ORDER

Upon reading the Claim Form dated 11 November 2019 and the witness statement of Martin Johnson dated 11 November 2019.

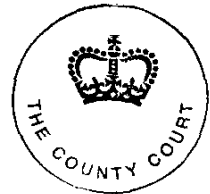

And Upon the Court being satisfied that the MR04 forms listed in Schedule 1, which were filed with and registered by the Registrar of Companies in relation to the charges listed in schedule 1 of this order, were filed without the authority of the relevant Claimant (within the meaning of section 1096 (1) (a) of the Companies Act 2006) and are factually inaccurate (within the meaning of section 1096 (10) (b) of the Companies Act 2006) in that the MR04 Forms (i) wrongly show that the Charges were satisfied, when in fact all Charges remain outstanding in full and (ii) misidentify the chargers of the charges.

AND the Court being satisfied that the misstatement contained in MR04 forms listed in Schedule 1, was a misstatement (within the meaning of section 859M (1) (a) and this was due to ^{an accident or} an inadvertence and this is just and equitable to grant a relief to section 859M of the Act (within the meaning of section 859M (2) (a) and (b)).

IT IS ORDERED THAT

1. Pursuant to section 859M of the Companies Act 2006 (the "Act") that the mis-statement in the form of the MR04 forms submitted erroneously to discharge the Assigned Security (as defined below), that secured the liabilities of the companies listed in Schedule 1, on the charges register of Companies House, be outstanding.
2. Pursuant to section 1096 of the Act, the removal, from the Companies House charges register, of factually inaccurate material in the form of the MR04 forms erroneously submitted to discharge the Assigned Security.
3. There is no order to costs.
4. This Order shall be served by the Claimant on the Defendant.

Dated this 5th day of February 2020
