#### 1 ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements

#### Basis of preparation

These financial statements have been prepared in accordance with the Companies Act 2006, UK applicable accounting standards and applicable Statements of Recommended Practice. The particular accounting policies are described below

## (a) CONVENTION

These financial statements are prepared in accordance with the historical cost convention

#### (b) INTEREST INCOME AND EXPENSES

Interest income and expense is accounted for on an accrual basis

#### (c) FIXED ASSET INVESTMENTS (Foreign Currency)

Investments in group undertakings of a monetary nature are recorded at cost in the currency of purchase and revalued at the exchange rate current at the balance sheet date if there are related foreign currency borrowings or if there is derivative instrument hedging the foreign currency investment at the exchange rate implicit in the hedge

#### (d) FIXED ASSET INVESTMENTS (Other)

Fixed asset investments are held at cost less provision for any impairment in value. Any such provision is charged to the profit and loss account in the period in which it arises

#### (e) TAXATION

The charge for taxation is based on profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS19

#### (f) CASH FLOW STATEMENT

The Company is exempt from the requirement to prepare a cash flow statement under Financial Reporting Standard 1 (Revised 1996) as it is a wholly owned subsidiary undertaking of a company which prepares consolidated financial statements which are publicly available

## (g) GROUP ACCOUNT EXEMPTION

As the Company is a wholly owned subsidiary undertaking of Deutsche Bank AG, which is incorporated in the EU and which publishes consolidated financial statements, and as its immediate parent undertaking is also incorporated in the EU, it is exempt under sections 400, 401 and 402 of the Companies Act 2006 from the requirement to prepare group financial statements. Accordingly, these statutory financial statements present information about the Company as an individual undertaking and not about its group.

### (h) FOREIGN EXCHANGE

Transactions in foreign currencies are translated into Pounds Sterling at the dates of transactions. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are translated at the rates ruling at that date. These translation differences are dealt with in the profit and loss account.

## (i) GOING CONCERN

The Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

## 2 DIRECTORS' REMUNERATION

The aggregate emoluments of persons who were Directors of the Company during the year ended 31 December 2010 including pension contributions were £nil (2009 £nil)

## 3 ADMINISTRATIVE EXPENSES

The total staff costs have been borne by a Deutsche Bank Group company without recharge, no staff costs have therefore been included in these financial statements (2009. £nil)
