1. Introduction

Hummingbird Project

MedEquip4Kids delivers a positive psychology project in four Tameside primary schools thanks to Jigsaw Foundation

Chair's Statement

On behalf of the board of management, I am very pleased to present the report and financial statements for Jigsaw Homes Tameside for the 2022/23 financial year.

This document sets out an account of our activities during 2022/23 and provides an insight into the Association's efforts to deliver on its strategic priorities:

- Caring for our customers, our assets and neighbourhoods
- Maintaining a strong corporate foundation
- Valuing staff
- Growing the business

I would like to take this opportunity to outline our position on the most pressing current and developing issues in our operating environment and to signpost some of our priorities for the future.

Our Operating Environment

The cost of living crisis remained a dominant theme throughout the year. At Jigsaw, part of our response to the crisis was to develop our own plans to voluntarily limit our rent increases for 2023/24 at well below the rate of inflation. However, before the end of the year, the government set a sector-wide cap on rent increases to no more than 7% – a move which reinforced how the sector can be subject to significant political interventions. Despite the government cap, our board decided to show further restraint on rent increases to help support our tenants and we will limit Affordable Rents rises for 2023/24 to 5%.

The sector's reputation was severely damaged by repeated media reports of sub-standard housing and poor customer service. Quite rightly, following the tragic death of Awaab Ishak which was caused by the prolonged exposure to mould in his Rochdale Borough Wide Housing home, the quality of homes provided by the entire sector is now under greater scrutiny. In response, we can expect to see major revisions to the Decent Homes Standard in the near future.

During the year, we continued to prepare for new consumer regulation which we expect to be fully in place by April 2024. As part of our preparatory work, we undertook a trial tenant satisfaction survey in accordance with the draft regulations. One of our learning points from this work was the importance that our tenants place on information and communication. We are committed to work with our tenants to improve the availability of information and to increase the transparency of our business. In the coming year we will therefore use our website to publish a new set of quarterly KPIs and other information prioritised by tenants. We look forward to continue deepening our accountability through reporting on the new consumer standards from April 2024 onwards.

The demand for repairs from our customers had bounced-back in 2021/22 following the removal of social contact restrictions associated with the COVID-19 pandemic. We had expected demand to return to pre-pandemic levels but, unexpectedly, requests for repairs remained at elevated levels throughout 2022/23. Unfortunately, for much of the year our repairs service was therefore unable to complete less urgent repairs within our normal timescales and this had knock-on impacts to other areas of customer service such as the performance of our contact centre. In 2023/24, the Group plans to recruit an additional 56 members of staff to its asset management teams to help meet the higher demand we are now experiencing.

At the time of writing, the UK economy is presenting real difficulties to both individual households and to companies. High inflation has had a notable impact on our cost base, and rising interest rates have also increased the cost of some of our debt. Three development contractors unfortunately went out of business during the year, causing some delays to our sites.

Notably, we can expect a cool-down in the housing market in the coming year. Nationally, the Office for Budget Responsibility is forecasting a 10% fall in values from their 2022 peak, with house prices then expected to remain below 2022/23 levels until 2028. Meanwhile, the lingering and intractable impact of both the COVID-19 pandemic and Brexit continue to pressure supply chains and the labour market.

These financial statements demonstrate that despite the challenges we face, the Association stands on a very secure financial footing. They also

showcase some of the great work we have delivered during the year.

Our financial strength and proven ability to adapt give the board and myself great confidence that we not only remain well-placed to continue to deliver for our customers during uncertain times, but that we can also continue to play our part in supporting wider economic growth.

As we move closer to the next general election, it is notable that both the current Conservative government and the Labour opposition are increasingly emphasising a policy agenda centred on economic growth. Our view is that housing associations have a key role to play in delivering this agenda. Crucially, during times of economic difficulties, housing associations can — and indeed have — played a counter-cyclical role by keeping their investment flowing. Jigsaw Homes Tameside's fully-funded Development Strategy envisages building 594 new homes by 2028 and this investment will provide significant support to an embattled construction industry, helping to maintain wider jobs in the economy at a time when other investment seems likely to retrench.

There is of course much more to do however, and addressing the environmental concerns of our stakeholders and progressing the net-zero carbon agenda in particular will require concerted focus for years to come.

I look forward to working with my colleagues across the whole Jigsaw Group in 2023/24. Together we will make a real difference to the housing sector and for our current and future customers as we progress our mission of:

"Creating homes. Building lives."

Roli Barker

Association Chair

Our Future Plans

Moving forward, we will continue to focus on addressing the themes identified through 2020's *Jigsaw Conversation* — a wide-ranging consultation exercise on our future direction with our tenants, employees and board members.

The themes we identified through this work were:

- Building safety—making our homes safer places to live in.
- Our homes and spaces—reducing our carbon footprint and improving our existing homes and green spaces.
- Our tenancy offer—looking at the types of homes we offer, improving our estates and offering more support for the mental well-being of our residents.
- Our future development product—looking at how we can work to create more sustainable and energy efficient homes in the future.

During the last year, we continued to make good progress in taking this clear mandate forward.

our values

Our Vision

We want everyone to live
in a home they can afford.

Our Mission

Creating homes. Building lives.

About Us

We are a member of Jigsaw Homes Group which comprises nine organisations working in unison to tackle inequality throughout the North West and East Midlands.

In addition to the parent, Jigsaw Homes Group Limited, the principal members of the Group are:

- Jigsaw Homes Midlands
- Jigsaw Homes North
- Jigsaw Homes Tameside
- Jigsaw Support

As measured by financial turnover, Jigsaw is the 33rd largest housing group in the country¹. The turnover of the Group's principal members during 2022/23 is shown in Figure 1 on this page.

Source: financial statements 2022/23.

Figure 1: Turnover analysis — the vast majority of the Group's turnover is based on social housing activities.

Our Activities

The Group builds, renovates and manages low-cost housing for rent and sale.

The core of the Group's business is centred on the management of 15,843 homes — principally social housing for rent. The location of homes managed by the Group's members is shown in Figure 2 on the current page. The Association is active in five local authority areas.

¹Source: 2022 Global Accounts of private registered providers

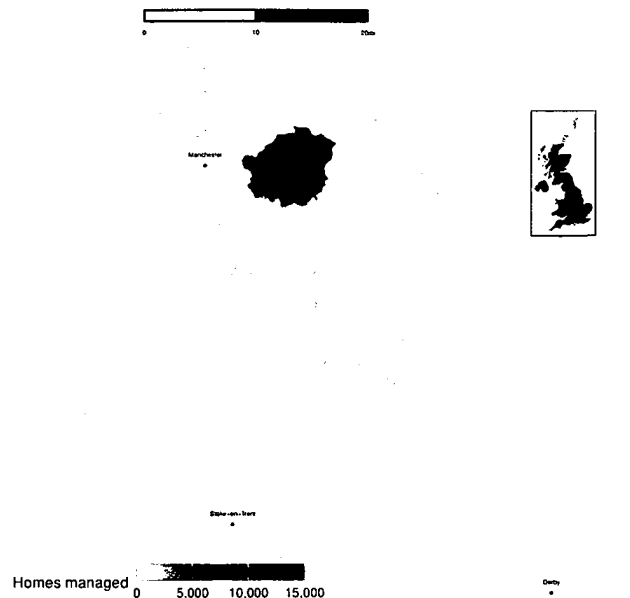

Figure 2: Location of housing stock — shading shows concentrations.

We work to help regenerate neighbourhoods and increase life opportunities for disadvantaged individuals and communities.

The Group also provides a range of supported housing services to help people live independently and to successfully maintain their tenancies. This work is often funded through external contracts that are delivered on a commercial basis.

Vision, Mission and Corporate Values

Vision

Our Vision is:

"We want everyone to live successfully in a home they can afford."

Mission

We will do this by making a social impact focused on:

"Creating homes. Building lives."

