#### **Directors' Report**

The directors present their report and financial statements for the year ended 31 December 2019.

#### Principal activities

CenturyLink EMEA Holdings Limited ("the Company") is a company registered in England and Wales. The principal activity of the Company is to act as holding company to a group of companies that provide telecommunication services to enterprise and carrier customers.

The Company is a member of the CenturyLink Group of Companies ("the Group" or "CenturyLink"), an international facilities-based communications company engaged primarily in providing an integrated array of services to business and residential customers. The communications services include local and long-distance voice, virtual private network ("VPN") data network, private line (including business data services), ethernet, information technology, wavelength, broadband, colocation and data centre services, managed services, professional and other services provided in connection with selling equipment, network security and various other ancillary services. A facilities-based provider is one that owns or leases a substantial portion of the property, plant and equipment necessary to provide its services. The Group network is an international communications network that has been created by constructing its own assets through a combination of purchasing other companies and purchasing or leasing facilities from others. The Group network is designed to provide communications services that employ and take advantage of rapidly improving underlying optical, internet Protocol ("IP"), computing and storage technologies.

The Group is currently focusing its attention on a number of operational and financial objectives, including: (1) growing free cash flow per share as it believes that it has the ability to drive that growth, first through synergy achievement, and then through ongoing efficiencies and profitable revenue growth over the long term; (2) continuing growth in adjusted EBITDA; (3) strong free cashflow generation; (4) achieving the expected operating expense and capital cost savings; (5) investing in the products, services and customer experience platforms necessary to meet the connectivity and managed services needs of the business market; (6) focusing on customers' needs and improving overall customer experience; (7) concentrating its capital expenditures on those technologies and assets that enable the Group to increase its Core Network Services revenue; and (8) managing the Wholesale Voice Services for margin contribution. Adjusted EBITDA is defined as the net result for the year before tax, depreciation, amortisation, impairment, non-cash share-based payment charges and discontinued operations.

The ultimate parent company of the Company is CenturyLink, Inc., a company registered in the United States of America. The results of the Company are consolidated, into CenturyLink, Inc., whose group financial statements can be obtained from Investor Relations, 100 CenturyLink Drive, Monroe, Louisiana, 71203, United States of America.

#### **Business review**

On 10 July 2019, the Company sold 20% of its equity interest in Level Three Communications Kenya Limited to a third-party resident in Kenya. The shares were sold for KES 194,440 (GBP 1,566).

#### Financial performance

Revenue for the year amounted to £nil (2018: £nil). The loss before and after tax for the year amounted to £60.3 million (2018: £128.5 million). The net liabilities as at 31 December 2019 were £433.0 million (2018: £372.7 million).

The directors do not recommend the payment of a dividend (2018: £nil).

#### Directors' Report (continued)

#### **Future developments**

The communications industry has been and remains highly competitive. The industry is subject to rapid and significant changes in technology. We believe that advances in optical and IP technologies have, and will continue to, facilitate decreases in unit costs for communications service providers that are able to most effectively take advantage of these technology advances. We believe that, over time, rapidly improving technologies and high demand elasticity will continue to drive this market dynamic.

In view of these market and technology opportunities, we seek to serve business customers by using a customerfirst focus and providing a broad range of communications services over the Group's advanced and extensive fibre optic network. With the network's extensive geographic reach and deep reach into major metropolitan areas of the United States of America, Europe and Latin America, we are positioned to provide end-to-end services for customers entirely on the Group's own facilities across multiple continents. We plan to continually expand this fibre optic network to new locations where the demands of customers and potential customers justify the upfront costs of expansion.

#### **Going Concern**

The financial statements have been prepared on the going concern basis which the directors believe to be appropriate. The Company is dependent for its obligation on funds provided to it by CenturyLink, Inc., the Company's ultimate parent entity. CenturyLink, Inc. has indicated its intention to continue to make available financial support for twelve months from the signing date of these financial statements, or earlier, to such period when either CenturyLink, Inc. or the Company, to enable the Company to trade, and not to call for settlement of amounts owing to group entities where to do so would place the Company in an insolvent position.

As with any company placing reliance on other group entities for financial support, the directors of the Company acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

The Directors have considered the liquidity of the Company going forward, in particular adverse effects that could arise due to the ongoing COVID-19 pandemic and have deemed that due to the letter of support, they believe that the Company is well placed to manage its financing and future commitments over a period of at least 12 months from the date of the financial statements.

