**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023**

1. STATUTORY INFORMATION

Carisbrooke Investments General Partner Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

These financial statements cover the entity as an individual company.

The figures in the financial statements are rounded to the nearest £.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006.

3. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared under the historical cost convention.

The entity is part of a group of entities ('group companies'), that are subject to common control by virtue of the common key management team and common beneficial ownership (the latter being referred to as 'ultimate beneficiaries'), which includes, but is not limited to, Carisbrooke Investments Limited Partnership, Carisbrooke Investments General Partner Limited and Carisbrooke Arkle Limited Liability Partnership. The overall indebtedness of these entities and the cross guarantees entered into by them mean that in effect this entity is a going concern only if all the entities under common control are a going concern, given that the recoverability of the debtors of this entity, and hence the ability of the entity to settle its debts as they fall due, relies upon the financial performance of these entities under common control. The loan is in default, is therefore repayable on demand at the option of the lender, and is secured on the assets to which it relates.

The financial statements of the entity and of the group companies have not been prepared on a going concern basis. This is on the basis that funds generated from the operations of the entities are, in principle, due to the bank in full as a consequence of the loans being in default and repayable on demand at the option of the lender. At present the bank is permitting the directors to utilise an appropriate proportion of these funds to meet the day to day obligations of the group. However the Directors and/or General Partners of the group companies are of the opinion that they cannot conclude with reasonable certainty that the bank will continue to do so for the foreseeable future, nor that the funds made available in such a way can meet the obligations of the group companies as and when they fall due. Accordingly these financial statements are drawn up on a break up basis. Appropriate adjustments have been made to the carrying values of assets and liabilities to reflect this basis of preparation.

Preparation of consolidated financial statements

The financial statements contain information about Carisbrooke Investments General Partner Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company is exempt under Section 399(2A) of the Companies Act 2006 from the requirements to prepare consolidated financial statements.

Investments

Investments are stated at cost less provision for impairment.