Corporate Values

We will ensure that the following values are evident through our work:

- Empowerment
- Collaboration
- Innovation

Cooperation, Collaboration and Partnerships

We recognise that we can often achieve more by working together with other organisations that share our aims. Jigsaw Homes Group is an active member of the National Housing Federation, the Northern Housing Consortium and Homes for the North.

The Group is also party to two joint venture companies with other housing associations:

- JV North — focused on pooling housing association buying power to procure development work; and
- Manchester Athena — focused on housing associations working together to deliver projects on employment, skills, and health and well-being.

2. Strategic Report

Into the 'Cardboard Cosmos'

An interactive play was performed by the Stute Theatre for over 200 children and residents across Tameside

Review of the Year

Operational Performance

The Association has established a suite of performance measures to track performance against its corporate objectives. Year end Key Performance Indicator (KPI) performance is shown in Table 1 on the following page and is discussed below.

Caring for Our Customers, Our Assets and Neighbourhoods

Table 1 on the next page shows that 15 of the 23 KPIs established to monitor the delivery of this strategic objective were achieved in the year.

During 2022/23, in this area Void Loss performance was the only very high or high priority KPI that did not meet its target.

Void loss performance was 1.03% at 31 March 2023, slightly higher than the target for the year of 0.89%. Performance in this area, as with a number of other lower priority KPIs, has been adversely affected by higher than expected demands placed on the Group's maintenance teams in the year. Works to empty properties were deprioritised to move resources into dealing with higher than anticipated requests for repairs and reports of damp and mould in the year. In 2023/24, Jigsaw Homes Group plans to recruit an additional 56 members of staff to our asset management teams to help meet the higher demand we are now experiencing. This should enable us to rebalance resources.

Maintaining a Strong Corporate Foundation

Table 1 shows that two of the six KPIs established to monitor the delivery of this strategic objective were achieved in the year.

During 2022/23, in this area the performance of the following very high or high priority KPIs did not meet target levels:

- Headline Cost Per Unit.
- Operating Margin.
- Reinvestment.

- Return On Capital Employed.

The KPI's for *Headline Cost Per Unit* and *Operating Margin* were affected by heightened levels of cost inflation during 2022/23, particularly evident in utility prices — which were three times higher than original forecast — due to the impact of Russia's invasion of Ukraine. In addition to the impact of inflation, asset management costs also increased above projected levels due to higher than expected demands from tenants through repairs requests, increased reports of damp and mould and increased disrepair cases.

Reinvestment and *Return On Capital Employed* KPI targets were not being met due to the continued disruption to the Association's new homes development programme caused by delays to schemes completing during the year. In addition a lower amount of components were capitalised than expected with respect to our ongoing stock reinvestment programmes.

A summary of the Association's recent financial results is shown in Table 2 on page 15 and highlights of the Association's financial position are shown in Table 3 on page 15.

The board is pleased to report that *Operating Surplus* amounted to £16.3m or 20% of turnover.

With regard to loan finance, during the year the Association repaid £0m in line with agreed debt profiles. £0m of loan finance was drawn-down in the year. At the year-end debt borrowings amounted to £289.4m, maturing as outlined in Note 18 to the financial statements.

Valuing Staff

Table 1 shows that three of the five KPI targets established to monitor the delivery of this strategic objective were achieved in the year².

The *Compliance With Mandatory Training* target was narrowly missed but positive progress was made in the year.

Employee Turnover is slightly higher than target due to the end of the *Motiv8* contract in Jigsaw Support which accounted for 10 leavers and four TUPE transfers from Jigsaw Support to other

²These KPIs are measured at Group level only. All metrics and commentary relate to the Group as a whole.

KPI	KPI priority	Target	Actual	Trend
<i>Caring for our customers our assets and neighbourhoods</i>				
Current Tenant Arrears	VH	3.43%	2.98%	↓
Income Collected	VH	99%	99.6%	↓

3. Governance

Khushi Project

Theatrical performance of 'The Colourful Seasons', part of
Khushi project at Manchester Museum and Oldham Coliseum

Corporate Structure and Governance

The structure of the Group's corporate and governance arrangements are shown in Figure 5 on the next page. Figure 5 highlights how the Group uses overlapped boards to simplify its governance arrangements and to make the best use of the shared skill-set of board members and directors.

Table 5 on the following page sets out the demographics of the board in comparison to the diversity of the Association's residents and to the wider region.

Board Members Serving at the End of the Financial Year

Roli Barker

Chair of the board

Attendance: 5/5 100% (Board), 4/5 80% (Group Board)

Roli is a Director at the Big Life Group responsible for the Big Issue North, Big Life Homes, and their service user involvement project — *Community Voice*. She is also a trustee at The Lowry theatre in Manchester.

Roli has extensive experience of designing and delivering a diverse range of projects for the corporate, non-profit and arts sectors.

Shoab Akhtar

Attendance: 5/5 100%

Shoab is currently employed by Onward Homes and has served as a councillor on Oldham Council since 2000, sitting on various committees and holding different cabinet portfolios. He was mayor of Oldham in 2008/09, and served as deputy leader from 2011 to 2014 and is currently a member of the planning committee. Shoab is also a governor at Oldham Sixth Form College and a member of the Oldham Enterprise Trust.

Claire Beaumont

Attendance: 5/5 100%

Claire joined North Board in April 2019. She is a partner in the Commercial Property Team at Gorvins Solicitors specialising in property investment and finance but with broad experience across the sector working with a variety of clients

who are active in the market. Claire is a former Chairman of the Association of Women in Property Northwest Branch and remains part of the committee and as a mentor, assisting the association in encouraging women into the property sector.

Yvonne Carty

Attendance: Yvonne was appointed in March 2023 and did not therefore attend a meeting as a board member during the financial year.

Yvonne worked for Tameside Council in economic development for 22 years. Following retirement in 2011, Yvonne was elected as a local councillor for the Ashton St Michael's ward, a position she held until May 2023. She is experienced in customer care, governance and regulation, health and safety and housing development and has vast knowledge of the needs and issues impacting the local communities in Tameside.

Lynne Garsden

Attendance: 4/5 80%

Lynne is a former fellow of the Royal Institution of Chartered Surveyors. She has over 35 years' experience in the property market, handling lettings, sales, development appraisals, rent reviews and acquisitions. A founding partner of Guest Garsden Property Consultants in Manchester, Lynne has dealt with instructions as an expert under Civil Procedure Rules to both County Court and High Court in respect of valuations on both commercial and residential developments. She has 13 years' experience on the board of another housing association, including five years as its chair.

Paul Lees

Attendance: 4/5 80% (Board), 3/4 75% (R&A Committee)

Paul worked for over 20 years in the role of chief executive of the Adactus Housing Group and its predecessor, County Palatine Housing Society. He has spent his career in social housing, working for both housing associations and local authorities.

Janet Mutch

Attendance: 5/5 100%

Demographic	Local Area	Tenants	Board
% who are women	51	61	60
% who are ethnic minorities	14	10	30
% who have a disability	19	11	–
% who are lesbian, gay or bisexual	3	Unknown	–
% who identify with a religion	67	Unknown	40
% who were educated at state school	c. 93	Unknown	70
Average age (years)	41	52	57

Source: ONS data from 2021 Census; for gender, ethnicity, disability, sexuality, religion and age, the region used is North West, national data is used in the case of schooling.

Table 5: Demographic composition of the board.