#### Risks

The Company's financial risk management objective and policies in respect of financial instruments are discussed in Note 10 to these financial statements.

#### Risks related to Brexit

The UK voted in June 2016 to leave the European Union, which has led to a period of uncertainty in both the UK and in the wider European and Global economies. CenturyLink remains steadfast and committed to the EMEA region. The full impact of this upon the financial markets and the Global economy will continue to be monitored and evaluated. Whilst the UK exit date is still uncertain, measures have been put in place to ensure that any business impact will be minimised. The key customer and supplier relationships have been reviewed, as has the impact upon supply chain, logistics and other areas of potential impact.

#### Other

#### **Political and Charitable Donations**

Grants and charitable donations made during the period amounted to £nil (2018: £nil). There were no political contributions made during the period (2018: £nil).

#### Directors' Report (continued)

#### **Directors**

The directors of the Company, throughout and since the end of the year, were as follows:

D. Robinson

O. Oadeer

#### Directors' liabilities

In 2017, the CenturyLink Group had an indemnity provision in force in respect of the directors of the Company against liability in respect of any proceedings brought by third parties, subject to the conditions set out in the Companies Act 2006 (section 234). Such qualifying third-party indemnity provision remains in force at the date of approving the Directors' Report.

#### Strategic report

In accordance with Section 414B of the Companies Act 2006, the Company is entitled to and has taken advantage of, the small companies exemption in relation to the requirement to prepare a strategic report.

#### Subsequent events

Century Link has been closely monitoring the spread of the coronavirus and planning to minimise its potential impact to our people, our communities and our valued customers. We are maintaining a continuous state of operational readiness around the globe, with particular emphasis on the strength, performance and security of our network. We operate one of the world's largest and most interconnected networks which allows us to support the most critical operational needs of our customers so their businesses keep running and stay connected at this unprecedented time. We continue to evaluate the impact of the coronavirus on our business and although we have not seen any material adverse effects as of the date of the approval of the financial statements we cannot provide any assurance that there will not be material adverse effects in the future as a result of the unprecedented nature of events.

On 14 September 2020, CenturyLink rebranded as "Lumen", a brand that will carry our business into the next chapter of our history of furthering human progress through technology, honouring our telecom past while embracing our technology future. In North America, some teams will continue to support our customers under the CenturyLink brand for residential and small business customers, but for all other regions Lumen is the go forwards brand with immediate effect. There is no change to the global group structure at this stage nor any changes to EMEA legal entity names.

#### Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be re-appointed and KPMG LLP will therefore continue in office.

#### Disclosure of information to the auditor

The directors who held office at the date of approval of this Directors' Report confirm that, so far as they are aware, there is no relevant audit information of which the Company's auditor is unaware, and the directors have taken all steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

By order of the Board,

D Robinson

#### Statement of Directors' Responsibilities in respect of the Directors' Report and financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with International Financial Reporting Standards as adopted by the European Union (IFRSs as adopted by the EU) and applicable law.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable, relevant and reliable;
- state whether they have been prepared in accordance with IFRSs as adopted by the EU;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease
  operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

#### Independent Auditor's Report to the Members of CenturyLink EMEA Holdings Limited

#### **Opinion**

We have audited the financial statements of CenturyLink EMEA Holdings Limited ("the company") for the year ended 31 December 2019 which comprise the statement of profit and loss and other comprehensive income, statement of financial position, the statement of changes in equity, statement of cash flow and related notes, including the accounting note.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2019 and of its loss for the year then ended;
- have been properly prepared in accordance with International Financial Reporting Standards as adopted by the European Union; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

#### Going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the company or to cease its operations, and as they have concluded that the company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least a year from the date of approval of the financial statements. In our evaluation of the directors' conclusions, we considered the inherent risks to the company's business model and analysed how those risks might affect the company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the company will continue in operation.

