NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 DECEMBER 2009

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention

The financial statements have been prepared on the going concern basis. This is considered appropriate as the ultimate beneficial shareholders will continue to provide financial support to the company for the foreseeable future.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

1.2 Turnover

Turnover represents income derived from the company's principal activity.

1.3 Foreign currency translation

The company's accounting records are maintained in Euro.

Transactions in other currencies are converted at the rate ruling at the date of the transaction. Current assets and liabilities are converted at the rate of exchange ruling at the balance sheet date. Any material gains or losses resulting from the conversion are taken to the profit and loss account.

1.4 Related Business

The total related business in which the company was involved amounted to €318,365.
