### NOTES TO THE STATUTORY ACCOUNTS FOR THE YEAR ENDED 30 SEPTEMBER 2022

---

#### 1. General information

Quamea Limited is a private limited company, limited by shares, incorporated in England and Wales with registration number 03774731. The address of the registered office is Basing Park, Privett, Alton, Hampshire, GU34 3NS.

#### 2. Accounting policies

##### 2.1 Basis of preparation of statutory accounts

The statutory accounts have been prepared under the historical cost convention and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

##### 2.2 Turnover

Turnover comprises revenue recognised by the company in respect of rents receivable relating to the year.

##### 2.3 Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Leasehold property	- 6% straight line
--------------------	--------------------

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of income and retained earnings.

##### 2.4 Financial instruments

Financial assets and financial liabilities are recognised in the balance sheet when the company becomes a party to the contractual provisions of the instrument.

Trade and other debtors and creditors are classified as basic financial instruments and are measured at transaction price. A provision is established when there is objective evidence that the company will not be able to collect all amounts due.

Cash and cash equivalents are classified as basic financial instruments and comprise cash in hand and at bank.

2. Accounting policies (continued)

2.5 Taxation

The tax expense for the year comprises current tax. Tax is recognised in the Statement of income and retained earnings.

Current tax is based on the taxable profit for the year. Taxable profit differs from net profit as reported in the Statement of income and retained earnings because it excludes items of income and expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

3. Employees

The average monthly number of employees, including directors, during the year was 4 (2021 -3).
