determined by the strategy of the group. There are no future developments outside of the company's current operations planned.

Principal risks and uncertainties

This company is part of a large property investment group. As such, the fundamental underlying risks for this company are those of the property group as discussed below.

The group generates returns to shareholders through long-term investment decisions requiring the evaluation of opportunities arising in the following areas:

- demand for space from occupiers against available supply;
- identification and execution of investment and development strategies which are value enhancing;
- availability of financing or refinancing at an acceptable cost;
- economic cycles, including their impact on tenant covenant quality, interest rates, inflation and property values;
- legislative changes, including planning consents and taxation;
- engagement of development contractors with strong covenants; and
- environmental and health and safety policies.

These opportunities also represent risks, the most significant being change to the value of the property portfolio. This risk has high visibility to directors and is considered and managed on a continuous basis. Directors use their knowledge and experience to knowingly accept a measured degree of market risk.

The group's preference for prime assets and their secure long term contracted rental income, primarily with upward only rent review clauses, presents lower risks than many other property portfolios.

The company has no third party debt. It therefore has no interest rate exposure.

This report was approved by the Board on 19/12/17 and signed by the order of the board by:

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
6 BROADGATE 2010 LIMITED
for the year ended 31 March 2017

Report on the financial statements

Our opinion

In our opinion, 6 Broadgate 2010 Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the company's affairs as at 31 March 2017 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

The financial statements, included within the Annual Report and Accounts (the "Annual Report"), comprise:

- the Balance Sheet as at 31 March 2017;
- the Profit and Loss Account and the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Equity for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is United Kingdom Accounting Standards, comprising FRS 101 Reduced Disclosure Framework, and applicable law (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

In addition, in light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the Strategic Report and the Directors' Report. We have nothing to report in this respect.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual Report and Accounts to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.
