Statements on Revised Accounts

- i) the revised accounts replace the original accounts,
- ii) they are now the statuary accounts,

- iii) they have been prepared as at the date of the original accounts, and not as at the date of revision and accordingly do not deal with events between those dates
- iv) the original accounts had an arithmetic error in the balance sheet, resulting in Share capital being subtracted from P/L figure and corresponding error in the long term liability figure.
- v) there is no change to P/L account, the amendment raises the value of net assets by twice the value of Share capital., and reduces the long term liability by the same amount.

Ancient Remedy Limited

Notes to the Accounts for the period ended 31/10/2001

1. Accounting Policies

a) Basis of Accounting

The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.

b) Cash Flow Statement

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement under Financial reporting Standard 1 "Cash Flow Statements".

c) Turnover

Turnover represents net invoiced sales of goods and services, excluding value added tax.

d) Depreciation

Depreciation is provided, after taking account of any grants receivable, to write off the cost or valuation of the fixed assets including assets subject to hire purchase contracts over their expected useful lives on the following annual rates on cost.

Office Furniture	25%
Equipment	25%

e) Stocks

Stocks and work in progress is valued at the lower of cost and net realizable vale, after allowing for obsolete and slow moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

f) Deferred Taxation

Provision is made at current rates for taxation deferred in respect of all material timing differences except to the extent that in the opinion of directors, there is reasonable probability that the liability will not arise in the foreseeable future. Expenditure is written off in the year in which it occurred.

2. Turnover

The turnover and Profit and Loss is attributable to the principal activity of the company.

3. Operating Profit

This is stated after charging or crediting:

Staff Emoluments/Wages 2,845
Director's Fees 3,948
Depreciation and Amortization 500

4. Directors and Employees
