### **Directors' Statement of Responsibilities**

Company law requires the director's to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the directors are required to :

- \* select suitable accounting policies and then apply them consistently ;
- \* make judgements and estimates that are reasonable and prudent ;
- \* State whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements ;
- \* prepare the financial statements on the going concern basis unless its inappropriate to presume that the company will continue in business.

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006.

They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.
