REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2005

The trustees, who are also directors of the charity for the purposes of the Companies Act, present their annual report and the audited financial statements for the year ended 31st March 2005. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in October 2000 in preparing the annual report and financial statements of the charity.

Objects of the charity, principal activities and organisation of our work

The charity is constituted as a company limited by guarantee, and is therefore governed by a memorandum and articles of association.

The charity's objective and its principal activity in the year under review was to promote the benefit of Greek and Greek Cypriot women and children to advance education, provide facilities in the interest of social welfare for recreation and leisure time occupation to improve the conditions of life of the said women and children.

The charity is organised so that the trustees meet regularly to manage its affairs. There is one full-time administrator, who manages the day to day administration of the charity. The remaining employees assist with the fundraising events and day to day care of the women and children as well as organising recreational activities.

Development, activities and achievements this year

The trustees consider that the performance of the charity this year has been most satisfactory. There were no major developments during the course of the year.

Future Developments

Funding has been constant throughout the year and the charity is aiming to secure new funding over the next 12 months in order to be able to continue providing services to its members.
