**Accounting estimates and judgements** -The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies.

**Going concern** - The Company's parent company, has confirmed that it will continue to provide financial support to the Company if needed. The directors consider that this should enable the Company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. However, as with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue.

The Company is expected to continue to generate positive cash flows on its own account for the foreseeable future. The Company participates in the Pendragon group's centralised treasury arrangements and so shares banking arrangements with its parent and fellow subsidiaries.

The directors, having assessed the responses of the directors of the Company's parent Pendragon PLC to their enquiries have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Pendragon group to continue as a going concern or its ability to continue with the current banking arrangements.

On the basis of their assessment of the Company's financial position and of the enquiries made of the directors of Stratstone.com Limited, the Company's directors have a reasonable expectation that the company will be able to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.
