Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditors' report

to the members of Wear:Aer (1999) Limited

We have audited the financial statements of Wear Aer (1999) Limited for the year ended 31 March 2013 which comprise the Profit and Loss Account, Balance Sheet and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 March 2013 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to prepare the financial statements and the directors' report in accordance with the small companies regime.

Notes to the financial statements

at 31 March 2013

1. Accounting policies

Basis of preparation

The financial statements are prepared under the historical cost convention and in accordance with applicable UK accounting standards

Consolidation

The Company is exempt from the requirements to prepare group financial statements by virtue of Section 400 of the Companies Act 2006, and accordingly the financial statements present information about the Company as an individual and not about its group

Cash flow statement

The directors have taken advantage of the exemption in Financial Reporting Standard No 1 (revised) from including a cash flow statement in the financial statements on the grounds that the Company is wholly owned and its parent publishes consolidated financial statements

Related party transactions

The Company is wholly owned by Wear Aer International Limited, which is a wholly owned subsidiary of R Griggs Group Limited, the consolidated financial statements of the latter are publicly available. Accordingly, the Company has taken advantage of the exemption in Financial Reporting Standard 8 from disclosing transactions with members or investees of the R Griggs Group

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction

Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date

All differences are taken to the profit and loss account

Investments

Investments are included at cost, less provision for impairment

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions

- provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold,
- provision is made for deferred tax that would arise on remittance of the retained earnings of overseas subsidiaries, associates and joint ventures only to the extent that, at the balance sheet date, dividends have been accrued as receivable,
- deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date

2. Other operating charges

	2013 £	2012 £
Exchange (gain)/loss	(3,179)	45,438
Other operating charges	24,384	9,621
	<u>21,205</u>	<u>55,059</u>

3. Auditors Remuneration

Auditors' remuneration is borne by other group undertakings

4. Staff costs and directors emoluments

No salaries or wages have been paid to employees, including the directors, during the year

The monthly average number of employees during the year was as follows

	2013 No	2012 No
Directors	<u>2</u>	<u>2</u>

Directors' emoluments have been borne by other group companies. The directors of the Company are also directors or officers of a number of the companies within the R Griggs Group. The directors' services to the Company do not occupy a significant amount of their time. As such the directors do not consider that they have received any remuneration for their incidental services to the Company for the years ended 31 March 2013 and 31 March 2012.

5. Income from investments

	2013 £	2012 £
Income from participating interests	<u>—</u>	<u>1,517,145</u>

Notes to the financial statements

6. Tax

(a) Tax on loss on ordinary activities

The tax charge is made up as follows

Current tax

	2013 £	2012 £
UK corporation tax (note 6(b))	—	—
Total current tax	—	—

(b) Factors affecting current tax charge

No deferred taxation is provided on earnings retained overseas since any remittance would not result in a material tax liability, taking into consideration any related double tax relief

The differences are reconciled below

	2013 £	2012 £
Profit on ordinary activities before tax	7,227	1,494,082
Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 24% (2012 26%)	1,734	388,461
Non-taxable income	—	(391,956)
Expenses not deductible	5,853	—
Group relief received	(4,361)	—
Unrelieved tax losses carried forward	(3,226)	3,495
Total current tax (note 6(a))	—	—

(c) Deferred tax

The deferred taxation asset not recognised in the financial statements is as follows

	2013 £	2012 £
Tax losses available	—	3,226

Given the uncertainty over future utilisation of the remaining timing differences and historic tax losses (eg profits may arise in entities that cannot offset the losses), deferred tax assets have only been recognised, in respect of them, to the extent that they will be utilised in the foreseeable future. As and when these unrecognised timing differences and losses are utilised, this will affect the current and total tax charges