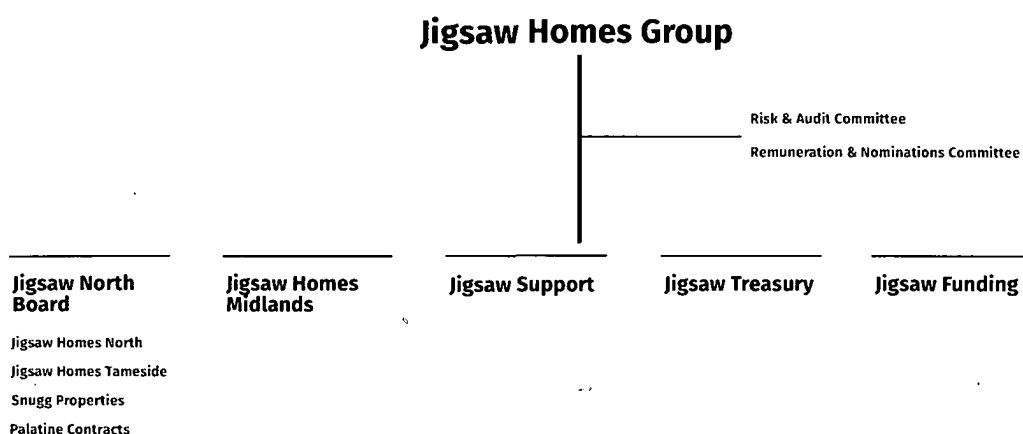

Figure 5: Corporate and governance structure — board meetings for the organisations that fall under Jigsaw North are held contemporaneously using overlapped meetings.

Janet brings a wealth of customer service and employment knowledge to the Board through her role as retail manager for Cancer Research and previous role with Willow Wood Hospice. Living and working in Tameside gives Janet a strong understanding of the issues facing our customers and the wider community.

Hilary is the group chief executive of Jigsaw. She has lead responsibility to work with the board of management to develop and implement corporate strategy.

She has a strong background in business growth and property development having held senior roles in this area for over 20 years.

Laverne Picart

Attendance: 5/5 100% (Board), 4/4 100% (R&A Committee)

Laverne is a finance professional with over 30 years' experience gained in the financial services sector as an auditor, investment analyst, corporate banker and more recently financial adviser.

Laverne is a qualified Chartered Accountant and FCA registered Independent Financial Adviser and member of the Personal Finance Society and Chartered Insurance Institute.

Hilary Roberts

Attendance: 5/5 100% (Board), 5/5 100% (Group Board), 3/3 100% (Jigsaw Funding), 4/4 100% (Jigsaw Treasury), 3/3 100% (Pensions Committee)

Corporate Responsibility

Employees

The Association recognises that the success of the business depends on the quality of its managers and employees. It is the policy of the Association that training, career development and promotion opportunities should be available to all employees.

The board is aware of its responsibilities on all matters relating to health & safety. The Group has prepared detailed health & safety policies and provides employee training and education on health & safety matters.

Diversity and Inclusion

The Association recognises its responsibilities to provide equality of opportunity, eliminate discrimination and promote good relations in its activities as a landlord, managing agent, employer, contractor, partner and purchaser.

We are totally opposed to all forms of discrimination on the grounds of race, national origin, ethnic origin, nationality, religion or belief, gender, gender reassignment status, marital status, pregnancy or maternity, sexual orientation, disability or age.

The Association's policy in this area is available to download from the Jigsaw website: search for "equality and diversity".

Modern Slavery and Human Trafficking Statement

The Association is absolutely committed to preventing slavery and human trafficking in its corporate activities and to ensuring that its supply chains are free from slavery and human trafficking.

The Association's policy in this area is available to download from the Jigsaw website: search for "modern slavery".

Streamlined Energy and Carbon Reporting (SECR)

Whilst being a requirement due to its size, the Association has taken advantage of the exemption under the Environmental Reporting Guidelines 2019 to not disclose its carbon emission data as these are fully disclosed in the financial statements of its parent company, Jigsaw Homes Group Limited.

Risk Management and Internal Controls

The board has overall responsibility for the system of internal control and risk management across the Association and for reviewing its effectiveness. The board also take steps to ensure the Association adheres to the Regulator of Social Housing's *Governance and Financial Viability Standard and its associated Code of Practice*. Risk & Audit

Committee is responsible to the board for monitoring these arrangements and reporting on their effectiveness.

Risk Management

Figure 6 on the next page summarises the Association's risk map at 31 March 2023. The assessment shows 58 risks which could impact on the delivery of the Association's corporate objectives categorised by the impact areas of 'People', 'Strategic', 'Financial', 'Business Interruption' and 'Reputation'.

Figure 6 shows how the Group's risk register is dominated by 'People' risks — predominantly health & safety and safeguarding concerns. We have adopted comprehensive policies in both of these areas to ensure that these risks are given due attention.

The Group's controls work to mitigate the likelihood or impact of risks. As a result, the residual assessment of all risks fall within the acceptable levels defined in the Group's *Risk Management Strategy*.

Our most significant residual risks are:

- Failure of controls leads to death or injury from fire.
- Ineffective safeguarding of staff, customers and third parties.
- Housing Market Crash.
- Requirements to achieve carbon neutrality are cost prohibitive.
- Death or serious injury (Staff / 3rd Party).
- Inability to recruit appropriately skilled employees.
- Negative impact of inflation.
- Delays to development programme.
- Disruption to material supply chain.
- Cyber Disruption.
- Loss of skills and knowledge.

The area of each rectangle is proportional to the assessment of Inherent Risk, darker shading indicates higher Residual Risk.

Figure 6: Risk analysis.

In accordance with the Group's *Risk Management Strategy*, the risk map is reviewed quarterly by the Group's Risk & Audit Committee and by board. The committee presides over a programme of internal audit work which is based on the risks identified.

Internal Controls Assurance

The board acknowledges its overall responsibility for establishing and maintaining the whole system of internal control and for reviewing its effectiveness.

The system of internal control is designed to manage, rather than eliminate, the risk of failure to achieve business objectives and to provide reasonable assurance against material misstatement or loss.

The process for identifying, evaluating and managing the significant risks faced by the Association is ongoing and has been in place throughout the period commencing 1 April 2022 up to the date of approval of this document.

Key elements of the control framework include:

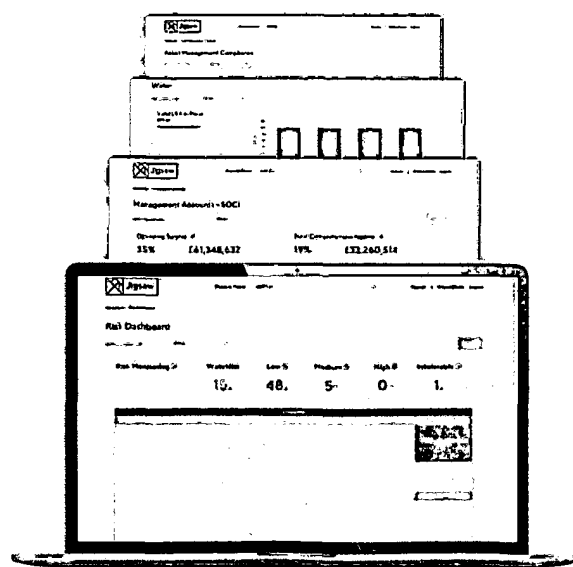

Figure 7: Examples from the Group's suite of performance dashboards.

