## Kenton School Services Limited Directors' report for the period ended 31 December 2004

The directors present their report and the audited financial statements for the nine month period ended 31 December 2004.

### Results, principal activities and review of business

The company entered into a PFI contract in January 2001 with the governing body of The Jews Free School and the London Borough of Brent to design, build and finance the Jewish Free School in Brent and to provide related facilities management services for the 25 years concession term. The construction phase was completed during August 2002. The service phase of the contract is now in progress and is expected to generate income in accordance with contractual arrangements.

On 8 April 2004, Jarvis plc disposed of their entire shareholding in Jarvis PFI Holdings Limited (the company's immediate parent undertaking) to PFI Investments Limited, a company beneficially owned and controlled by Secondary Market Infrastructure Fund UK LP, acting through its general partner SMIF UK Limited (collectively referred to as "SMIF").

The loss for the period attributable to shareholders which has been dealt with in the financial statements is £128,000 (Year ended 31 March 2004: Loss of £563,000).

Notwithstanding the loss for the period and the net liabilities position as at 31 December 2004, the directors consider that both the level of business and the period-end financial position were satisfactory.

In line with the current contractual circumstances of the company, a financial model covering the periods up to September 2027 has been produced. From this model the directors are satisfied the company will generate positive cashflows and profits over the life of the contract.

#### Events since the balance sheet date

On 2 March 2005, SMIF exercised a call option to purchase the legal ownership of PFI Investments (Holdings) Limited (PFI Investments Limited's immediate parent undertaking).

#### **Dividends**

The directors are unable to recommend the payment of a dividend.

#### Directors and their interests

The directors holding office during the period ended 31 December 2004 are shown below:

A E Birch (resigned 7 June 2004 as alternate director to R N Johnson; re-appointed director 7

June 2004; resigned 27 August 2004; re-appointed director 8 November 2004)

W R Doughty (appointed 26 August 2004)

R S McClatchey

P McCulloch (appointed 8 November 2004, as alternate director to A E Birch and W R Doughty)

P H Gardiner (resigned 7 June 2004) R N Johnson (resigned 15 June 2004)

P G Milner (appointed 7 June 2004 alternate director to R N Johnson; resigned 15 June 2004)

At 31 December 2004, none of the directors had any beneficial interest in the shares of the company.

## Employee involvement

The company operates through sub contracting services and does not directly employ any staff.

## Creditor payment terms

When entering into commitments for the purchase of services and goods the company gives due consideration to quality, price and the terms of payment. Suppliers are made aware of these terms. The company abides by these terms where it is satisfied that suppliers have provided the services or goods in accordance with such agreed terms and conditions. In the event of disputes, every effort is made to resolve these quickly.

### Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the company as at the end of the financial period and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required:

- to select suitable accounting policies and then apply them consistently;
- to make judgements and estimates that are reasonable and prudent; and
- to prepare financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors confirm that the financial statements comply with these requirements.

The directors are responsible for ensuring that proper accounting records are kept which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Auditors

Having passed elective resolutions of the shareholders at an extraordinary general meeting the company is exempt from the obligation to annually re-appoint auditors and to hold annual general meetings. Accordingly the board recommend that Ernst & Young LLP continue in office as auditors to the company.

By order of the board

## Kenton School Services Limited Independent auditors' report to the members of Kenton School Services Limited

We have audited the company's financial statements for the period ended 31 December 2004 which comprise the Profit and Loss Account, Balance Sheet and the related notes 1 to 17. These financial statements have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the financial statements in accordance with applicable United Kingdom law and accounting standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

#### Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

# Kenton School Services Limited Independent auditors' report to the members of Kenton School Services Limited (continued)

### Basis of audit opinion (continued)

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### **Opinion**

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 31 December 2004 and of its loss for the period then ended and have been properly prepared in accordance with the Companies Act 1985.

### 1. Principal accounting policies

### (a) Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards and the Companies Act 1985.

### (b) Going Concern

The directors have reviewed the company's projected profits and cashflows by reference to a financial model covering accounting periods up to September 2027. Having examined the current status of the company's principal contracts and likely developments in the foreseeable future the directors consider that the company will be able to settle its liabilities as they fall due and accordingly the financial statements have been prepared on a going concern basis.

### (c) Cash flow statement

The company has taken advantage of the exemption available under FRS 1 (revised) for small entities and has not prepared a cash flow statement.

#### (d) Finance receivable

The company has adopted the provisions of FRS 5 (Application note F) in determining the appropriate treatment of the principal asset of the company. After due consideration the company has accounted for attributable expenditure as a finance receivable asset. All attributable expenditure during the construction phase of the project, including net finance costs, is included in the cost of the finance asset. The amortisation of the finance asset is calculated to write off the cost over the operational phase of the contract.

#### (e) Interest rate swaps

Interest rate swaps are used to hedge the company's exposure to movements on interest rates. The interest payable on such swaps is accrued in the same way as interest arising on the related borrowings.

#### (f) Taxation

#### (i) Current tax

The charge for current taxation for the period is based on the loss for the period, adjusted for disallowable items.

### (ii) Deferred tax

Full provision has been made for deferred taxation in respect of timing differences that have originated, but not reversed at the balance sheet date where an event has occurred that results in an obligation to pay more or less tax in the future by the balance sheet date except that:

## 1. Principal accounting policies (continued)

## (f) Taxation (continued)

### (ii) Deferred tax (continued)

- Provision is made for gains on disposal of assets that have been rolled over into replacement assets only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned.
- Deferred tax assets are recognised to the extent that it is more likely than not that there
  will be suitable taxable profits from which the future reversal of the underlying timing
  differences can be deducted.

