7.3 Security Shares

- 7.3.1 Each Chargor shall, as soon as reasonably practicable, deposit with the Collateral Agent or as the Collateral Agent may direct all share certificates in relation to such Group Shares as are owned by it or in which it has or acquires an interest and their Related Rights and shall execute and deliver to the Collateral Agent all such share transfers in order to, on an Enforcement Event, enable the Collateral Agent or its nominees to be registered as the owner or otherwise to obtain a legal title to the same and, without limiting the generality of the foregoing, shall deliver to the Collateral Agent as soon as reasonably practicable after the date of this Deed or the relevant Deed of Accession (unless it has already taken such action) executed (and, if required to be stamped, pre-stamped) share transfers for all such Group Shares in favour of the Collateral Agent and/or its nominee(s) as transferees or, if the Collateral Agent so directs, with the transferee left blank and, following an Enforcement Event, shall procure that all such share transfers are at the request of the Collateral Agent promptly registered by the relevant company and that share certificates in the name of the Collateral Agent and/or such nominee(s) in respect of all Group Shares are promptly delivered to the Collateral Agent.
- 7.3.2 The Collateral Agent and its nominee may, following an Enforcement Event, exercise or refrain from exercising (in the name of each Chargor, the registered holder or otherwise and without any further consent or authority from each Chargor and irrespective of any direction given by any Chargor) in respect of the Security Shares any voting rights and any powers or rights under the terms of the Security Shares or otherwise which may be exercised by the person or persons in whose name or names the Security Shares are registered or who is the holder thereof, including, without limitation, all the powers given to trustees by Section 10(3) and (4) of the Trustee Act 1925 as amended by Section 9 of the Trustee Investments Act 1961 in respect of securities or property subject to a trust PROVIDED THAT at all times prior to an Enforcement Event each Chargor may and shall continue to exercise any and all voting rights with respect to the Group Shares subject always to the terms of this Deed. No Chargor shall without the previous consent in writing of the Collateral Agent exercise the voting rights attached to any of the Group Shares in favour of resolutions having the effect of changing the terms of the Group Shares (or any class of them) or any Related Rights in any way which would materially adversely affect the interests of the Secured Creditors. Each Chargor hereby irrevocably appoints the Collateral Agent or its nominees its proxy to exercise (following an Enforcement Event and as provided in or permitted by this Deed) all voting rights so long as the Group Shares belonging to it remain registered in its name.
- 7.3.3 Each Chargor during the continuance of this security will promptly following their due date make all payments which may become due and payable in respect of any of the Security Shares.
- 7.3.4 It is expressly agreed that, notwithstanding anything to the contrary contained in this Deed, each Chargor shall remain liable to observe and perform all of the conditions and obligations assumed by it in respect of the Security Shares and the Collateral Agent shall not be under any obligation or liability by reason of or arising out of the security over the Security Shares conferred by this Deed. The Collateral Agent shall not be required in any manner to perform or fulfil any obligation of any Chargor in respect of the Security Shares, or to make any payment, or to receive any enquiry as to the nature or sufficiency of any payment received by them, or to present or file any claim or take any other action to collect or enforce the payment

of any amount to which they may have been or to which they may be entitled under this Deed at any time or times.

7.3.5 On an Enforcement Event and at any time thereafter the Collateral Agent shall be entitled to put into force and exercise immediately as and when it may see fit any and every power possessed by the Collateral Agent by virtue of the security over the Security Shares conferred by this Deed or available to a secured creditor (so that Sections 93 and 103 of the Law of Property Act 1925 shall not apply to this security) and in particular (without limitation):

- (a) to sell all or any of the Security Shares in any manner permitted by law upon such terms as the Collateral Agent shall in its absolute discretion determine;
- (b) to collect, recover or compromise and give a good discharge for any monies payable to any Chargor in respect of the Security Shares or in connection therewith; and
- (c) to act generally in relation to the Security Shares in such manner as the Collateral Agent acting reasonably shall determine.

7.3.6 Promptly following conversion of any of the Group Shares from certificated to uncertificated form, and on the creation or conversion of any other securities which are for the time being comprised in the Security Shares in or into uncertificated form, each Chargor shall give such instructions or directions as the Collateral Agent may reasonably require in order to protect or preserve its security.

