ELECTRA PROPERTY PARTNERS (GP) LIMITED

Report of the Directors

The Directors present their Report and the Financial Statements of the Company for the year ended 30th September 2007

PRINCIPAL ACTIVITY AND BUSINESS REVIEW

The Company is the General Partner of Electra Fairmile Property Partners Limited Partnership. Electra Fairmile Property Partners Limited Partnership is in the process of being liquidated. This is expected to occur in the first quarter of 2008. There is no intention to wind the Company up within the next 12 months. The company did not trade during the year ended 30 September 2007.

RESULTS AND DIVIDENDS

The profit for the year after taxation amounted to £nil (2006: loss of £10,187). The Directors do not recommend the payment of a dividend leaving the loss of £nil (2006: loss of £10,187) to be transferred to reserves.

GOING CONCERN

Despite the company being in a net liability position at the end of the year, the financial statements have been prepared under the going concern basis which assumes the Company will continue in operational existence for the foreseeable future. The appropriateness of the going concern basis is dependent on continued support from the Company's shareholder. The Company has received a letter of support from Electra Partners Group Limited, the ultimate parent company, confirming that it will provide financial support to the Company sufficient to enable it to meet its obligations as and when they fall due. For the reason noted above the Directors believe it is appropriate for the Financial Statements to be prepared on a going concern basis.

FINANCIAL RISK MANAGEMENT

The key risks facing the company include credit risk and interest rate risk. These risks and the Board's response to them are set out below -

- Credit risk – The Company is at risk of non payment of fees by its Limited Partnership. The Company has detailed knowledge of its Limited Partnership and has agreements in place which set out fee arrangements.
- Interest rate risk – The profit and loss account of the Company is at risk from interest rate movements. The Company does not use derivative instruments to hedge against interest rate risk.

KEY PERFORMANCE INDICATORS (“KPIs”)

Given the straightforward nature of the business, the Company's Directors are of the opinion that analysis using KPIs is not necessary for an understanding of the development, performance or position of the business.

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. The directors are required to prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the company will continue in business.

The directors confirm that suitable accounting policies have been used and applied consistently. They also confirm that reasonable and prudent judgements and estimates have been made in preparing the financial statements for the year ended 30 September 2007 and that applicable accounting standards have been followed.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors confirm that they have complied with these requirements. After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Notes to the Financial Statements

I ACCOUNTING POLICIES

The Financial Statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom and the Companies Act 1985. The more significant accounting policies are listed below.

- (a) The Financial Statements have been prepared under the historical cost convention and the going concern basis which assumes the Company will continue in operational existence for the foreseeable future.

The appropriateness of the going concern basis is dependent on continued support from the Company's shareholder. The Company has received a letter of support from Electra Partners Group Limited, the ultimate parent company confirming that it will provide financial support to the Company sufficient to enable it to meet its obligations as and when they fall due.

If the Company were unable to continue in operational existence for the foreseeable future, adjustments may have to be made to the valuation of assets and liabilities on a break up basis to provide for further liabilities that might arise.

For the reasons noted above the Directors believe it is appropriate for the Financial Statements to be prepared on a going concern basis.

- (b) Partnership Income is priority profit share from the Limited Partnership and profit in respect of the Company's interest in the Limited Partnership. All income and expenses are accounted for on an accruals basis. No Income was received during the year.
- (c) Fixed asset investments are held at cost less provisions for diminution in value.
- (d) The Company is a wholly owned subsidiary of an EU company which publishes consolidated Financial Statements that include a consolidated cash flow statement and therefore is not required to produce a cash flow statement.
- (e) The Financial Statements contain information about Electra Property Partners (GP) Limited as an individual company and do not contain information as the parent of a group. The Company is exempt under Section 228 of the Companies Act 1985 from the requirement to prepare consolidated Financial Statements as it and its subsidiary undertakings are included by full consolidation, or the reasons for their exclusions provided in the consolidated Financial Statements of its ultimate parent, Electra Partners Group Limited, a company registered in England and Wales.
- (f) Advantage has been taken of the exemption available under Financial Reporting Standard 8 (Related Party Disclosures) not to disclose transactions between entities, 90% or more of whose voting rights are controlled within the Group.