- Formal policies and procedures are in place, including the documentation of key processes and rules for the delegation of authorities (Scheme of Delegation). These policies and procedures are reviewed by the board and executive management team on an agreed cycle.
- A performance management framework is in place to provide monitoring information to the board and management. Employee progress against agreed, documented objectives is formally reviewed.
- Management report regularly on risks and how these are managed.
- The board receives quarterly information on the financial performance of the business together with a summary of key performance indicators covering the main business risks.
- Forecasts and budgets are prepared which allow the board and management to monitor financial objectives and risks. Monthly management accounts are prepared promptly and reported to board on a quarterly basis; with significant variances from budget investigated and accounted for. This reporting includes the monitoring of all loan covenants.
- There is a robust approach to treasury management supported by third party advisors.
- Regular monitoring of loan covenants and requirements of new loan facilities is in place.
- All significant new initiatives and projects are subject to formal appraisal and authorisation procedures by the appropriate board with clear links to the requirements of the Risk Management Policy.
- The Remuneration and Nominations Committee has oversight of the Association's approach to board appraisal, recruitment and succession.
- Experienced and suitably qualified employees are responsible for important business functions.
- A co-sourced internal audit service is provided by the Group, incorporating a team managed by a qualified, full-time employed audit manager complemented by third party expertise. The Risk & Audit Committee approves the annual audit plan and reviews internal audit reports as well as those from management and any third-party reviews including reports from tenant scrutiny.
- The Risk & Audit Committee reports quarterly to the board and reviews the assurance procedures, ensuring that an appropriate range of techniques is used to obtain the level of assurance required by the board.
- Risks are identified, assessed and documented in a risk register with details of how each risk will be managed. The risk register is reviewed on a quarterly basis by the executive management team and Risk & Audit Committee. Quarterly risk updates are also provided to each board within the Group. Internal audit independently reviews the risk identification procedures and control process implemented by management and reports to Risk & Audit Committee.
- The executive management team also reports to the board on significant changes in the business and external environment which affect significant risks.
- The Group's *Probity and Anti-Fraud Policy* clearly lays out the approach to be taken with respect to whistle-blowing, anti-corruption and fraud.
- The Risk & Audit Committee and board review and approve this statement of the Association's internal controls assurance.
- A theft and fraud register is maintained by the Group Company Secretary and any fraud is reported to the Risk & Audit Committee.

The Association uses various financial instruments including loans, cash and other items such as rent arrears and trade creditors that derive directly from its operations. The main purpose of these financial instruments is to raise finance for the delivery of the Association's objectives.

The existence of these financial instruments exposes the Association to a number of financial

Figure 8: Our tenant scrutiny panels undertake deep-dive investigations into areas voted for by tenants.

risks. The main risks arising from the Association's financial instruments are considered by board to be interest rate risk, liquidity risk and credit risk. In accordance with its *Risk Management Policy* and *Treasury Management Strategy*, the board reviews and agrees policies for managing each of these risks as summarised below.

Interest Rate Risk

The Association finances its operations through a mixture of retained surpluses and various debt borrowings. The Association's exposure to interest rate fluctuations on its borrowings is managed by the use of both fixed and variable rate facilities.

The Association currently borrows from a variety of lenders at both fixed and floating rates of interest. The Association's *Treasury Management Strategy* targets the level of fixed rates of interest to be up to 100% of its loan portfolio. At the year-end 94% (2022: 90%) of borrowings were at fixed rates between 3.4% and 8.1% with an average borrowing rate of 5.1%.

Liquidity Risk

The Association seeks to manage financial risk by ensuring sufficient liquidity is available to meet its foreseeable needs and to invest cash assets safely and wisely.

The Association has a clear focus on cash collection and monitors cash-flow forecasts closely and regularly, to ensure it has sufficient funds to meet its business objectives, pay liabilities when they fall due and ensure adequate liquidity with respect to emerging risks.

With respect to short term liquidity, at the year-end the Association had access to £9.9m (2022: £20.8m) of both cash balances and short term investments held as cash together, together with access to c. £259m (2022: £0m) of undrawn committed Group bank facilities. In addition, the Group retains £100m of retained bonds with a long-stop date of May 2027.

Credit Risk

The Association operates a prudent policy in respect of funding counterparties and aims to minimise the risk of financial loss or liquidity exposure associated with any counterparty. Short term investments are widely diversified and are kept at a minimum by temporarily repaying revolving credit facilities in order to manage working capital requirements. During 2023 all cash investments were held with counterparties which met the requirements of Group's *Treasury Management Strategy*.

The Association seeks to minimise the credit risk relating to tenant rent arrears through its robust recovery procedures, providing support to existing tenants where necessary and by undertaking affordability assessments with applicants for new tenancies. The Group's money advice service provides the necessary support to tenants and the Group's arrears recovery team closely monitors tenant arrears as a whole.

Compliance

This document has been prepared in accordance with applicable reporting standards and legislation. The board confirms that the Association has complied with the regulator's *Governance and Financial Viability Standard*.

Code of Governance

During 2022/23 the Association's Code of Governance was *Code of Governance 2020* (National Housing Federation, 2020). The board is pleased to report full compliance with the Code with the following exception:

The Group has decided not to impose a six year limit on the term of office of board members who

were appointed prior to the adoption of the Code as this would have required an excessive churn in board members. Rather, the Group has adopted a board member recruitment strategy which seeks to smooth the replacement of board members in order to minimise disruption in the board room and ensure continued good governance. New board members will be appointed on the expectation that they will normally serve a maximum of six years.

Statement by the Board in Performance of Their Statutory Duties

The board of Jigsaw Homes Tameside consider, both individually and together, that they have acted in the way they consider, in good faith, would be most likely to promote the success of the Association for the benefit of its customers, staff and external stakeholders in the decisions taken during the year ended 31 March 2023.

In doing so, the board continues to have regard (amongst other matters) to:

- the likely consequences of any decision in the long term,
- the interests of the Association's employees,
- the need to foster the Association's business relationships with suppliers, customers and others,
- the impact of the Association's operations on the community and the environment,
- the desirability of the Association maintaining a reputation for high standards of business conduct, and
- the need to act fairly as between members of the board of management of the Association.

Throughout this annual report, we provide examples of how we have had regard to matters set out above when performing our statutory duties and in particular:

- Our Corporate Plan is designed to have a long-term beneficial impact in the areas in which the Association operates and to contribute in delivering the Group's Mission of Creating Homes, Building Lives. We will

continue to operate our business within tight budgetary controls aiming to achieve maximum value for money, in the delivery of our strategic objectives. Please see the Financial Statements of our parent, Jigsaw Homes Group, for details of our performance with respect to the 2019 Value for Money metrics published by the Regulator of Social Housing.

- At every board meeting, the board of management alongside the executive management team, together review the progress against that year's business plan priorities. This collaborative approach by the board, together with the board's approval of the Corporate Plan helps it to promote the long-term success of Association. Ultimately board decisions are taken against the backdrop of what it considers to be in the best interests of the long-term success of the Association, its stakeholders, including our employees, the community and environment, our suppliers and customers.
- Our employees are fundamental to the delivery of our Corporate Plan. We recognise that our employees help us maintain our strong reputation for high standards of business conduct and are fundamental in delivering our business plan priorities. We aim to be a responsible employer in our approach to the pay, benefits and overall terms and conditions that our employees receive. The health, safety and well-being of our employees is a paramount consideration in the way we operate. The board regularly reviews and monitors safety performance, with the aim of continually making the Association safer for our entire workforce. In addition, we take on board the views of our employees in shaping the our future direction through the Jigsaw Voice employee group and regular employee briefings.
- our duty, in accordance with our constitution is to build, renovate and manage low-cost housing for rent and sale in addition to working to regenerate neighbourhoods alongside providing a range of supported housing to help people live independently. Our Corporate Plan has been informed by years of extensive engagement with our customers, enabling us to gain an

understanding of their views and priorities, communicating and listening through new channels such as the various social media channels, our innovative online resident involvement platform/consultation vehicle Jigsaw Rewards and the Jigsaw Tenant Scrutiny Panel.

- we also aim to act responsibly and fairly with how we engage with our suppliers. Our Business Continuity response to the COVID-19 pandemic as services were able to be maintained, uninterrupted, included maintaining prompt payments to support our suppliers in the unprecedented times. We remain fully transparent and engaged with both our lenders and our regulator, the RSH. The close working relationship with lenders was instrumental when in May 2020, the Group restructured its treasury arrangements through the creation of a treasury vehicle, Jigsaw Treasury Limited, through which all its future treasury arrangements will be organised. This restructuring has enabled the Group and the Association to benefit from pooling of assets and resources to significantly increase financial capacity to further increase the Group's financial strength and to underpin the Group's future growth aspirations.
- our Corporate Plan took into account the impact of the Association's operations on the community and environment together with our wider societal responsibilities, in particular how we impact the regions in which we operate. Several performance measures in our Corporate Plan will deliver environmental improvements not just in the properties we own and manage, but in the wider neighbourhoods in which we operate.
- as the board of management, our intention is to behave both responsibly and fairly and to ensure that the executive management team operate the business in a responsible manner, operating within the high standards of business conduct and good governance expected for a business such as ours in the sector in which we operate and in doing so, will contribute to the delivery of our Corporate Plan. The intention is to nurture our reputation, through the delivery of the

Corporate Plan, that reflects our responsible behaviour. The board understands that strong governance is essential to the success of the Association. Annually a full board appraisal review process is undertaken to evaluate board member performance and we continue to review the governance framework in order to ensure its principles and processes continue to drive the highest levels of business standards and best practice.

