None of the directors who held office at the end of the financial year had any disclosable interest in the shares of the company.

The interests of the directors who held office at the end of the financial year in shares of other group companies are disclosed in the directors' report of the intermediate holding company, CLPE Holdings Limited.

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. The directors are required to prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the company will continue in business.

The directors confirm that suitable accounting policies have been used and applied consistently. They also confirm that reasonable and prudent judgements and estimates have been made in preparing the financial statements for the year ended 31 December 2004 and that applicable accounting standards have been followed.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Connon Bridge Energy Limited

Auditors

Following the resignation of PricewaterhouseCoopers LLP, Cooper Parry LLP were appointed as auditors to the company. In accordance with Section 385 of the Companies Act, a resolution concerning their reappointment will be proposed at the Annual General Meeting.

**INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF
CONNON BRIDGE ENERGY LIMITED**

We have audited the financial statements of Connon Bridge Energy Limited for the year ended 31 December 2004 on pages 5 to 12. These financial statements have been prepared under the historical cost convention and the accounting policies on page 7.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we may state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described on page 2 the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Accounting Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 2004 and of the profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Statement of accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost. Finance costs incurred during the development stage of a project are capitalised, along with site preparation costs, installation costs and connection costs. Once the project is commissioned, these costs are amortised over the estimated useful economic life of the asset constructed.

Depreciation is provided by the company to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives from commissioning as follows:

Plant and machinery	15 years
---------------------	----------

Taxation

Corporation tax is provided on taxable profits at the current rate applicable. Tax charges and credits are accounted for through the same primary statement (either the profit and loss account or statement of total recognised gains and losses) as the pre-tax item.

In accordance with Financial Reporting Standard 19, full provision is made for deferred taxation on a non discounted basis in respect of all timing differences. Deferred tax is calculated at rates at which it is estimated that the tax will arise.

Deferred tax assets are recognised to the extent they are more likely than not to be recovered.

Turnover

Turnover is derived from and recognised when electricity generated is exported to third party customers. All turnover arises solely within the United Kingdom.

Cash flow statement

Under Financial Reporting Standard 1 (revised), the company is exempt from the requirement to prepare a cash flow statement on the grounds that more than 90% of the voting rights are controlled within the group and a consolidated cash flow statement is included in CLPE Holdings Limited's financial statements, which are publicly available.

Related party transactions

Under Financial Reporting Standard 8, the company is exempt from the requirement to disclose related party transactions with group entities on the grounds that more than 90% of the voting rights are controlled within the group and the consolidated financial statements of CLPE Holdings Limited are publicly available.
