Corus Engineering Limited

Directors' report for the financial year ended 31 March 2008

The directors present herewith their report and balance sheet for the financial year ended 31 March 2008.

Review of business and main activities

The company has not traded during the year and has therefore made neither profit nor loss. All expenses of the company are borne by Corus UK Limited.

Accounting reference date

On 27 November 2007 the Company changed its accounting reference date from December to March to align with its ultimate parent company Tata Steel Limited. These financial statements have therefore been prepared for the 15 month period to 31 March 2008. All comparative information shown is for the 12 month period to 30 December 2006.

Principal risks and uncertainties

Group risks are discussed in the Tata Steel UK Limited Annual report, which does not form part of this report.

Environment

The Company recognises the importance of its environmental responsibilities, monitors its impact on the environment, and designs and implements policies to reduce any damage that might be caused by the Group's activities. The Company operates in accordance with Tata Steel UK Limited Group policies. Activities designed to minimise the Company's impact on the environment include improving our energy use efficiency and reducing the production of waste (both hazardous and non-hazardous).

Employees

The Company has no employees, as shown in Note 3 of this report on page 4.

Directors & directors' interests

The directors of the company during the period are listed on page 1. The directors had no interest, as defined by the Companies Act 1985, in the shares of any other member of the group during the year covered by these financial statements.

For the year ended 31 March 2008 the company was entitled to exemption under section 249AA(1) of the Companies Act 1985.