An abridged version of the Group's Corporate Plan is available on the Group's website.

Regulatory Framework

The Association is subject to the Regulator of Social Housing's Regulatory Framework. The board is pleased to report full compliance.

Statement of Responsibilities of the Board for the Report and Financial Statements

The board members are responsible for preparing the report of the board and the financial statements in accordance with applicable law and regulations.

Under the Companies Act 2006 and social housing legislation the board are required to prepare financial statements for each financial year in accordance with *United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards)* and applicable law.

In preparing these financial statements, the board members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards and the *Statement of Recommended Practice for registered housing providers: Housing SORP 2018* have been followed, subject to any material departures disclosed and explained in the financial statements; and

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Group and Association will continue in business.

The board members are responsible for keeping adequate accounting records that are sufficient to show and explain the transactions of the Association and disclose with reasonable accuracy at any time the financial position of the Association and enable them to ensure that the financial statements comply with the Companies Act 2006, the Housing and Regeneration Act 2008 and the Accounting Direction for Private Registered Providers of Social Housing 2022. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The board is responsible for ensuring that the report of the board is prepared in accordance with the *Statement of Recommended Practice for registered housing providers: Housing SORP 2018*.

Financial statements are published on the Association's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements, which may vary from legislation in other jurisdictions. The maintenance and integrity of the Association's website is the responsibility of the board members. The board members' responsibility also extends to the ongoing integrity of the financial statements contained therein.

Going Concern

Based on the following assessment the board is comfortable that the Association continues to be a going concern and have therefore produced financial statements on a going concern basis.

The Association's activities, its current financial position and factors likely to affect its future development are set out within the Strategic Report.

The board approved the Association's 2023/24 budget prior to the start of the financial year and approved the Association's thirty year financial plan shortly afterwards. The board is content that these plans were affordable and that the financial

statements should be prepared on a going concern basis.

The Group board reviewed a range of scenarios and stress tests in order to fully understand the potential impact on the thirty year financial plan and the Group's loan covenant position. This considered how alternate projections for inflation, interest rates and house prices impact on the Group's loan covenant position. The alternate projections for inflation, interest rates and house prices arise from three different macroeconomic scenarios:

1. A central forecast based on estimates published in the Economic and Fiscal Outlook by The Office for Budget Responsibility in the short to medium term and in the longer term on sector norms as advised by the Association's treasury advisors.
2. The 2022 Bank of England stress test scenario which envisages deep simultaneous recessions in the UK and global economies, large falls in asset prices and higher global interest rates.
3. A *Black Swan Event* which – perhaps stretching the limits of plausibility – combines the worst independent ten year movements in recent memory of each macroeconomic variable³ into a single unprecedentedly challenging scenario.

For the purposes of the stress test, the Group board has selected scenarios where combinations of key risks unexpectedly materialise to present medium and long term impacts to the business. We also explored both the medium and long term impacts occurring at the same time to present the business with an unprecedentedly challenging *Perfect Storm* of severe materialised risks.

The Group board continues to review the Group member's financial plans with the executive team to make any necessary changes and continue to work with our customers and stakeholders to deliver our services.

The Association has access to long-term debt facilities and sufficient liquidity, which provide

³Specifically the house price movements experienced during 2008–2018, interest rate movements in 1971–1980, increases in inflation experienced between 1960–1969, and the rent reductions imposed during 2016–2020.

adequate resources to finance committed reinvestment and development programmes, along with the Association's day to day operations. The Association's long-term financial plans show that it is able to service debt facilities whilst continuing to comply with lenders' covenants.

The board is, to the best of its knowledge, satisfied that covenant compliance is maintained throughout the life of the plan on the basis that the thirty year financial plan has been stress tested to withstand significant composite risks materialising without breaching lender covenants, thus confirming the future viability of the Association.

Auditor

All of the current board members have taken the steps that they ought to have taken to ensure they are aware of any information needed by the Association's auditor for the purposes of their audit, and to establish that the auditor is aware of that information. The board members are not aware of any relevant audit information of which the auditor is not aware.

Beever and Struthers has expressed their willingness to continue in office as the Association's auditors.

4. Financial Statements

Independent Auditor's Report to the Members of Jigsaw Homes Thameside

Opinion on the Financial Statements

We have audited the financial statements of Jigsaw Homes Thameside ("the Association") for the year ended 31 March 2023 which comprises the Association statement of comprehensive income, the Association statement of financial position, the Association statement of changes in equity, and notes to the financial statements, including a summary of principal accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2023 and of the Association's surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been properly prepared in accordance with the Companies Act 2006, the Housing and Regeneration Act 2008 and the Accounting Direction for Private Registered Providers of Social Housing 2022.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAS (UK)") and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe

that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions Relating to Going Concern

In auditing the financial statements, we have concluded that the board's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Association's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the board with respect to going concern are described in the relevant sections of this report.

Other Information

The other information comprises the information included in the Strategic Report, other than the financial statements and our auditor's report thereon. The board is responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on Other Matters Prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Board Report and the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Board Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on Which We Are Required to Report by Exception

In the light of the knowledge and understanding of the Association and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the Association, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

In addition, we have nothing to report in respect of the following matter where the Housing and Regeneration Act 2008 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained.

Responsibilities of the Board

As explained more fully in the Statement of Board Responsibilities set out on page 25, the board is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the board members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the board is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the board either intends to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to Which the Audit Was Capable of Detecting Irregularities, Including Fraud

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks,

including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and addressing risks of material misstatement in respect of irregularities, including fraud and noncompliance with laws and regulations, our procedures included the following:

- We obtained an understanding of laws and regulations that affect the Association, focusing on those that had a direct effect on the financial statements or that had a fundamental effect on its operations. Key laws and regulations that we identified included the Companies Act 2006, the Statement of Recommended Practice for registered housing providers: Housing SORP 2018, the Housing and Regeneration Act 2008, the Accounting Direction for Private Registered Providers of Social Housing 2022, tax legislation, health and safety legislation and employment legislation.
- We enquired of the Board and reviewed correspondence and Board meeting minutes for evidence of non-compliance with relevant laws and regulations. We also reviewed controls the Board have in place, where necessary, to ensure compliance.
- We gained an understanding of the controls that the Board have in place to prevent and detect fraud. We enquired of the Board about any incidences of fraud that had taken place during the accounting period.
- The risk of fraud and non-compliance with laws and regulations and fraud was discussed within the audit team and tests were planned and performed to address these risks. We identified the potential for fraud in the following areas: laws related to the construction and provision of social housing recognising the nature of the Association's activities and the regulated nature of the Association's activities.
- We reviewed financial statements disclosures and tested to supporting documentation to assess compliance with relevant laws and regulations discussed above.
- We enquired of the Board about actual and potential litigation and claims.

- We performed analytical procedures to identify any unusual or unexpected relationships that might indicate risks of material misstatement due to fraud.
- In addressing the risk of fraud due to management override of internal controls we tested the appropriateness of journal entries and assessed whether the judgements made in making accounting estimates were indicative of a potential bias.

Use of Our Report

This report is made solely to the Association, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and Section 128 of the Housing and Regeneration Act 2008. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements

1. Legal Status

Jigsaw Homes Tameside is incorporated in England under the Companies Act 2006 and is registered with the Regulator of Social Housing as a Private Registered Provider of Social Housing.

The registered office is Cavendish 249, Cavendish Street, Ashton-under-Lyne, Tameside, OL6 7AT.

