Notes to the financial statements for the year ended 31 December 2015

1 Accounting policies

Basis of accounting

The Financial Reporting Council has issued FRS 100 Application of Financial Reporting Requirements, FRS 101 Reduced Disclosure Framework and FRS 102 The Financial Reporting Standard applicable in the UK and Ireland. These standards are applicable to all companies and entities in the UK and Republic of Ireland, other than listed groups which continue to report under EU-adopted International Financial Reporting Standards (IFRS), for accounting periods beginning on or after 1 January 2015.

FRS 100 sets out the overall financial reporting framework for companies in the UK and Ireland. FRS 101 applies to the individual financial statements of subsidiaries and ultimate parents, allowing them to apply the same accounting policies as in their listed group accounts, but with fewer disclosures. FRS 102 is a single financial reporting standard that applies to the financial statements of entities that are not applying EU-adopted IFRS, FRS 101 or the FRSE.

The Company is dormant within the meaning of the Companies Act 2006 and in accordance with the requirements of FRS 102 paragraph 35.10(m) will retain its historic accounting policies for reported assets, liabilities and equity at the date of transition until there is any change to those balances or the company undertakes any new transaction.

The financial statements are prepared under the historical cost convention.
