(a) Each Chargor must:

- (i) as soon as reasonably practicable within three Business Days of the date of this deed serve a notice of assignment, substantially in the form of part 1 of schedule 8 (Forms of Letter for Insurers), on each counterparty to an Insurance; and
- (ii) use reasonable endeavours to ensure that such counterparty acknowledges that notice, substantially in the form of part 2 of schedule 8 (Forms of Letter for Insurers).

(b) In the case of an insurance policy under which a Chargor acquires an interest after the date of this deed the relevant Chargor must:

- (i) serve notice in such form on the relevant insurer within five Business days of the relevant insurance becoming effective or such Chargor acquiring an interest in such insurance (as the case may be); and
- (ii) use reasonable endeavours to ensure that such counterparty acknowledges that notice, substantially in such form.

9. Other Contracts

Each Chargor must:

(a) as soon as reasonably practicable within three Business Days of:

- (i) a request from the Security Agent in respect of any Recent Development Document or Historic Development Document; and
- (ii) the date of this deed in respect of each other contract;

serve a notice of assignment or charge (as applicable), substantially in the form of part 1 of schedule 9 (Forms of Letter for Other Contracts) (a "**Relevant Agreement Notice**"), on each counterparty to a contract listed in clause 2.9 (Other contracts); and

(b) use reasonable endeavours to ensure that each such party acknowledges that notice, substantially in the form of part 2 of schedule 9 (Forms of Letter for Other Contracts).

10. Future Security Assets

In the case of an account or a Relevant Contract that is entered into, opened or designated as such (as the case may be) after the date of deed, the relevant Chargor shall serve a Blocked Account notice, an Unblocked Account notice or a Relevant Agreement notice (as appropriate) on the relevant account bank or contract counterparty or counterparties within five Business Days of the relevant entering into, designation or account opening.

11. Undertakings relating to the Security Assets

11.1 Powers of leasing

Each Chargor's statutory and any other powers of entering into Lease Documents and accepting or agreeing to accept surrenders of Lease Documents are excluded except to the extent (if any) specifically provided in the Facility Agreement.

11.2 Failure to comply

If a Chargor fails to comply with any of its obligations under this deed (subject to any relevant grace periods) the Security Agent may take such steps as it considers appropriate to procure compliance with such obligations at the cost of the relevant Chargor.

12. When Security Becomes Enforceable

12.1 Event of Default

This Security will become immediately enforceable if an Event of Default occurs and is continuing.

12.2 Discretion

After this Security has become enforceable, or at the request of a Chargor, the Security Agent may enforce all or any part of this Security in any manner it sees fit or as instructed in accordance with the Facility Agreement.

12.3 Statutory powers

The power of sale and other powers conferred by section 101 of the Act, as amended by this deed, will arise on the date of this deed and be immediately exercisable at any time after this Security has become enforceable.

13. Enforcement of Security

13.1 General

- (a) For the purposes of all powers implied by statute, the Secured Liabilities are deemed to have become due and payable on the date of this deed.
- (b) Section 103 of the Act (restricting the power of sale) and section 93 of the Act (restricting the right of consolidation) do not apply to this Security.
- (c) The statutory powers of leasing conferred on the Security Agent are extended so as to authorise the Security Agent to lease, make agreements for leases, accept surrenders of leases and grant options as the Security Agent may think fit and without the need to comply with any provision of section 99 or section 100 of the Act.

13.2 No liability as mortgagee in possession

Neither the Security Agent nor any Receiver will be liable, by reason of entering into possession of a Security Asset, to account as mortgagee in possession or for any loss on realisation or for any default or omission for which a mortgagee in possession might be liable.

13.3 *Losses on enforcement*

Other than defaults arising as a result of the fraud or wilful default of a Secured Party, no Secured Party will be liable to any Chargor for any loss or damage arising from:

- (a) any sale of any Security Assets;
- (b) any act, default or omission of any Secured Party in relation to any Security Assets; or
- (c) any exercise or non-exercise by any Secured Party of any power conferred upon it in relation to any Security Assets by or pursuant to this deed or by the Act,

unless such loss or damage is caused by the fraud, gross negligence or wilful misconduct of such Secured Party.

13.4 *Privileges*

The Security Agent and each Receiver is entitled to all the rights, powers, privileges and immunities conferred by the Act on mortgagees and receivers duly appointed under the Act, except that section 103 of the Act does not apply.