The Association is a member of the Jigsaw Homes Group Structure (the Group), of which Jigsaw Homes Group Limited is the parent company. At the year end, the Group comprised the following principal entities:

Name	Incorporation	RSH registration	Parent
Cavendish Property Developments Limited	Companies Act 2006	Non-registered	JHG
Jigsaw Funding PLC	Companies Act 2006	Non-registered	JHG
Jigsaw Homes Midlands	Co-operative and Community Benefit Societies Act 2014	Registered	JHG
Jigsaw Homes North	Co-operative and Community Benefit Societies Act 2014	Registered	JHG
Jigsaw Homes Tameside	Companies Act 2006	Registered	JHG
Jigsaw Support	Co-operative and Community Benefit Societies Act 2014	Non-registered	JHG
Jigsaw Treasury Limited	Companies Act 2006	Non-registered	JHG
Palatine Contracts Limited	Companies Act 2006	Non-registered	JHN
Snugg Properties Limited	Companies Act 2006	Non-registered	JHN

Table 6: Principal group members.

The board of Jigsaw Homes North is the corporate trustee of the James Tomkinson Memorial Cottages Trust.

2. Principal Accounting Policies

Basis of Accounting

The financial statements have been prepared in accordance with applicable law, the United Kingdom Accounting Generally Accepted Accounting Practice (UK GAAP) and the Statement of Recommended Practice for registered housing providers: Housing SORP 2018 (SORP). The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Association's accounting policies.

The financial statements are prepared on the historical cost basis of accounting as modified by the revaluation of investments and are presented in pounds sterling.

The Association has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 11 Basic Financial Instruments; and
- the requirements of Section 33 Related Party Disclosures paragraph 33.7.

This information is included in the consolidated financial statements of Jigsaw Homes Group Limited as at 31 March 2023 and these financial statements may be obtained from their registered office.

Going Concern

Based on the following assessment the board is comfortable that the Association continues to be a going concern and have therefore produced financial statements on a going concern basis.

The Association's activities, its current financial position and factors likely to affect its future development are set out within the Strategic Report.

The Board approved the Association's 2023/24 budget prior to 31 March 2023 and approved the Association's thirty year financial plan shortly afterwards. The board is content that these plans were affordable and that the financial statements should be prepared on a going concern basis.

The Group board reviewed a range of scenarios and stress tests in order to fully understand the potential impact on the thirty year financial plan and the Group's loan covenant position. This considered how alternate projections for inflation, interest rates and house prices impact on the Group's loan covenant position. The alternate projections for inflation, interest rates and house prices arise from three different macroeconomic scenarios:

1. A central forecast based on estimates published in the Economic and Fiscal Outlook by The Office for Budget Responsibility in the short to medium term and in the longer term on sector norms as advised by the Association's treasury advisors.
2. The 2022 Bank of England stress test scenario which envisages deep simultaneous recessions in the UK and global economies, large falls in asset prices and higher global interest rates.
3. A *Black Swan Event* which — perhaps stretching the limits of plausibility — combines the worst independent ten year movements in recent memory of each macroeconomic variable⁴ into a single unprecedentedly challenging scenario.

For the purposes of the stress test, the Group board has selected scenarios where combinations of key risks unexpectedly materialise to present medium and long term impacts to the business. We also explored both the medium and long term impacts occurring at the same time to present the business with an unprecedentedly challenging *Perfect Storm* of severe materialised risks.

The Group board continues to review the Group member's financial plans with the executive team to make any necessary changes and continue to work with our customers and stakeholders to deliver our services.

The Association has access to long-term debt facilities and sufficient liquidity, which provide adequate resources to finance committed reinvestment and development programmes, along with the Association's day to day operations. The Association's long-term financial plans show that it is able to service debt facilities whilst continuing to comply with lenders' covenants.

The board is, to the best of its knowledge, satisfied that covenant compliance is maintained throughout the life of the plan on the basis that the thirty year financial plan has been stress tested to withstand significant composite risks materialising without breaching lender covenants, thus confirming the future viability of the Association.

Judgements and Key Sources of Estimation Uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the year-end date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means

⁴Specifically the house price movements experienced during 2008–2018, interest rate movements in 1971–1980, increases in inflation experienced between 1960–1969, and the rent reductions imposed during 2016–2020.

that actual outcomes could differ from those estimates. The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements:

Development expenditure

The Association capitalises development expenditure in accordance with the accounting policy described on page 40. Initial capitalisation of costs is based on management's judgement when a development scheme is confirmed, usually when board approval has taken place including access to the appropriate funding. In determining whether a project is likely to cease, management monitors the development and considers if changes have occurred that result in impairment.

Categorisation of housing properties

Property assets are classified as investment property or property, plant and equipment depending on the intended use of the property.

The Association has undertaken a detailed review of the intended use of all housing properties. In determining the intended use, the Association has considered if the asset is held for social benefit or to earn commercial rentals.

Impairment

The Association has to make an assessment as to whether an indicator of impairment exists. In making the judgement, management consider the detailed criteria set out in the SORP to identify factors which are considered to be a trigger for impairment. The Association is then required to determine the level at which the recoverable amount is to be assessed. The Association has identified a cash generating unit for impairment assessment purposes at a property scheme level.

If at the time of approving the annual financial statements, management are aware of any contractors being in liquidation, and therefore risk exists to the validity of an ongoing development, Association will only recognize impairment once the future costs are known with certainty and the development has been reappraised.

Other key sources of estimation and assumptions:

Tangible fixed assets

Other than investment properties, tangible fixed assets are depreciated over their useful lives taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors. In re-assessing asset lives, factors such as technological innovation, product life cycles and maintenance programmes are taken into account. Residual value assessments consider issues such as future market conditions, the remaining life of the asset and projected disposal values.

Impairment of non-financial assets

Reviews for impairment of housing properties are carried out when a trigger has occurred and any impairment loss in a cash generating unit is recognised by a charge to the Statement of Comprehensive Income. Impairment is recognised where the carrying value of a cash generating unit exceeds the higher of its net realisable value or its value in use. A cash generating unit is normally a group of properties at scheme level whose cash income can be separately identified.

Turnover and Revenue Recognition

Turnover represents rental income receivable, amortised capital grant, revenue grants from local authorities and Homes England, income from the sale of shared ownership and other properties developed for outright sale and other income recognised in relation to the period when the goods or services have been supplied.

Rental income is recognised when the property is available for let, net of voids. Income from property sales is recognised on legal completion.

Revenue is recognised on completion if the sale of goods or services is short-term in nature. Where this is not the case, revenue is recognised in proportion to the stage of completion at the reporting date. Revenue recognition commences only when the outcome of the goods and services rendered can be reliably measured, by reference to individual terms and conditions within each service contract, and it is probable that the economic benefits associated with the contract will flow to the Association, otherwise it is recognised to the extent costs are incurred.

Supporting People contract income received from Administering Authorities is accounted for as 'Charges for support services'.

Service charge income and costs are recognised on an accruals basis. The Association operates both fixed and variable service charges on a scheme by scheme basis in full consultation with residents. Where variable service charges are used the charges will include an allowance for the surplus or deficit from prior years, with the surplus being returned to residents by a reduced charge and a deficit being recovered by a higher charge. Until these are returned or recovered they are held as creditors or debtors in the Statement of Financial Position.

Where periodic expenditure is required a provision may be built up over the years in consultation with residents. Until costs are incurred this liability is held in the Statement of Financial Position within long term creditors.

Loan Interest Costs

Loan interest costs are calculated using the effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the loan and is determined on the basis of the carrying amount of the financial liability at initial recognition.

Loan Finance Issue Costs

Loan finance issue costs are amortised over the life of the related loan. Loans are stated in the Statement of Financial Position at the amount of the net proceeds after issue, plus increases to account for any subsequent amounts amortised. Where loans are redeemed during the year, any redemption penalty and any connected loan finance issue costs are recognised in the Statement of Comprehensive Income in the year in which the redemption took place.

