HW Machinery Limited

Strategic report for the year ended 31 March 2016

The director presents his strategic report for the year ended 31 March 2016.

Principal activity

The principal activity of the company continues to be the holding of investments in subsidiary companies. The review of business contains important information on these subsidiary companies.

Review of business

The results of the company for the year are shown on page 7. The financial position of the company at 31 March 2016 is shown on page 9.

Subsequent to the year-end, the principal trading company of the group was placed into administration, an important trading subsidiary was sold to a third party company and a number of other trading companies were sold to a related party company as follows:

Froude Hofmann Limited	Placed into administration on 25 April 2016
Froude Hofmann Inc	Sold on 30 September 2016
FH (GB) Limited	Sold on 30 September 2016
ATS-Elbtalwerk GmbH	Sold on 30 September 2016
Compact Orbital Gears Limited	Sold on 30 September 2016
Kinetic Engineering Limited	Sold on 30 September 2016

As at the date of the signing of these financial statements, the group comprises the parent company and a number of overseas companies (that were primarily sales offices for the company that was placed into administration) that are no longer actively trading and are being prepared for cessation once any residual contractual obligations have been met as follows:

Froude Hofmann Industria e Comercio Ltda	(Brazil)
Froude Hofmann Test Technology India (pvt) Limited	(India)
Froude Hofmann Russia	(Russia)
Froude Hofmann (Shanghai) Ltd	(China)

As a result of the changes in trading and the nature of the relationships with management of these overseas companies, the director considers that they are no longer controlled by the parent company because severe long-term restrictions substantially hinder the exercise of the rights of the parent company over the assets and management of these companies.

The significant changes in trading activities and group structure subsequent to the year-end resulted in a significant reduction of the quality and regularity of financial information being made available for management accounts and year-end consolidation purposes to the extent that it has not been possible to prepare consolidated financial statements for the period to 31 March 2016 to an acceptable standard without disproportionate expense or undue delay.

The director acknowledges that the strict requirements of FRS 102 do not allow the exclusion of subsidiary companies from consolidation because the information necessary for the preparation of consolidated financial statements cannot be obtained without disproportionate expense or undue delay unless its inclusion is not material (either individually or collectively for more than one subsidiary) for the purpose of giving a true and fair view in the context of the group. However the director considers that the significant changes in the structure and control of the various subsidiary companies as noted makes it impractical and / or impossible to obtain the detailed quality information required to prepare consolidated financial statements.

As noted above, at the date of approval of these financial statements the group comprises the parent company and the overseas companies noted above that are no longer considered to be under the control of the parent company.

HW Machinery Limited

Strategic report for the year ended 31 March 2016 (continued)

Going concern

The company has net current liabilities at the year end of £13,912,000 (2015 - £12,061,000) and net liabilities at the year end of £33,503,000 (2015 - £28,245,000).

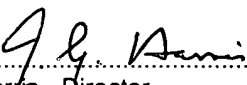

Included within the company's liabilities due within one year are amounts due to related party undertakings amounting to £15,627,000 (2015 - £16,518,000). The director (who is also the sole director of the related party undertakings) has placed reliance on confirmation received from the respective related party undertakings that these amounts will not be requested for repayment for at least a period of 12 months following the date of approval of these financial statements. Included within the company's liabilities due after more than one year is a director's loan account amounting to £22,138,000 (2015 - £18,820,000). The director has confirmed that he will continue to provide financial support to the company as is necessary in order for it to pay all external creditors as they fall due for payment for at least a period of 12 months following the date of approval of these financial statements.

Given the above, the director considers it appropriate to continue to adopt the going concern basis in preparing the financial statements.

Principal risks and uncertainties

As a holding company, the principal risks and uncertainties are driven by the performance of the subsidiary entities. This is further explained in the review of business section above.

On behalf of the board:

.....
J G Harris - Director

Date: 21/8/2017.....

HW Machinery Limited

Report of the director for the year ended 31 March 2016

The director presents his report with the financial statements of the company for the year ended 31 March 2016.

Results and principal activities

The income statement is set out on page 7 and shows a loss for the year of £5,258k (2015 - £10,126k).

The company's principal activity, review of business, going concern, and principal risks and uncertainties are contained in the strategic report on pages 1 - 2.