13.5 *Protection of third parties*

No person (including a purchaser) dealing with the Security Agent or a Receiver or its or his/her agents will be concerned to enquire:

- (a) whether the Secured Liabilities have become payable;
- (b) whether any power which the Security Agent or a Receiver is purporting to exercise has become exercisable or is being properly exercised;
- (c) whether any money remains due under the Finance Documents; or
- (d) how any money paid to the Security Agent or to that Receiver is to be applied.

13.6 *Redemption of prior mortgages*

(a) At any time after this Security has become enforceable, the Security Agent may:

- (i) redeem any prior Security against any Security Asset; and/or
- (ii) procure the transfer of that Security to itself; and/or
- (iii) settle and pass the accounts of the prior mortgagee, chargee or encumbrancer; any accounts so settled and passed will be, in the absence of manifest error, conclusive and binding on the Chargors.

(b) Each Chargor must pay to the Security Agent, immediately on demand, the costs and expenses incurred by the Security Agent in connection with any such redemption and/or transfer, including the payment of any principal or interest.

13.7 *Contingencies*

If this Security is enforced at a time when no amount is due under the Finance Documents but at a time when amounts may or will become due, the Security Agent (or a Receiver) may pay the proceeds of any recoveries effected by it into a suspense

account or other account selected by it until the Secured Liabilities have been irrevocably discharged in full.

13.8 *Financial collateral*

- (a) To the extent that the Security Assets constitute "financial collateral" and this deed and the obligations of each Chargor under this deed constitute a "security financial collateral arrangement" (in each case, for the purpose of and as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003), the Security Agent will have the right after this Security has become enforceable to appropriate all or any part of that financial collateral in or towards the satisfaction of the Secured Liabilities.
- (b) Where any financial collateral is appropriated:
 - (i) if it is listed or traded on a recognised exchange, its value will be taken as being the value at which it could have been sold on the exchange on the date of appropriation; or
 - (ii) in any other case, its value will be such amount as the Security Agent reasonably determines having taken into account advice obtained by it from an independent commercial property adviser, investment bank or accountancy firm of national standing selected by it,

and each Finance Party will give credit for the proportion of the value of the financial collateral appropriated to its use.

- (a) Each Chargor agrees that the method of valuation provided for above is commercially reasonable for the purposes of the Financial Collateral Arrangements (No. 2) Regulations 2003.

14. **Receiver**

14.1 *Appointment of Receiver*

- (a) Except as provided below, the Security Agent may appoint any one or more persons to be a Receiver of all or any part of the Security Assets if:
 - (i) this Security has become enforceable; or
 - (ii) a Chargor so requests to the Security Agent at any time.
- (b) Any appointment under paragraph (a) above may be by deed, under seal or in writing under its hand.
- (c) Except as provided below, any restriction imposed by law on the right of a mortgagee to appoint a Receiver (including under section 109(1) of the Act) does not apply to this deed.
- (d) The Security Agent is not entitled to appoint a Receiver solely as a result of the obtaining of a moratorium (or anything done with a view to obtaining a moratorium) under Part A1 of the Insolvency Act 1986 other than in respect of a floating charge referred to in subsection (4) of section A52 of Part A1 of the Insolvency Act 1986.
- (e) The Security Agent may not appoint an administrative receiver (as defined in section 29(2) of the Insolvency Act 1986) over the Security Assets if the Security

Agent is prohibited from so doing by section 72A of the Insolvency Act 1986 and no exception to the prohibition on appointing an administrative receiver applies.

14.2 *Removal*

The Security Agent may by writing under its hand (subject to any requirement for an order of the court in the case of an administrative receiver) remove any Receiver appointed by it and may, whenever it thinks fit, appoint a new Receiver in the place of any Receiver whose appointment may for any reason have terminated.

14.3 *Remuneration*

The Security Agent may fix the remuneration of any Receiver appointed by it and the maximum rate specified in section 109(6) of the Act will not apply.

14.4 *Agent of the Chargors*

- (a) A Receiver will be deemed to be the agent of the relevant Chargor for all purposes and accordingly will be deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Act. The relevant Chargor alone is responsible for any contracts, engagements, acts, omissions, defaults and losses of a Receiver and for any liabilities incurred by a Receiver other than defaults arising as a result of the fraud or wilful default of a Receiver.
- (b) No Secured Party will incur any liability (either to a Chargor or to any other person) by reason of the appointment of a Receiver or for any other reason.

