Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules

Under FRS 1 the Company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements

As 100% of the Company's voting rights are controlled within the group headed by PD Parks Holdings Limited, the Company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group (or investees of the group qualifying as related parties). The consolidated financial statements of PD Parks Holdings Limited, within which this Company is included, can be obtained from the address given in note 5

Classification of financial instruments issued by the Company

Financial instruments issued by the Company are treated as equity (i.e. forming part of shareholders' funds) only to the extent that they meet the following two conditions

- a) they include no contractual obligations upon the Company to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the Company, and
- b) where the instrument will or may be settled in the Company's own equity instruments, it is either a non-derivative that includes no obligation to deliver a variable number of the Company's own equity instruments or is a derivative that will be settled by the Company's exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments

To the extent that this definition is not met, the proceeds of issue are classified as a financial liability. Where the instrument so classified takes the legal form of the Company's own shares, the amounts presented in these financial statements for called up share capital and share premium account exclude amounts in relation to those shares

Finance payments associated with financial liabilities are dealt with as part of interest payable and similar charges. Finance payments associated with financial instruments that are classified as part of shareholders' funds are dealt with as appropriations in the reconciliation of movements in shareholders' funds

Profit and loss account

The Company had no transactions during the year and has made neither a profit nor a loss. No profit or loss account has therefore been prepared

2 Directors' remuneration

All directors' remuneration is borne by Parkdean Holiday Parks Limited, a member of the group headed by PD Parks Holdings Limited and is disclosed in the financial statements of that company

No recharges are made for the services of directors. None of the directors received any remuneration from the Company during the year
