Principal activities

Regent's Park Mortgage Funding Limited (the "Company") is a wholly owned subsidiary of Kensington Group plc ("Kensington"). The Company operates as part of the group of companies owned by Kensington ("Group"). The Company's principal activity is the provision of funding for mortgage loans secured by first or second charges over residential properties in the United Kingdom and their subsequent securitisation or sale. The mortgage loans are made by its agent Kensington Mortgage Company Limited, which is also a wholly owned subsidiary of Kensington. The mortgage loans are periodically sold into securitisation transactions or whole loan sales arranged by Kensington.

As at the end of the current financial period the Company has not yet re-commenced trading.

Kensington Group plc is a subsidiary of Investec plc (the "ultimate Parent company").

Kensington manages its operations on a group-wide basis and therefore the Company's Directors believe that key performance indicators for the Company are not necessary or appropriate for an understanding of the development, performance or position of the business. The performance of the Group's mortgage lending activities, which included the Company, is discussed in the Investec plc annual report which does not form part of this report. The Directors do not recommend the payment of a dividend for the period.