7.3.7 Each Chargor shall, as soon as reasonably practicable after receipt of any certificate or other document evidencing any entitlement to further Security Shares, deposit it with the Collateral Agent together with such share transfer forms in blank and other documents as the Collateral Agent may reasonably require.

7.4 Opening of Accounts and Collection of Receivables

7.4.1 In accordance with the terms of the Credit Agreement, each Chargor shall open the relevant Blocked Accounts, and the Chargors shall maintain the Other Accounts and execute all deeds and documents and do all other acts and things reasonably required by the Collateral Agent in connection with them and the Chargors shall maintain such accounts until the security constituted by this Deed has been discharged.

7.4.2 Promptly following the execution of this Deed or Deed of Accession (as applicable), each Chargor shall serve notice upon the bank at which each Blocked Account is opened (in respect of the relevant Blocked Accounts) in substantially the form set out in Schedule 2 (*Form of Notice to Banks and Acknowledgement*) and shall procure that the relevant bank returns the Acknowledgement in substantially the form set out in Schedule 2 (*Form of Notice to Banks and Acknowledgement*) or such other form acceptable to the Collateral Agent in its absolute discretion.

7.4.3 Until the security constituted by this Deed is discharged, no Chargor shall maintain any bank accounts which are not Charged Accounts.

7.5 Operation of Blocked Account

Following the delivery of a Liquidity Notice by the Administrative Agent pursuant to section 9.17(d)(i) (*Collateral Monitoring and Reporting*) of the Credit Agreement, no Chargor shall be entitled to withdraw the whole or any part of any amount standing to the credit of any Blocked Account and shall not take any action, claim or proceedings against the Collateral Agent or any other party for the return or payment to any person of the whole or any part of any amount standing to the credit of any Blocked Account.

7.6 Intellectual Property

7.6.1 Upon the occurrence of an Enforcement Event:

- (a) without prejudice to Clause 14, each Chargor shall at its own expense execute any document and do all assurances, acts and things as may reasonably be required to procure that the security created by this Deed is recorded as soon as possible in either (i) each register in each jurisdiction in which any Intellectual Property is registered, or (ii) the relevant supranational registry;
- (b) without prejudice to Clause 14, if any Chargor (i) proposes to apply to register any Intellectual Property in any register in which it is not already identified as being registered in or (ii) proposes to apply to register any Intellectual Property right not existing on the date of this Deed, such Chargor shall notify the Collateral Agent and, if the Collateral Agent so requires and promptly notifies the Chargor, such Chargor shall ensure that application is made for the security created by this Deed to be recorded, and that any such security is recorded, at the same time as the application or registration (as the case may be) of such Intellectual Property;
- (c) each Chargor shall use its reasonable endeavours to procure any third party consents which may be necessary to complete or to perfect the security intended to be created over the Intellectual Property pursuant to this Deed;
- (d) each Chargor will make such registrations and pay such fees, renewal fees, registration taxes and similar amounts as are necessary to keep the Intellectual Property in force;
- (e) each Chargor will take such steps as are reasonably practicable to maintain and preserve its interests in its Intellectual Property including applying to register any interests therein in any relevant register; and

7.6.2 No Chargor will, without the prior written consent of the Collateral Agent, sell, transfer, license or otherwise dispose of any Intellectual Property except for any Permitted Disposal.

7.7 Equipment

Upon the occurrence of an Enforcement Event:

- 7.7.1 each Chargor will promptly pay all taxes, fees, licence duties, registration charges, insurance premiums and other outgoings in respect of the Premises and the Equipment;
- 7.7.2 each Chargor will obtain all material authorisations from time to time required for the use and operation of the Equipment and not to do or permit to be done any act or omission whereby the Equipment or the use of it would contravene regulations for the time being in force;
- 7.7.3 to the extent such loss, theft, material damage or destruction would be materially prejudicial to the interests of the Secured Creditors, each Chargor will, as soon as reasonably practicable, notify the Collateral Agent of any loss, theft, material damage or destruction to the Equipment; and
- 7.7.4 upon request of the **Collateral Agent**, each Chargor will give the Collateral Agent such information concerning the location, condition, use and operation of the Equipment as the Collateral Agent may reasonably require and to permit any persons designated by the Collateral Agent during normal business hours to inspect and examine the Equipment and the records maintained in connection with it provided that each Chargor is given reasonable prior notice of such inspection.