Deferred tax is measured on a non-discounted basis at the tax rates that are expected to apply in the periods in which the timing differences reverse, based on the tax rates enacted at the balance sheet date.

### (g) Debt issue costs

Debt issue costs incurred have been offset against the related debt and will be charged to the profit and loss account at a constant rate on the carrying value of the debt.

#### 2. Turnover

Turnover represents income, excluding VAT, from facilities management services.

#### 3. Directors' remuneration

The remuneration of the directors is paid by the controlling party and their services to this company are of a non-executive nature. Their remuneration is deemed to be wholly attributable to their services to the respective controlling party.

#### 4. Audit fees

The operating result for the period ended 31 December 2004 is stated after auditors' remuneration of £10,000. The audit fees for the year ended 31 March 2004 were borne by a company within the Jarvis plc Group, with an appropriate amount being recharged to other parties.

### 5. Employee information

There were no persons employed by the company at any time during the period (Year ended 31 March 2004: None).

## (b) Factors affecting current tax charge

The tax assessed for the period is higher than the standard rate of corporation tax in the UK of 30%. The differences are explained below:

	Period ended 31 December 2004 £'000	Year ended 31 March 2004 £'000
Loss on ordinary activities before taxation	(128)	(610)
Loss on ordinary activities multiplied by the standard rat of corporation tax in the UK of 30%.	e (38)	(183)

### (c) Factors that may affect future tax charges

A deferred tax asset of £4,116,000 (31 March 2004: £4,080,000) in respect of available tax losses has not been recognised at 31 December 2004. This is due to there being no persuasive and reliable evidence available at this time of suitable profits to offset these losses.

The equity bridge debt interest rate is fixed at a rate of 6.25% per annum. The equity bridge debt will be replaced by subordinated loan notes in favour of Barclays Infrastructure Limited on 3 September 2007. These loan notes will be subordinated to the right of payment of senior debt providers with an interest rate fixed at 12% per annum. The loan notes will be repaid over the 20 years following their issue.

## 12. Creditors: amounts falling due after more than one year (continued)

The senior and equity bridge loans are secured by way of a first fixed charge over the finance receivable asset. Furthermore, the terms of the senior debt facility agreement provide that the lender will seek repayment of the finance, as to both principal and interest, only to the extent that sufficient funds are generated by the specific asset financed and not seek recourse to the company in any other form. The company is not obliged to support any losses, nor does it intend to do so, other than those incurred for reasons of timing or other short term factors.

### 16. Related party transactions

During the period ended 31 December 2004 the company incurred costs of £960,000 (Year ended 31 March 2004: £1,226,000) in respect of services provided by Jarvis plc and its subsidiary undertakings. An amount of £224,000 (31 March 2004: £66,000) remains outstanding at the balance sheet date to Jarvis plc and its subsidiary undertakings and is included within creditors falling due within one year.

The company has entered into loan agreements with Barclays Bank plc, a wholly owned subsidiary of Barclays plc, the amounts and terms of which are disclosed in Note 12 and has incurred net finance charges as disclosed in Note 7 to the financial statements. Until December 2003, Barclays plc exercised joint control with Jarvis plc over Kenton School Services Limited. For this reason Barclays Bank plc and Kenton School Services Limited were considered to be related parties during the year ended 31 March 2004. During the period ended 31 December 2004, the company incurred costs of £Nil (Year ended 31 March 2004: £37,000) in respect of other services provided by Barclays Bank plc and subsidiary undertakings. An amount of £Nil (Year ended 31 March 2004: £22,000) remained outstanding at 31 December 2004 and was included within creditors falling due within one year.

### 17. Ultimate parent undertaking and controlling party

The company's immediate parent undertaking is Jarvis PFI Holdings Limited, a joint venture set up by Jarvis plc and Barclays Infrastructure Limited (acting in its capacity as general partner of the Barclays UK Infrastructure Fund Limited Partnership).

With effect from 10 December 2003, Star Capital Partners Limited (acting in its capacity as general partner of STAR 1 UK Limited Partnership No.1) purchased a controlling interest in the Barclays UK Infrastructure Fund.

With effect from 8 April 2004, Jarvis plc disposed of their entire shareholding in Jarvis PFI Holdings Limited to PFI Investments Limited, a company beneficially owned and controlled by Secondary Market Infrastructure Fund UK LP, acting through its general partner SMIF UK Limited (collectively referred to as "SMIF").

## 17. Ultimate parent undertaking and controlling party (continued)

On 2 March 2005, SMIF exercised a call option to purchase the legal ownership of PFI Investments (Holdings) Limited (PFI Investments Limited's immediate parent undertaking).

The largest and smallest group to consolidate these financial statements is Star Infrastructure Investments LLP. Copies of Star Infrastructure Investments LLP's consolidated financial statements may be obtained from Star Infrastructure Investments LLP, Second Floor, Aylesbury House, 17-18 Aylesbury Street, London, EC1R 0DB.

In the directors' opinion, the ultimate parent undertaking and controlling party is Starsmif Investments Luxembourg Särl, a company incorporated in Luxembourg.
