Close Motor Company Limited Statement of Financial Position (continued) As At 31 December 2022

For the year ending 31 December 2022 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

The members have not required the company to obtain an audit in accordance with section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies' regime.

The company has taken advantage of section 444(1) of the Companies Act 2006 and opted not to deliver to the registrar a copy of the company's Income Statement.

On behalf of the board

Mr S Close

Director

24th August 2023

The notes on pages 3 to 7 form part of these financial statements.

1. General Information

Close Motor Company Limited is a private company, limited by shares, incorporated in England & Wales, registered number 03823504. The registered office is 7/11 High Street, Corby, Northamptonshire, NN17 1UX.

The company does not have a single trading address.

The presentation currency of the financial statements is Pound Sterling (£).

Amounts in the financial statements are rounded to the nearest £.

The principal activity of company is that of a motor dealership.

2. Accounting Policies

2.1. Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 section 1A Small Entities "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

2.2. Turnover

Turnover from the sale of goods is recognised in the Income Statement, net of discounts and value added tax, when the significant risks and rewards of ownership have been transferred to the buyer. In general this occurs when vehicles or parts have been supplied or when a service has been completed.

Incentives received from manufacturers in respect of target achievements are accounted for as a deduction from the cost of the vehicles or parts to which they relate.

Commission income is accounted for on a receivable basis.

2.3. Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold 3% Straight line
Plant & Machinery 25% Reducing balance
Motor Vehicles 25% Reducing balance
Fixtures & Fittings 25% Reducing balance
Computer Equipment 25% straight line

Freehold land is not depreciated.

2.4. Investment Properties

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Income Statement.

2.5. Stocks and Work in Progress

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks.

Consigned vehicles, which due to the significant risks and responsibilities of ownership passing to the company are regarded effectively as being under the control of the company, are included within stocks on the Statement of Financial Position although legal title has not passed to the company. The corresponding liability is included within trade creditors and is secured directly on those vehicles.

2.6. Financial Instruments

The company has basic financial instruments:-

Debtors

Debtors are measured at transaction price less any impairment.

Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank and other loans, are measured at amortised cost.

2.7. Taxation

Taxation for the year comprises current and defened tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in Other Comprehensive Income or directly in Equity.

Current tax is recognised at the amount of tax payable using the tax rates and laws that that have been enacted or substantively enacted by the reporting date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the reporting date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different ftom those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other defened tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

2.8. Pensions

The company operates a defined pension contribution scheme. Contributions are charged to the income statement in the period to which they relate.

2.9. Government Grant

Furlough grant income under the Coronavirus Job Retention Scheme and other Local Authority Coronavirus Grants were accounted for in "Other operating income" on a receivable basis.

In the year, Coronavirus Job Retention Scheme receipts were £nil (2020: £107,618). The company also benefitted from rates relief from 1 April 2020 to 30 June 2021.