7.8 Partnership Deeds

Each Partner will comply with and remain liable for all of its obligations under any relevant Partnership Deed.

8 When Security becomes Enforceable

The security constituted by this Deed shall become immediately enforceable and the power of sale and other powers conferred by section 101 of the Law of Property Act 1925, as varied or amended by this Deed, shall be immediately exercisable upon and at any time after an Enforcement Event after which the Collateral Agent may in its absolute discretion enforce all or any part of the security in any manner it sees fit.

9 Enforcement of Security

9.1 General

9.1.1 For the purposes of all powers implied by statute, the Secured Liabilities are deemed to have become due on the date of this Deed but such powers shall only be exercisable on and from an Enforcement Event.

9.1.2 Section 103 of the Law of Property Act 1925 (restricting the power of sale) and section 93 of the Law of Property Act 1925 (restricting the right of consolidation) do not apply to the security constituted by this Deed.

9.1.3 The statutory powers of leasing conferred on the Collateral Agent are extended so that, without the need to comply with any provision of section 99 or 100 of the Law of Property Act 1925, the Collateral Agent is empowered to lease, make agreements for leases, accept surrenders of leases and grant options as the Collateral Agent may think fit.

9.2 Agent of the Chargors and/or US Chargors

For all purposes each Receiver is deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Law of Property Act 1925. Every Receiver shall be the agent of the Chargor and/or US Chargor (as the case may be) in respect of which he was appointed unless and until a liquidator shall be appointed of that Chargor and/or US Chargor (as the case may be), whereafter such Receiver shall act as principal but shall not become the agent of the Collateral Agent. That Chargor and/or US Chargor alone shall be responsible for the Receiver's contracts, engagements, commissions, omissions, defaults and losses and for liabilities incurred by him. The Collateral Agent shall not incur any liability of whatsoever nature (either to the Chargors and/or US Chargor (as the case may be) or to any other person) by reason of the Collateral Agent making his appointment as a Receiver or for any other reason, other than as a result of the Collateral Agent's own gross negligence or wilful misconduct.

9.3 Mortgagee in Possession - No Liability

Neither the Collateral Agent nor any Receiver or manager will be liable, by reason of entering into possession of a Security Asset, to account as mortgagee in possession or for any loss on realisation or for any default or omission for which a mortgagee in possession might otherwise be liable, other than as a result of the Collateral Agent or Receiver's gross negligence or wilful misconduct.

9.4 Privileges

Each Receiver and the Collateral Agent is entitled to all the rights, powers, privileges and immunities conferred by the Law of Property Act 1925 on mortgagees and receivers when such receivers have been duly appointed under that Act, except that section 103 of that Act does not apply.

9.5 Protection of third parties

No person (including a purchaser) dealing with the Collateral Agent or a Receiver or its or his agents need enquire:

- (a) whether the Secured Liabilities have become payable; or
- (b) whether any power purported to be exercised has become exercisable; or
- (c) whether any money remains due; or
- (d) how any money paid to the Collateral Agent or to the Receiver is to be applied.

9.6 Redemption of prior Mortgages

At any time after the security constituted by this Deed has become enforceable, the Collateral Agent or any Receiver may, in the case of the Collateral Agent at the sole cost of the Chargors (payable to the Collateral Agent on demand) and in the case of a Receiver as an expense of the Receiver's receivership:

- (a) redeem any interest by way of security for the time being and from time to time ranking in point of security in priority to any of the security constituted by this Deed; and/or
- (b) (in the case of a redemption by the Collateral Agent) procure the transfer of that interest by way of security to itself; and/or
- (c) settle and pass the accounts of any prior mortgagee, chargee or encumbrancer which once so settled and passed shall be conclusive and binding on the Chargor.

9.7 Financial Collateral

9.7.1 At any time after an Enforcement Event, the Collateral Agent or any Receiver may to the extent that any Security Asset constitutes Financial Collateral, as defined in the Regulations, appropriate it and transfer the title in and to it to the Collateral Agent insofar as not already transferred, subject to paragraphs (1) and (2) of Regulation 18.

9.7.2 The Collateral Agent shall promptly attribute a value to the appropriated financial security as confirmed by reference to either the relevant public quoted index reflecting the right to effect an immediate sale thereof on a recognised stock exchange at such price on such date of valuation (if applicable) or a fair valuation opinion provided by an independent reputable internationally recognised third party professional firm of advisors and, in any event, attributed in a commercially reasonable manner.