14.5 *Relationship with Security Agent*

To the fullest extent allowed by law, any right, power or discretion conferred by this deed (either expressly or impliedly) or by law on a Receiver may after this Security becomes enforceable be exercised by the Security Agent in relation to any Security Asset without first appointing a Receiver and notwithstanding the appointment of a Receiver.

15. **Powers of Receiver**

15.1 *General*

- (a) A Receiver has all of the rights, powers and discretions set out below in this clause 15 in addition to those conferred on it by any law. This includes:
 - (i) in the case of an administrative receiver, all the rights, powers and discretions conferred on an administrative receiver under the Insolvency Act 1986; and
 - (ii) otherwise, all the rights, powers and discretions conferred on a receiver (or a receiver and manager) under the Act and the Insolvency Act 1986.
- (b) If there is more than one Receiver holding office at the same time, each Receiver may (unless the document appointing him/her states otherwise) exercise all of the powers conferred on a Receiver under this deed individually and to the exclusion of any other Receiver.

15.2 *Possession*

15.5 *Borrow money*

A Receiver may raise and borrow money either unsecured or on the security of any Security Asset either in priority to this Security or otherwise and generally on any terms and for whatever purpose which he/she thinks fit.

15.6 *Sale of assets*

- (a) A Receiver may sell, exchange, convert into money and realise any Security Asset by public auction or private contract and generally in any manner and on any terms which he/she thinks fit.
- (b) The consideration for any such transaction may consist of cash or non-cash consideration and any such consideration may be payable in a lump sum or by instalments spread over any period which he/she thinks fit.
- (c) Fixtures, other than landlord's fixtures, may be severed and sold separately from the property containing them without the consent of a Chargor.

15.7 *Leases*

A Receiver may let any Security Asset for any term and at any rent (with or without a premium) which he/she thinks fit and may accept a surrender of any lease or tenancy of any Security Asset on any terms which he/she thinks fit (including the payment of money to a lessee or tenant on a surrender).

15.8 *Compromise*

A Receiver may settle, adjust, refer to arbitration, compromise and arrange any claim, account, dispute, question or demand with or by any person who is or claims to be a creditor of a Chargor or relating in any way to any Security Asset.

15.9 *Legal actions*

A Receiver may bring, prosecute, enforce, defend and abandon any action, suit or proceedings in relation to any Security Asset which he/she thinks fit.

15.10 *Receipts*

A Receiver may give a valid receipt for any moneys and execute any assurance or thing which may be proper or desirable for realising any Security Asset.

15.11 *Subsidiaries*

15.13 *Lending*

A Receiver may lend money or advance credit to any person.

15.14 *Protection or improvement of assets*

- (a) effect any repair or insurance and do any other act which a Chargor might do in the ordinary conduct of its business to protect or improve any Security Asset;
- (b) commence and/or complete any building operation; and
- (c) apply for and maintain any planning permission, building regulation approval or any other Authorisation,

in each case as he/she thinks fit.

15.15 *Development*

A Receiver may do anything which such Receiver in his absolute discretion considers necessary or desirable for completing any Capex Project including continuing and performing such Capex Project, or any part of it, or any other development, entering into a building contract or other contract or agreement for or relating to the Capex Project, or any part of it, or any other development, purchasing such materials and other articles and things as he may think fit in connection with the Capex Project, discontinuing the Capex Project or any part of it, or any other development, and repudiating and rescinding any building contract or other contract or agreement.

15.16 *Other powers*

A Receiver may:

- (a) do all other acts and things which he/she may consider necessary or desirable for realising any Security Asset or incidental or conducive to any of the rights, powers or discretions conferred on a Receiver under or by virtue of this deed or law;
- (b) exercise in relation to any Security Asset all the powers, authorities and things which he/she would be capable of exercising if he/she were the absolute beneficial owner of that Security Asset; and
- (c) use the name of a Chargor for any of the above purposes.