#### Strategic report and directors' report

The directors are responsible for the strategic report and the directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the strategic report and the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the strategic report and the directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

## Independent Auditor's Report to the Members of CenturyLink EMEA Holdings Limited (continued)

#### Matters on which we are required to report by exception

Under the Companies Act 2006, we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

#### Directors' responsibilities

As explained more fully in their statement set out on page 6, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

#### The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

## Notes to the Financial Statements For the year ended 31 December 2019

#### 1. Reporting entity

CenturyLink EMEA Holdings Limited ("the Company") is a company registered in England and Wales at 10 Fleet Place, London, EC4M 7RB. The principal activity of the Company is to act as holding company to a group of companies that provide telecommunication services to enterprise and carrier customers.

The Company is a wholly owned subsidiary of Level 3 International, Inc., a company registered in the United States of America. The ultimate parent company of the Company is CenturyLink, Inc. ("the Group" or "CenturyLink"), a company registered in the United States of America. The results of the Company are consolidated, into CenturyLink, Inc., whose group financial statements can be obtained from Investor Relations, 100 CenturyLink Drive, Monroe, Louisiana, 71203, United States of America.

#### 2. Accounting policies

#### Basis of preparation

The Company is exempt by virtue of section 401 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

These financial statements have been prepared and approved by the directors in accordance with International Financial Reporting Standards as adopted by the EU ("IFRS") and prepared on the historical cost basis.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

The financial statements are presented in pounds sterling, which is the currency of the primary economic environment in which the Company operates and all amounts have been rounded to the neared £1,000.

#### **Going Concern**

The financial statements have been prepared on the going concern basis which the directors believe to be appropriate. The Company is dependent for its obligation on funds provided to it by CenturyLink, Inc., the Company's ultimate parent entity. CenturyLink, Inc. has indicated its intention to continue to make available financial support for twelve months from the signing date of these financial statements, or earlier, to such period when either CenturyLink, Inc. or the Company, to enable the Company to trade, and not to call for settlement of amounts owing to group entities where to do so would place the Company in an insolvent position.

As with any company placing reliance on other group entities for financial support, the directors of the Company acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

The Directors have considered the liquidity of the Company going forward, in particular adverse effects that could arise due to the ongoing COVID-19 pandemic and have deemed that due to the letter of support, they believe that the Company is well placed to manage its financing and future commitments over a period of at least 12 months from the date of the financial statements.

#### Use of estimates

The preparation of the financial statements in conformity with IFRS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported revenue and expenses during the year. Such estimates include the valuation of accounts receivables and valuation of investments. The estimates are based on historical factors, current circumstances and experience and judgment of the Company's management. The Company evaluates its assumptions and estimates on an ongoing basis and may employ outside experts to assist in the evaluation. As future events and their effects cannot be determined with precision, actual results could differ from those estimates. Changes in those estimates resulting from changes in the economic environment will be reflected in the financial statements in future periods.

# Notes to the Financial Statements (continued) For the year ended 31 December 2019

#### 2. Accounting policies (continued)

#### Finance income and costs

Interest income and costs are accrued using the effective interest rate method. The method applies this rate to the principal outstanding to determine interest income and costs each period, except for short term receivables where the recognition of interest would be immaterial.

#### Foreign currencies

Transactions in currencies other than the functional currency are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at the end of that reporting period. All foreign currency gains or losses are included in the Statement of Comprehensive Loss.

#### Financial instruments

Financial assets and financial liabilities are recognised on the Statement of Financial Position when the Company becomes a party to the contractual provisions of the instrument.

#### Financial assets

Financial assets are initially recognised at fair value and in the case of loans, any directly attributable transaction costs. Financial assets comprise of amounts owed by Group Companies.

#### Cash and cash equivalents

Cash and cash equivalents, includes cash held by the Company and short-term bank deposits with an original maturity of three months or less. The carrying amount of these assets approximates their fair value.

For the purposes of the Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits as defined above.

#### Financial liabilities

Financial liabilities are initially recognised at fair value and in the case of loan, any directly attributable transaction costs. Financial liabilities comprise of amounts owed to Group Companies.

#### **Taxation**

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the Statement of Comprehensive Loss, except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for: the initial recognition of goodwill; the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination, and differences relating to investments in subsidiaries, to the extent that they will probably not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

## Notes to the Financial Statements (continued) For the year ended 31 December 2019

#### 2. Accounting policies (continued)

#### Impairment of investments

The carrying amounts of the Company's investments in subsidiaries are reviewed at each reporting date to determine if there are any indications of impairment.

