For the year ending 30 June 2016 the company was entitled to exemption under section 480 of the Companies Act 2006 relating to dormant companies.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime and in accordance with the Financial Reporting Standard for Smaller Entities (effective 2015).

The members have not required the company to obtain an audit in accordance with section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

Approved and authorised for issue by the Board on 26 January 2017 and signed on its behalf by:

Mr D Caplan  
Director

**1 Accounting policies**

**Trading status**

The company was dormant and has not traded during the year.

**Going concern**

The financial statements have been prepared on a going concern basis. The company is reliant on the support of the directors. If this support was withdrawn the company would be unable to continue in operational existence. Adjustments would then have to be made to reduce the balance sheet values of assets to their net recoverable amounts and to provide for any further liabilities that may arise. The company is unable to quantify the effect of such adjustments on the financial statements. The director believes that it is appropriate for the financial statements to be prepared on going concern basis.

**Financial instruments**

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.