Dividends

No dividends will be distributed for the year ended 31 March 2016 (2015: £Nil).

Director

J G Harris held office during the whole of the period from 1 April 2015 to the date of this report.

Post balance sheet events

As discussed on page 1, subsequent to the year-end, the principal trading company of the group was placed into administration, an important trading subsidiary was sold to a third party company and a number of other trading companies were sold to a related party company as follows:

Froude Hofmann Limited	Placed into administration on 25 April 2016
Froude Hofmann Inc	Sold on 30 September 2016
FH (GB) Limited	Sold on 30 September 2016
ATS-Elbtalwerk GmbH	Sold on 30 September 2016
Compact Orbital Gears Limited	Sold on 30 September 2016
Kinetic Engineering Limited	Sold on 30 September 2016

HW Machinery Limited

Report of the director for the year ended 31 March 2016 (continued)

Statement of directors' responsibilities

The directors are responsible for preparing the strategic report, the report of the directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

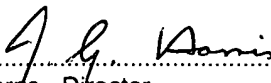

Statement as to disclosure of information to auditors

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Auditors

The auditors will be proposed for re-appointment at the forthcoming Annual General Meeting.

On behalf of the board:

.....
J G Harries - Director

Date: 2/8/2017

HW Machinery Limited

Independent auditor's report

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HW MACHINERY LIMITED

We have audited the financial statements of HW Machinery Limited for the year ended 31 March 2016 which comprise the income statement, the other comprehensive income statement, the balance sheet, the statement of changes in equity, the statement of cash flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Financial Reporting Council's (FRC's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the FRC's website at www.frc.org.uk/auditscopeukprivate.

Basis for adverse opinion on the group financial statements

As explained in note 1 to the financial statements, the company has prepared parent company only financial statements rather than consolidated financial statements. We consider that the non-preparation of consolidated financial statements is contrary to the provisions of FRS 102 Section 9 'Requirement to present consolidated financial statements' and the provisions in section 399 of the Companies Act 2006 "Duty to prepare group accounts".

Adverse opinion on the group financial statements

In our opinion, because of the significance of the matter described in the Basis for adverse opinion on the consolidated financial statements paragraph, the lack of consolidated financial statements means that the financial statements:

- do not give a true and fair view of the state of the group's affairs as at 31 March 2016 and of its result for the year then ended;
- have not been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice and
- have not been prepared in accordance with the requirements of the Companies Act 2006.

HW Machinery Limited

Independent auditor's report (*continued*)

Opinion on the parent company financial statements

In our opinion the parent company financial statements:

- give a true and fair view of the state of the parent company's affairs as at 31 March 2016 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

Notwithstanding our adverse opinion on the consolidated financial statements, in our opinion, the information given in the strategic report and directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

In respect of the limitations on our work relating to the preparation of consolidated financial statements:

- we have not obtained all the information and explanations that we considered necessary for the purpose of our audit; and
- adequate accounting records have not been kept by the parent company.

Except for the above matters we have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made.

HW Machinery Limited

Notes to the financial statements for the year ended 31 March 2016

1 Accounting policies

Basis of preparing the financial statements

HW Machinery Limited is a private company incorporated in England & Wales under the Companies Act 2006. The address of the registered office is given in the contents page and the principal activity of the company is set out in the strategic report.

The financial statements have been prepared in accordance with FRS 102 The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland ("FRS 102"); under the historical cost convention and in accordance with the Companies Act 2006.

FRS 102 is mandatory for accounting periods beginning on or after 1 January 2015 for non-dormant entities. HW Machinery Limited has therefore applied the standard in preparation of these financial statements. Information on the impact of first time adoption is given in note 19.

The financial statements are prepared in sterling which is the functional currency of the company.

