All members of the Board serving as at 31 December 2000 retire, but, being eligible, offer themselves for re-election.

Statement of Directors' Responsibilities

Company law requires the directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the company at the end of the period and of the surplus or deficit for the period then ended.

In preparing those financial statements, the directors are required to select suitable accounting policies, as described on page 7, and then apply them consistently, making judgements and estimates that are reasonable and prudent; state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements and prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the Financial Statements comply with the Companies Act 1985. The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Allotment, transfer and transmission of shares

The company is a private company. The authorised share capital consists of sixty-eight ordinary £1 shares. This is the same as the number of residential flats in the building Victoria Wharf. Under the provisions of the Memorandum and Articles of Association of the company the unissued shares shall be under the control of the directors. The directors may require that each owner make a loan to the company as a condition for allotment of a share. All sums payable to the company in respect of the allotment of any share shall be paid in full on or before the date of the allotment and no share shall be allotted other than as a fully-paid share. No owner shall be registered as the holder of more than one share for each flat of which he is the owner and no share shall be allotted to a person other than an owner.

Auditors

In accordance with section 385 of the Companies Act 1985, a resolution that Moore Stephens be re-appointed as the company's auditor will be put to the Annual General Meeting.

REPORT OF THE AUDITORS TO THE MEMBERS OF VICTORIA WHARF (LIMEHOUSE) LIMITED

We have audited the financial statements on pages 5 to 7 which have been prepared under the historical cost convention and the accounting policies set out on page 7.

Respective Responsibilities of Directors and Auditors

As described on page 2 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 December 2000 and of its results for the period then ended and have been properly prepared in accordance with the Companies Act 1985.
