Joint Liquidators' Expenses

The estimate of expenses which were anticipated at the outset of the Liquidations was provided to the member when the basis of our fees was approved. The table below compares the anticipated costs against those incurred to date.

Category 1 expenses

These expenses do not require prior approval by members. The type of expenses that may be charged to a case as a Category 1 expense generally comprise of external supplies of incidental services specifically identifiable to the case, such as postage, case advertising, invoiced travel and external printing, external room hire and external storage costs. Also chargeable, will be any properly reimbursed expenses incurred by personnel in connection with the case. These expenses may include disbursements which are payments first met by an office holder and then reimbursed from the estate.

All costs are subject to VAT, where applicable.

Category 1 expenses	Anticipated costs	Actual costs	Balance
Specific Penalty Bond (per company)	20.00	0.00	20.00
Statutory advertising (per company)	38.25	0.00	38.25

Category 2 expenses

These expenses do require approval from members. These are costs which are directly referable to the appointment in question but are not payments which are made to an independent third party and may therefore include payments to associates of the office holder or shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis. Details of Category 2 disbursements charged by this firm (where appropriate) were provided at the time the Joint Liquidators' fees were approved by the member.