If any indications of impairment exists, then a value-in-use calculation is computed which involves discounting estimated future cash flows to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. An impairment loss arises if the carrying amount of an asset exceeds its estimated recoverable amount and any loss is recognised immediately in the Statement of Comprehensive loss.

Any impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. A reversal of an impairment loss is recognised immediately in the Statement of Comprehensive loss and is only reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had been recognised.

#### 3. Operating loss

In respect of the years ended 31 December 2018 and 2019, auditor's remuneration was borne on behalf of the Company by the Company's subsidiary, CenturyLink Communications UK Limited.

#### 4. Employee costs and remuneration of directors and key management

The average number of employees during the year was nil (2018: nil). Employee remuneration during the year was also £nil (2018: £nil).

The remuneration of the directors was borne by another group company, as in the prior year. The directors benefited from qualifying third-party indemnity provisions in place during the financial year and at the date of this report.

#### 5. Finance income and charges

i) Finance income	Vear ended	31 December
	2019 £000	2018 £000
Foreign exchange gains	1	2,161
Total finance income	1	2,161
ii) Finance charges

Net finance charges	(60,231)	(53,211)

# Notes to the Financial Statements (continued) For the year ended 31 December 2019

#### 6. Taxation

A reconciliation between the tax expense and accounting profit, multiplied by the applicable tax rate for the years ended 31 December 2019 and 2018, is as follows:

	Year ended 31 December	
	2019 £000	2018 £000
Loss before tax	(60,259)	(128,526)
Tax at the UK corporation tax rate of 19% (2018: 19%) Factors affecting tax charge for the year:	(11,449)	(24,420)
- Expenses not deductible for tax purposes	11,444	24,830
- Unrecognised tax losses carried forward	5	(410)
Income Tax credit reported in the Statement of Comprehensive Loss	-	-

A change to the main UK corporation tax rate from 1 April 2020, announced in the Budget on 11 March 2020, was substantively enacted on 17 March 2020. The rate applicable for the fiscal years beginning 1 April 2020 and 1 April 2021 remains at 19 percent, rather than the previously enacted reduction to 17 percent.

#### Provision for liabilities and charges

Deferred taxation provided and not provided are as follows:

	31 1	31 December	
	2019	2018	
	€000	£000	
Tax losses available	44,582	44,556	

A deferred tax asset is not recognised on the basis that there is insufficient evidence of taxable profits arising in the future.

#### 10. Financial instruments

#### Credit risk

Credit risk is the risk that a counter-party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its financing activities, which primarily relates to balances with other Group companies.

#### Treasury policy and risk management

The Company's treasury management is conducted primarily by CenturyLink, Inc. on behalf of Group companies. CenturyLink, Inc. is responsible for raising finance for operations, together with associated liquidity management and the management of foreign exchange and interest rate risk.

Treasury operations are conducted within a framework of policies and guidelines authorised and reviewed by the CenturyLink, Inc. Audit Committee, which receives regular updates of treasury activity. Financial instruments are entered into for risk management purposes only. It is the Group policy that all hedging is only for the purpose of covering known risks and that no trading in financial instruments is undertaken.

#### Interest rate management

The Company has no significant financial exposure in respect of interest rates. All interest-bearing receivables and payables balances are at fixed rates of interest.

#### Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. As noted above, the Company's obligations primarily relates to amounts owed to Group companies.

#### 13. Subsequent events

CenturyLink has been closely monitoring the spread of the coronavirus and planning to minimise its potential impact to our people, our communities and our valued customers. We are maintaining a continuous state of operational readiness around the globe, with particular emphasis on the strength, performance and security of our network. We operate one of the world's largest and most interconnected networks which allows us to support the most critical operational needs of our customers so their businesses keep running and stay connected at this unprecedented time. We continue to evaluate the impact of the coronavirus on our business and although we have not seen any material adverse effects as of the date of the approval of the financial statements we cannot provide any assurance that there will not be material adverse effects in the future as a result of the unprecedented nature of events.

On 14 September 2020, CenturyLink rebranded as "Lumen", a brand that will carry our business into the next chapter of our history of furthering human progress through technology, honouring our telecom past while embracing our technology future. In North America, some teams will continue to support our customers under the CenturyLink brand for residential and small business customers, but for all other regions Lumen is the go forwards brand with immediate effect. There is no change to the global group structure at this stage nor any changes to EMEA legal entity names.