Value Added Tax

The Association charges VAT on some of its income and is able to recover part of the VAT it incurs on expenditure. All amounts disclosed in the financial statements are inclusive of VAT to the extent that it is suffered by the Association and not recoverable.

Tangible Fixed Assets and Depreciation

Housing properties

Housing properties are stated at cost, less accumulated depreciation. Donated land/assets or assets acquired at below market value from a government source, e.g. a local authority, are accounted for as a non-monetary government grant and are included as an asset and equal liability in the Statement of Financial Position at the fair value less consideration paid.

Housing properties under construction are stated at cost and are not depreciated. These are reclassified as housing properties on practical completion of construction.

Cost includes the cost of acquiring land and buildings, directly attributable development costs and borrowing costs directly attributable to the construction of new housing properties during their development.

The costs of shared ownership properties are split between current and fixed assets on the basis of the first tranche portion. The first tranche portion is accounted for as a current asset and the sale proceeds shown in turnover. The remaining element of the shared ownership property is accounted for as a fixed asset and subsequent sales treated as sales of fixed assets.

Freehold land is not depreciated.

Improvements to housing properties that are expected to provide incremental future benefits are capitalised and added to the carrying amount of the property. Any works to housing properties which do not replace a component or result in an incremental future benefit are charged as expenditure in the surplus or deficit in the Statement of Comprehensive Income.

Where a housing property comprises two or more major components with substantially different useful economic lives (UELS), each component is accounted for separately and depreciated over its individual UELS. Expenditure relating to subsequent replacement or renewal of components is capitalised as incurred.

The Association depreciates freehold housing properties by component on a straight-line basis over the estimated UELS of the component categories.

UELS for identified components are as follows:

Component	Years
Boilers	15
Kitchens	20
Lifts	25-30
Bathrooms	30
Doors	30
Windows	30
Roofs	60-80
Structure	100

Table 7: Useful Economic Lives.

Other fixed assets

Other tangible fixed assets are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Depreciation is charged on a straight-line basis over the expected economic useful lives of the assets at the following rates:

Asset type	Rate
Land & buildings	3.33% on cost or length of lease
Furniture, fixtures & fittings	10% per annum on cost
Office & computer equipment	25% per annum on cost
Motor vehicles	25% per annum on cost

Table 8: Fixed Asset Depreciation Rates.

Capitalisation of Interest and Administration Costs

Interest on loans financing development is capitalised up to the date of the completion of the scheme and only when development activity is in progress.

Administration costs relating to development activities are capitalised only to the extent that they are incremental to the development process and directly attributable to bringing the property into their intended use.

Property Managed by Agents

Where the Association carries the majority of the financial risk on property managed by agents, income arising from the property is included in the Statement of Comprehensive Income.

Where the agency carries the majority of the financial risk, income includes only that which relates solely to the Association.

In both cases, the assets and associated liabilities are included in the Statement of Financial Position.

Leasing

Rental payments under operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the term of the lease.

Reverse premiums and similar incentives received on leases to enter into operating lease agreements are released to Statement of Comprehensive Income over the term of the lease.

Assets held under finance leases are included in the Statement of Financial Position and depreciated in accordance with the Association's accounting policies. The present value of future rentals is shown as a liability. The interest element of rental obligations is charged to the income statement for the period of the lease in proportion to the balance of capital repayments outstanding.

Investment Property

Investment property includes commercial and other properties not held for the social benefit of the Association.

Investment property is measured at cost on initial recognition, which includes purchase cost and any directly attributable expenditure, and subsequently at fair value at the reporting date. Fair value is determined annually by external valuers and derived from the current market rents and investment property yields for comparable real estate, adjusted if necessary for any difference in the nature, location or condition of the specific asset. No depreciation is provided. Changes in fair value are recognised in the Statement of Comprehensive Income.

Stock and Properties Held for Sale

Stock of materials are stated at the lower of cost and net realisable value being the estimated selling price less costs to complete and sell. Cost is based on the cost of purchase on a first in, first out basis. Work in progress and finished goods include labour and attributable overheads.

Properties developed for outright sale are included in current assets as they are intended to be sold, at the lower of cost or estimated selling price less costs to complete and sell.

At each reporting date, stock and properties held for sale are assessed for impairment. If there is evidence of impairment, the carrying amount is reduced to its selling price less costs to complete and sell. The impairment loss is recognised immediately in the Statement of Comprehensive Income.

Debtors and Creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price.

Sinking Fund

Unexpended amounts collected from leaseholders for major repairs on leasehold schemes and any interest received are included in creditors.

Financial Instruments

Financial instruments held are classified as follows:

- Financial assets such as cash, current asset investments and receivables are classified as loans and receivables and held at cost less impairment.
- Financial liabilities such as loans are held at amortised cost using the effective interest method.
- Commitments to receive or make a loan to another entity are held at cost less impairment.

Impairment of Financial Assets

Financial assets are assessed at each reporting date to determine whether there is any objective evidence that a financial asset or group of financial assets is impaired. If there is objective evidence of impairment, an impairment loss is recognised in the Statement of Comprehensive Income immediately.

Financial instruments are assessed for impairment either individually or grouped on the basis of similar credit risk characteristics.

An impairment loss is measured as follows on the following instruments measured at cost or amortised cost:

- For an instrument measured at amortised cost, the impairment loss is the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate.
- For an instrument measured at cost less impairment, the impairment loss is the difference between the asset's carrying amount and the best estimate of the amount that the entity would receive for the asset if it were to be sold at the reporting date.

If, in a subsequent period, the amount of an impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed either directly or by adjusting an allowance account. The reversal cannot result in a carrying amount (net of any allowance account) which exceeds what the carrying amount would have been had the impairment not previously been recognised. The amount of the reversal is recognised in the Statement of Comprehensive Income immediately.

Social Housing Grant (SHG) and Other Government Grants

Where developments have been financed wholly or partly by social housing and other grants, the amount of the grant received has been included as deferred income and recognised in turnover over the estimated useful life of the associated asset structure (not land), under the accruals model. SHG received for items of cost written off in the Statement of Comprehensive Income is included as part of turnover.

When SHG in respect of housing properties in the course of construction exceeds the total cost to date of those housing properties, the excess is shown as a current liability.

SHG must be recycled by the Association under certain conditions, if a property is sold, or if another relevant event takes place. In these cases, the SHG can be used for projects approved by Homes England. However, SHG may have to be repaid if certain conditions are not met. If grant is not required to be recycled or repaid, any unamortised grant is recognised as turnover. In certain circumstances, SHG may be repayable, and, in that event, is a subordinated unsecured repayable debt.

Grants due from government organisations or received in advance are included as current assets or liabilities.

Non-Government Grants

Grants received from non-government sources are recognised under the performance model. If there are no specific performance requirements the grants are recognised when received or receivable. Where grant is received with specific performance requirements it is recognised as a liability until the conditions are met and then it is recognised as turnover.

Recycling of Capital Grant

Where SHG is recycled, as described above, the SHG is credited to a fund which appears as a creditor in the Statement of Financial Position, until used to fund the acquisition of new properties. Where recycled grant is known to be repayable it is shown as a creditor within one year in the Statement of Financial Position.

If there is no requirement to recycle or repay the grant on disposal of an asset any unamortised grant remaining within creditors is released and recognised as income within the Statement of Comprehensive Income.

Retirement Benefits

Defined benefit pensions schemes

Under defined benefit accounting, for all such schemes the Association participates in, the scheme assets are measured at fair value. Scheme liabilities are measured on an actuarial basis using the projected unit credit method and are discounted at appropriate high quality corporate bond rates. The net surplus or deficit is presented separately from other net assets on the Statement of Financial Position. The Association's Statement of Financial Position includes the net surplus or deficit, being the difference between the fair value of scheme assets and the discounted value of scheme liabilities at the balance sheet date. Surpluses are only recognised to the extent that they are considered recoverable through reduced contributions in the future or through refunds from the schemes. The current service cost and costs from settlements and curtailments are charged to operating surplus. Past service costs are recognised in the current reporting period. Interest is calculated on the net defined benefit liability. Re-measurements are reported in other comprehensive income.

