NOTES TO THE ABBREVIATED ACCOUNTS
For the year ended 31 May 2005

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

1.2 Cash flow

The financial statements do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under the Financial Reporting Standard for Smaller Entities (effective June 2002).

1.3 Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, exclusive of Value Added Tax and trade discounts.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant & Machinery	-	33% straight line
Fixtures & Fittings	-	20% straight line

1.5 Deferred taxation

Provision is made in full for all taxation deferred in respect of timing differences that have originated but not reversed by the balance sheet date, except for gains on disposal of fixed assets which will be rolled over into replacement assets. No provision is made for taxation on permanent differences.

Deferred tax assets are recognised to the extent that it is more likely than not that they will be recovered.
