Directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- follow applicable accounting standards, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the Accounts

For the Year Ended

30 April 2011

1. Accounting Policies

The following accounting policies have been adopted by the Company during the year

a) **Basis of accounting**

The accounts have been prepared in accordance with applicable Accounting Standards, on the basis of historical costs, and incorporate the results of the principal activity as described in the Director's Report

b) **Turnover**

Turnover represents the total value of sales invoiced (adjusted for work in progress) provided in the normal course of business by the Company during the period, less credits and is exclusive of Value Added Tax

c) **Fixed assets and depreciation**

Fixed assets are stated at cost less depreciation

Depreciation has been provided in order to write off the cost of these assets to their residual value over their estimated useful lives, using the following rates

Office equipment	25% straight line
Computer equipment	100%
Motor vehicles	25% on cost, restricted to £3,000 per annum