16. **Application of Proceeds**

All amounts from time to time received or recovered by the Security Agent or any Receiver pursuant to the terms of this deed or in connection with the realisation or

enforcement of all or part of this Security will be held by the Security Agent and applied in accordance with the Facility Agreement. This clause 16:

- (a) is subject to the payment of any claims having priority over this Security; and
- (b) does not prejudice the right of any Secured Party to recover any shortfall from any or all of the Chargors.

17. Delegation

17.1 Power of Attorney

The Security Agent or any Receiver may, at any time, delegate by power of attorney or otherwise to any person for any period all or any right, power, authority or discretion exercisable by it under this deed.

17.2 Terms

Any such delegation may be made upon any terms and conditions (including the power to sub-delegate) and subject to any restrictions that the Security Agent or that Receiver (as the case may be) may, in its discretion, think fit in the interests of the Secured Parties.

17.3 Liability

Neither the Security Agent nor any Receiver shall be bound to supervise, or be in any way responsible for any damages, costs or losses incurred by reason of any misconduct, omission or default on the part of, any such delegate or sub-delegate.

18. Further Assurances

- (a) Each Chargor must promptly, at its own expense (provided that, prior to the occurrence of an Event of Default, the Chargor is only required to pay the costs of the Security Agent to the extent such costs are reasonably and properly incurred), take whatever action the Security Agent or a Receiver may require (reasonably unless a Default is continuing) for:

- (i) creating, perfecting or protecting any security over any Security Asset; or
- (ii) where permitted pursuant to the Finance Documents, facilitating the realisation of any Security Asset, or the exercise of any right, power or discretion exercisable, by the Security Agent or any Receiver or any of their respective delegates or sub-delegates in respect of any Security Asset.

- (b) The action that may be required under paragraph (a) above includes:

- (i) the execution of any mortgage, charge, transfer, conveyance, assignment or assurance of any asset, whether to the Security Agent or to its nominees or to any other person as the Security Agent or any Receiver may require in connection with the enforcement of this deed; or
- (ii) the giving of any notice, order or direction and the making of any filing or registration,

which, in any such case, the Security Agent may consider necessary or prudent.

19. Power of Attorney

Each Chargor, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any of their respective delegates or sub-delegates to be its attorney with its full power and authority to execute, deliver and perfect all deeds, instruments and other documents in its name and otherwise on its behalf and to do or cause to be done all acts and things, in each case:

- (a) which may be required or which any attorney may in its absolute discretion deem necessary for:
 - (i) carrying out any obligation of a Chargor under or pursuant to this deed which the Chargor has failed to comply with within any applicable grace period;
 - (ii) generally for enabling the Security Agent or any Receiver to exercise the respective powers conferred on them under this deed or by law, or

21.4 *New Accounts*

- (a) If any subsequent charge or other interest affects any Security Asset, a Secured Party may open a new account with a Chargor.
- (b) If that Secured Party does not open a new account, it will nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice of that charge or other interest.
- (c) As from that time all payments made to that Secured Party will be credited or be treated as having been credited to the new account and will not operate to reduce any Secured Liability.

21.5 *Time deposits*

Without prejudice to any right of set-off any Secured Party may have under any other Finance Document or otherwise, if any time deposit matures on any account a Chargor has with any Secured Party within the Security Period when:

- (a) this Security has become enforceable; and
- (b) no Secured Liability is due and payable,

that time deposit will automatically be renewed for any further maturity which that Secured Party considers appropriate.

This deed constitutes notice in writing to each Chargor of any charge or assignment of a debt owed by that Chargor to any Transaction Obligor and contained in any other Security Document.

21.7 *Security Agent may give notice*

Nothing in this deed shall prevent the Security Agent from giving any notice of assignment or charge it considers necessary or desirable in relation to the Security created over any Security Assets.

21.8 *Reinstatement*

If any discharge, release or arrangement (whether in respect of the obligations of any Transaction Obligor or any security for those obligations or otherwise) is made by a Secured Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration

or otherwise the liability of the Chargors under this deed will continue or be reinstated as if the discharge, release or arrangement had not occurred.

22. Release

At the end of the Security Period, the Finance Parties must, at the request and cost of the Chargors (provided that, prior to the occurrence of an Event of Default, the Chargor is only required to pay the costs of the Security Agent to the extent such costs are reasonably and properly incurred), take whatever action is necessary to release its Security Assets from this Security or otherwise unconditionally reassign them to the Chargors.