Defined contribution pensions schemes

In relation to defined contribution schemes in which the Association participates in, contributions payable are charged to the Statement of Comprehensive Income in the period to which they relate.

Reserves

General reserves reflects accumulated surpluses for the Association which can be applied at its discretion for any purpose.

3. Turnover

3a) Turnover, cost of sales, operating expenditure and operating surplus.

	2023				
	Turnover £'000	Cost of sales £'000	Operating expenditure £'000	Disposal of property, plant & equipment £'000	Operating surplus £'000
Social housing lettings (Note 3c)	74,705	-	(62,752)	-	11,953
Other social housing activities:					
First tranche low cost home ownership sales	114	(60)	-	-	54
Other activities	4,340	-	(3,400)	-	940
Non-social housing activities:					
Other rental	551	-	(65)	-	486

Closing number of units at 31 March 2023	15,826

5. Profit on Disposal of Fixed Assets

	2023	2022
	£'000	£'000
Proceeds of sales	4,625	4,060
Carrying value	(1,694)	(1,761)
Incidental costs	(68)	(98)
Total profit	2,863	2,201

6. Interest Receivable

	2023	2022
	£'000	£'000
Bank interest receivable	121	13
Total	121	13

7. Interest and Financing Costs

	2023 £'000	2022 £'000
Loans and bank overdrafts	14,767	18,420
Interest capitalised on housing properties under construction	(510)	(192)
Total	14,257	18,228

The weighted average interest on borrowings of 5.1% (2022: 5.2%) was used for calculating capitalised finance costs.

8. Operating Surplus

	2023 £'000	2022 £'000
The operating surplus is stated after charging:		
Auditor's remuneration (excluding VAT):		
Audit of subsidiaries	22	22
Depreciation:		
Depreciation of housing properties	8,108	7,947
Depreciation of other fixed assets	135	130

During the period, the Association's auditors Beever and Struthers provided audit services only. Taxation services are provided by another organisation.

9. Directors' Remuneration

The group chief executive, executive directors and non-executive directors are remunerated by Jigsaw Homes Group Limited. Their costs are recharged to all Group subsidiaries on an on-going basis.

10. Employee Information

	2023	2022
The average number of persons employed during the year expressed in full time equivalents (35 hours per week) was:		
Management and administration	15	10
Housing, support and care	59	102
Other	41	55
Total	115	167

	2023 £'000	2022 £'000
Staff costs		
Wages and salaries	3,434	4,806
Social security costs	316	436
Other pension costs	426	726
Total	4,176	5,968

Aggregate number of full time equivalent staff whose remuneration (including pension contributions) exceeded £60,000 in the period:	2023	2022
£60,001 – £70,000	1	–

11. Tangible Fixed Assets

Disposals	(250)	–	–	–	(250)
At end of the year	77,670	–	2	–	77,672
Net book value:					
At 31 March 2023	458,294	21,179	872	1,121	481,466
At 31 March 2022	454,119	16,834	49	478	471,480

The weighted average interest on borrowings of 5.1% (2022: 5.2%) was used for calculating capitalised finance costs.

The Association considers its housing schemes to represent separate cash generating units (cgus) when assessing for impairment in accordance with the requirements of FRS102 and the SORP. During the current year, the Association has carried out a review of impairment. This review involved an assessment of existing social housing properties to determine if there has been any indicator of impairment in the current financial year. This review is done at a scheme level, which is deemed to be an appropriate level of a cash generating unit of housing property assets. Where any potential indicator as defined in FRS 102.27 *Impairment of Assets* is identified, a review of the affected scheme is undertaken to determine if an impairment is required.

Examples of key indicators for impairment include:

- Change in government policy, regulation or legislation which has a material detrimental impact.
- A change in demand for a property that is considered irreversible.
- Material reduction in the market value of properties intended to be sold.
- Obsolescence of a property or part of a property.

An assessment was carried out to identify impairment indicators linked to the fixed assets at year end. There were no indicators identified that required a full impairment review to be carried out using the depreciated replacement cost methodology. Therefore no impairment has been included in the Financial Statements.

Details of Social Housing Grant received during the year are provided in Note 19 on page 52.

	2023 £'000	2022 £'000
Works to existing properties in the year:		
Improvement works capitalised	4,216	3,497
Amounts charged to expenditure	32,630	24,105
Total	36,846	27,602

Other fixed assets	Land and buildings	Plant & machinery	Furniture and equipment	Total other fixed assets
	£'000	£'000	£'000	£'000
Cost				
At start of the year	9,840	65	80	9,985
Additions	-	-	80	80
At end of the year	9,840	65	160	10,065
Depreciation and impairment				
At start of the year	2,739	65	47	2,851
Charge for the year	126	-	9	135
At end of the year	2,865	65	56	2,986
Net book value:				
At 31 March 2023	6,975	-	104	7,079
At 31 March 2022	7,102	-	33	7,135

12. Investment Properties

	2023	2022
	£'000	£'000
At start of year	465	880
Loss from adjustment in value	-	(415)
At end of year	465	465

13. Stock

	2023	2022
	£'000	£'000
First tranche shared ownership properties		
Completed	251	-
Work in progress	235	228
Total	486	228

14. Trade and Other Debtors

	2023	2022
	£'000	£'000
Rent arrears	3,622	3,955
Less: provision for bad debts rents	(2,137)	(2,624)
Sub-total	1,485	1,331
Trade debtors	406	215
Less: provision for bad debts trade	(22)	(12)
Sub-total	384	203
Prepayments and accrued income	166	27
Amounts owed by group undertakings	6,373	5,941
Other debtors	66	98
Total due within one year	8,474	7,600
Total	8,474	7,600

A number of tenants in arrears are in formal repayment agreements with the Association. An assessment of the net present value of those repayment agreements was carried out. The potential adjustment identified was insignificant and was less than the provision for bad debts against those tenancies. On this basis, no adjustment has been made in the financial statements in relation to the net present value of the repayment agreements.

15. Cash and Cash Equivalents

	2023	2022
	£'000	£'000
Cash at bank	9,890	20,814
Total	9,890	20,814

Amount due to be released within one year	164	137
Amount due to be released after more than one year	21,886	19,207
Total	22,050	19,344

20. Recycled Capital Grant Fund

	2023	2022
	£'000	£'000
At the start of the year	299	222
Grants to recycle	9	77
Interest accrued	9	0
Recycling: grants recycled	(102)	–
At the end of the year	215	299

21. Share Capital

The Association is limited by guarantee and therefore has no share capital.

22. Reserves

Revenue reserves records retained earnings and accumulated losses. Share capital represents the nominal values of shares that have been issued.

23. Capital Commitments

	2023	2022
	£'000	£'000

25. Related Parties

	Expenditure	Interest	Debtors/ (Creditors)
	£'000	£'000	£'000
Cavendish Property Developments	-	-	(10)
Jigsaw Homes Group	(29,789)	-	3,268
Jigsaw Homes North	-	-	999
Jigsaw Support	-	-	206
Jigsaw Treasury Limited	-	(18,259)	(288,588)
Palatine Contracts	(9,590)	-	(777)

The Jigsaw Group Structure is shown in Note 1.

Jigsaw Homes Group Limited provides core administration, finance, development, management and maintenance services for each of the Group's subsidiaries. All transactions are recharged from the Group under a management agreement at an agreed return on cost.

During the year one tenant of the Association, Janet Mutch, served as a member of the board. Their tenancy is on normal social housing terms and they were unable to use their position on the board to their advantage.

The Association alongside fellow registered provider members of the Group jointly and severally provides a guarantee that forms part of the security for the Group's borrowing arranged through Jigsaw Treasury Limited.

26. Financial Instruments

	2023 £'000	2022 £'000