Preparation of parent company only financial statements

Subsequent to the year-end, the principal trading company of the group was placed into administration, an important trading subsidiary was sold to a third party company and a number of other trading companies were sold to a related party company as follows:

Froude Hofmann Limited	Placed into administration on 25 April 2016
Froude Hofmann Inc	Sold on 30 September 2016
FH (GB) Limited	Sold on 30 September 2016
ATS-Elbtalwerk GmbH	Sold on 30 September 2016
Compact Orbital Gears Limited	Sold on 30 September 2016
Kinetic Engineering Limited	Sold on 30 September 2016

As at the date of the signing of these financial statements, the group comprises the parent company and a number of overseas companies (that were primarily sales offices for the company that was placed into administration) that are no longer actively trading and are being prepared for cessation once any residual contractual obligations have been met as follows:

Froude Hofmann Industria e Comercio Ltda	(Brazil)
Froude Hofmann Test Technology India (pvt) Limited	(India)
Froude Hofmann Russia	(Russia)
Froude Hofmann (Shanghai) Ltd	(China)

As a result of the changes in trading and the nature of the relationships with management of these overseas companies, the director considers that they are no longer controlled by the parent company because severe long-term restrictions substantially hinder the exercise of the rights of the parent company over the assets and management of these companies.

The significant changes in trading activities and group structure subsequent to the year-end resulted in a significant reduction of the quality and regularity of financial information being made available for management accounts and year-end consolidation purposes to the extent that it has not been possible to prepare consolidated financial statements for the period to 31 March 2016 to an acceptable standard without disproportionate expense or undue delay.

HW Machinery Limited

Notes to the financial statements for the year ended 31 March 2016 (*continued*)

1 Accounting policies (*continued*)

The director acknowledges that the strict requirements of FRS 102 do not allow the exclusion of subsidiary companies from consolidation because the information necessary for the preparation of consolidated financial statements cannot be obtained without disproportionate expense or undue delay unless its inclusion is not material (either individually or collectively for more than one subsidiary) for the purpose of giving a true and fair view in the context of the group. However the director considers that the significant changes in the structure and control of the various subsidiary companies as noted makes it impractical and / or impossible to obtain the detailed quality information required to prepare consolidated financial statements. As noted above, at the date of approval of these financial statements the group comprises the parent company and the overseas companies noted above that are no longer considered to be under the control of the parent company.

Going concern

The company has net current liabilities at the year end of £13,912,000 (2015 - £12,061,000) and net liabilities at the year end of £33,503,000 (2015 - £28,245,000).

Included within the company's liabilities due within one year are amounts due to related party undertakings amounting to £15,627,000 (2015 - £16,518,000). The director (who is also the sole director of the related party undertakings) has placed reliance on confirmation received from the respective related party undertakings that these amounts will not be requested for repayment for at least a period of 12 months following the date of approval of these financial statements. Included within the company's liabilities due after more than one year is a director's loan account amounting to £22,138,000 (2015 - £18,820,000). The director has confirmed that he will continue to provide financial support to the company as is necessary in order for it to pay all external creditors as they fall due for payment for at least a period of 12 months following the date of approval of these financial statements.

Given the above, the director considers it appropriate to continue to adopt the going concern basis in preparing the financial statements.

Investment in subsidiaries

Investments in subsidiaries are measured at cost less accumulated impairment.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than 3 months.

Creditors

Short term creditors are measured at transaction price

Financial instruments

The company only enters into basic financial instruments that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable.

Interest income

Interest income is recognised in the income statement using the effective interest method.

HW Machinery Limited

Notes to the financial statements for the year ended 31 March 2016 (continued)

1 Accounting policies (continued)

Borrowing costs

All borrowing costs are recognised in the income statement in the year in which they are incurred.

Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the income statement, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits, and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

2 Accounting judgements and estimates

In preparing these financial statements, the director has had to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses.

The estimates and associated assumptions are based on historic experiences and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities and are not readily apparent from other sources. Actual results may differ from these estimates. The judgements, estimates and assumptions which have a significant risk of causing material adjustment to the carrying amount of assets and liabilities are:

Investments

The investments in subsidiaries are assessed at each reporting date to determine whether there is any indication the assets are impaired. Where there is any indication that an asset may be impaired, the carrying value of the asset (or cash-generating unit to which the asset has been allocated) is tested for impairment. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's (or CGU's) fair value less costs to sell and value in use.

HW Machinery Limited

Notes to the financial statements for the year ended 31 March 2016 (continued)

3 Staff costs

	Year ended 31 March 2016 £'000	Year ended 31 March 2015 £'000
Wages and salaries	288	-
Social security costs	39	-
Pension	29	-
	<u>356</u>	<u>-</u>

The average monthly number of employees during the year was as follows:

	Year ended 31 March 2016 Number	Year ended 31 March 2015 Number
Administration	4	-
	<u>4</u>	<u>-</u>

4 Director's remuneration

	Year ended 31 March 2016 £'000	Year ended 31 March 2015 £'000
Director's remuneration	-	-
	<u>-</u>	<u>-</u>

The director, also deemed to be the key management personnel, is a full time executive of other group companies and did not receive any remuneration for services provided to this company. It is not practicable to allocate the emoluments for other services.

