Lakevilla Limited

Strategic report for the year ended 30 September 2014

The directors present their strategic report for the year ended 30 September 2014.

Review of the business

The company acts as an investment company. The company made a profit for the year of £544,314 (2013 £47,373) due to a write back of provision for diminution in value of investments, reflecting current market conditions. Net assets at the year end were £13,662,603 (2013 £13,118,289). The directors are satisfied with the future prospects of the company.

Principal risks and uncertainties

The key business risks and uncertainties affecting the company are considered to relate to the fact that the company operates within a highly competitive market place. The directors of the group have reviewed the groups exposure to credit risk, liquidity risk and cashflow risk. These risks and uncertainties are discussed in the company's ultimate parent's group annual report which does not form part of this report.

Key performance indicators

Lakevilla Limited is managed by the directors in accordance with the strategies of its ultimate parent company, Loopsign Limited. For this reason, the directors believe that further key performance indicators for the company are not necessary or appropriate for an understanding of the development, performance or position of the business. These strategies and key performance indicators are discussed in the company's ultimate parent's group annual report which does not form part of this report.

By order of the board

Mr R N Luck
Company secretary

5 June 2015

Lakevilla Limited**Directors' report for the year ended 30 September 2014**

The directors present their annual report and the audited financial statements of the company for the year ended 30 September 2014.

Results and dividends

The results for the financial year are set out in the profit and loss account on page 7. The directors do not recommend the payment of a dividend (2013: £nil).

Directors

The directors of the company who served during the year and up to the date of signing the financial statements were as follows:

Mr R J Livingstone
Mr B R Cole (resigned 24/04/15)
Mr E Watkins-Wright (appointed 24/04/15)

Qualifying third party indemnity provisions

The company maintains liability insurance for its directors and officer. Following shareholder approval, the company has also provided an indemnity for its directors and the company secretary, which is a qualifying third party indemnity provision for the purposes of the Companies Act 2006.

Disclosure of information to auditors

Each person who was a director at the time this report was approved confirms that:

- so far as they are aware, there is no relevant audit information of which the company's auditors are unaware; and
- they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Independent auditors

In the absence of a notice proposing that their appointment be terminated, PricewaterhouseCoopers LLP, are deemed to have been re-appointed as auditors for the next year.

By order of the board

Mr R N Luck
Company secretary

Lakevilla Limited

Statement of Directors' Responsibilities for the year ended 30 September 2014

The directors are responsible for preparing the strategic report, directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the board

Mr R N Luck

Company secretary

5 June 2015

Independent auditors' report to the members of Lakevilla Limited

Report on the financial statements

Our opinion

In our opinion, Lakevilla Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the company's affairs as at 30 September 2014 and of its profit for the year then ended;
 - have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
 - have been prepared in accordance with the requirements of the Companies Act 2006.
-

What we have audited

Lakevilla Limited's financial statements comprise:

- the Balance sheet as at 30 September 2014;
- the Profit and loss account for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Statement of Directors' Responsibilities set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual report and financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Lakevilla Limited
Notes to the financial statements
for the year ended 30 September 2014

1 Accounting policies

Basis of preparation

These financial statements are prepared on the going concern basis, under the historical cost convention, and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom. The principal accounting policies, which have been applied consistently throughout the year, are set out below.

Deferred taxation

Deferred tax is provided in respect of all timing differences that have originated, but not reversed, at the balance sheet date that give rise to an obligation to pay more or less tax in the future. Deferred tax is not recognised when fixed assets are revalued unless, by the balance sheet date, there is a binding agreement to sell the revalued assets and the gain or loss expected to arise on sale has been recognised in the financial statements.

Deferred tax is measured on a non-discounted basis. A deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Cash flow statement

The company has taken advantage of the exemption in the Financial Reporting Standards No 1 (Revised 1996) 'Cash flow statements' from including a cash flow statement in the financial statements on the grounds that the company is a wholly owned and its ultimate parent publishes a consolidated cash flow statement.

Fixed asset investments

Investments are recorded at cost plus incidental expenses less any provision for impairment. Impairment reviews are performed by the director when there has been an indication of potential impairment or a change in circumstances which resulted in a previous impairment. Any impairment arising is charged to the profit and loss account for the year.

2 Operating profit	2014	2013
	£	£
Operating profit is stated after charging:		
Auditors' remuneration	-	-
Auditors' remuneration has been borne by London & Regional Properties Limited.		
3 Exceptional item	2014	2013
	£	£
Reversal of impairment	544,314	47,373

Lakevilla Limited
Notes to the financial statements
for the year ended 30 September 2014

4 Directors' emoluments

The directors did not receive any emoluments in respect of their services to the company (2013 : £nil). The company has no employees (2013: none) other than the directors.

The emoluments of the directors are paid by a fellow subsidiary company which makes no recharge to the company. Mr Livingstone is a director of the ultimate parent company and a number of fellow subsidiary companies while Mr Cole are employees of a fellow subsidiary. The total emoluments of Mr Livingstone are included in the aggregate of directors' emoluments included in the financial statements of the ultimate parent company. The total emoluments of Mr Cole are included in the aggregate of employee wages and salaries included in the financial statements of the ultimate parent company.

5 Tax on profit on ordinary activities

No tax has been provided for due to no taxable profits arising in the year.

Factors affecting tax charge for the year

From 1 April 14 the rate of corporation tax has reduced from 23% to 21%, giving a blended average rate for the year of 22%.

The tax assessed for the year is different (2013: different) to the blended rate of corporation tax in the UK of 22% (2013: 23.5%). The differences are explained below:

	2014	2013
	£	£
Profit on ordinary activities before taxation	<u>544,314</u>	<u>47,373</u>
	£	£
Profit on ordinary activities multiplied by the blended rate of corporation tax	119,749	11,133
Effects of:		
Exceptional items not taxable	<u>(119,749)</u>	<u>(11,133)</u>
Current tax charge for the year	<u>-</u>	<u>-</u>

Factors that may affect future tax charges

Reductions to the UK Corporation tax rate were announced in the March 2013 budget. The changes, which were enacted on 17 July 2013 reduce the UK corporation tax rate to 21% with effect from 1 April 2014 and to 20% from 1 April 2015. These changes have no impact on these financial statements.

11 Related party transactions

The company has taken advantage of the exemption under paragraph 3(c) from the provisions of FRS 8, 'Related Party Disclosures', on the grounds that it is wholly owned subsidiary of a group headed by Loopsign Limited, whose financial statements are publicly available.

12 Parent undertaking

The immediate parent undertaking is TPE No.2 Limited, a company incorporated and registered in England and Wales.

The ultimate parent undertaking is Loopsign Limited, a company incorporated in England and Wales.

London & Regional Group Holdings Limited is the parent undertaking of the smallest group of undertakings to consolidate these financial statements as at 30 September 2014. Loopsign Limited is the parent undertaking of the largest group of undertakings to consolidate these financial statements at 30 September 2014. The consolidated financial statements of Loopsign Limited can be obtained from the company secretary at:

Quadrant House, Floor 6
4 Thomas More Square
London
E1W 1YW

The ultimate controlling parties are I M Livingstone and R J Livingstone through their joint ownership of Loopsign Limited.