HW Machinery Limited

Notes to the financial statements for the year ended 31 March 2016 (continued)

5 Operating loss

The operating loss is stated after charging:

	Year ended 31 March 2016 £'000	Year ended 31 March 2015 £'000
Amounts written off investments	316	2,683
Provisions against amounts due from group undertakings and undertakings in which the company has a participating interest	5,142	7,093
Auditors' remuneration	-	-
	<hr/>	<hr/>

Auditors' remuneration is borne by a related undertaking.

Exceptional items

During the year, the company has incurred exceptional costs relating to amounts written off investments totalling £316k (2015 - £2,683k) and provisions against amounts due from group undertakings and undertakings in which the company has a participating interest totalling £5,142k (2015 - £7,093k).

6 Interest receivable and similar income

	Year ended 31 March 2016 £'000	Year ended 31 March 2015 £'000
Loans to group undertakings and undertakings in which the company has a participating interest	291	407
	<hr/>	<hr/>
	291	407
	<hr/>	<hr/>

7 Interest payable and similar charges

	Year ended 31 March 2016 £'000	Year ended 31 March 2015 £'000
Loans from group undertakings and undertakings in which the company has a participating interest	239	87
	<hr/>	<hr/>
	239	87
	<hr/>	<hr/>

HW Machinery Limited

Notes to the financial statements for the year ended 31 March 2016 (continued)

8 Taxation

	Year ended 31 March 2016 £'000	Year ended 31 March 2015 £'000
Current tax:		
UK Corporation tax	-	-
	<hr/>	<hr/>
Tax on loss on ordinary activities	-	-
	<hr/>	<hr/>

UK corporation tax has been charged at 20%.

No deferred taxation has been recorded as it is not considered to be material to the financial statements.

Reconciliation of total tax charge included in profit and loss

The tax assessed for the year is different to the rate of corporation tax in the UK. The difference is explained below:

	Year ended 31 March 2016 £'000	Year ended 31 March 2015 £'000
Loss on ordinary activities before tax	(5,258)	(10,126)
	<hr/>	<hr/>
Loss on ordinary activities multiplied by the standard rate of corporation tax in the UK of 20% (2015 - 20%)	(1,052)	(2,025)
Effect of:		
Expenses not deductible for tax purposes	1,157	2,025
Losses brought forward and utilised	(57)	-
Income not chargeable to tax	(48)	-
	<hr/>	<hr/>
Total tax charge	-	-
	<hr/>	<hr/>

HW Machinery Limited

The additions predominantly relate to the acquisition of Kinetic Engineering Limited and the deferred consideration in respect of Compact Orbital Gears Limited. The disposals relate to Froude TeSys, a 50% joint venture in South Korea, and Froude Hofmann GmbH.

The director has assessed the carrying value of fixed asset investments and considers no further impairment is required.

Subsequent to the year-end, the principal trading company of the group was placed into administration, an important trading subsidiary was sold to a third party company and a number of other trading companies were sold to a related party company as follows:

Froude Hofmann Limited	Placed into administration on 25 April 2016
Froude Hofmann Inc	Sold on 30 September 2016
FH (GB) Limited	Sold on 30 September 2016
ATS-Elbtalwerk GmbH	Sold on 30 September 2016
Compact Orbital Gears Limited	Sold on 30 September 2016
Kinetic Engineering Limited	Sold on 30 September 2016

As at the date of the signing of these financial statements, the group comprises the parent company and a number of overseas companies (that were primarily sales offices for the company that was placed into administration) that are no longer actively trading and are being prepared for cessation once any residual contractual obligations have been met as follows:

Froude Hofmann Industria e Comercio Ltda	(Brazil)
Froude Hofmann Test Technology India (pvt) Limited	(India)
Froude Hofmann Russia	(Russia)
Froude Hofmann (Shanghai) Ltd	(China)

HW Machinery Limited

Notes to the financial statements for the year ended 31 March 2016 (continued)