9.7.3 Where the Collateral Agent exercises its rights of appropriation and the value of the financial collateral appropriated in accordance with this Clause 8.7.3 differs from the amount of the Security Asset, either:

- (a) the Collateral Agent must account to the relevant Chargor promptly upon the determination of such value for the amount by which the value of the appropriated financial collateral exceeds the Security Asset; or
- (b) the relevant Chargor will remain liable to the Collateral Agent for any amount whereby the value of the appropriated financial collateral is less than the Security Asset.

10 Receiver

10.1 Appointment of Receiver

At any time after the security constituted by this Deed becomes enforceable, or, at any time if so requested by any Chargor and/or any US Chargor in writing, the Collateral Agent may (but shall not be obliged) without further notice (and whether or not the relevant Chargor and/or US Chargor shall have been accorded sufficient or any time in which to satisfy any relevant indebtedness) from time to time, and notwithstanding that, if such be the case, one or more

than one Receiver shall have been appointed in respect of all or any of the Security Assets or Partnership Assets pursuant to this Clause 10.1 and not removed from such Security Assets or Partnership Assets, appoint in writing, under the hand of any manager of the Collateral Agent, a Receiver of the Security Assets or Partnership Assets or any of them and, where so requested by a Chargor and/or US Chargor, whether or not those Security Assets or Partnership Assets shall belong to that Chargor and/or US Chargor (as the case may be).

10.2 Relationship with the Collateral Agent

10.4 Remuneration

The Collateral Agent may, from time to time, fix the remuneration of any Receiver and direct payment of the same out of monies accruing to him in the exercise of his powers, authorities and discretions by or pursuant to this Deed, but the Chargor and/or US Chargor in respect of which any Receiver shall have been appointed shall alone be liable for the payment of that remuneration.

Each Chargor and each US Chargor waives any right it may have of first requiring any Secured Creditor to proceed against or enforce any other rights or security or claim payment from any person before enforcing the security constituted by this Deed. This waiver applies irrespective of any law or any provision of a Credit Document to the contrary.

16.7 Appropriations

Until all the Secured Liabilities have been irrevocably paid in full, the Secured Creditors may:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by the Collateral Agent in respect of the Secured Liabilities, or apply and enforce the same in such manner and order as it sees fit (whether against the Secured Liabilities or otherwise) and no Chargor or US Chargor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any monies received from any Chargor or any US Chargor or on account of any Chargor's liability in respect of the Secured Liabilities.

16.8 Deferral of Chargors' rights

Until all the Secured Liabilities have been irrevocably paid in full and unless the Collateral Agent otherwise directs, no Chargor or US Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Credit Documents:

- (a) to be indemnified by any other Chargor or US Chargor;

- (b) to claim any contribution from any other guarantor of any other Chargor's or US Chargor's obligations under the Credit Documents;
- (c) to claim as a creditor in any insolvency of any other Chargor's or US Chargor's in competition with any Secured Creditor; and/or
- (d) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any of the Secured Creditors' rights under the Credit Documents or of any other guarantee or security taken pursuant to, or in connection with, the Credit Documents by the Secured Creditors.

17 Miscellaneous

17.1 Covenant to pay

Each Chargor and each US Chargor shall pay or discharge the Secured Liabilities in the manner provided for in any document creating or evidencing the Secured Liabilities and/or otherwise as agreed from time to time.

17.2 New Accounts

If any Secured Creditor receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent charge or other interest affecting any Security Asset and/or Partnership Asset and/or the proceeds of sale of any Security Asset and/or Partnership Asset, such Secured Creditor may open a new account for any Chargor or US Chargor. If the relevant Secured Creditor does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice. As from that time all payments made to such Secured Creditor will be credited or be treated as having been credited to the new account and will not operate to reduce any amount for which this Deed is security and, furthermore, such Secured Creditor shall be under no obligation to advance any monies or provide or continue to provide any credit facility to any Borrower.

17.3 Tacking

Each Lender (by the Collateral Agent's execution of this Deed) covenants with each Chargor and US Chargor that it shall perform its obligations under any document creating or evidencing the Secured Liabilities (including any obligation to make available further advances).

17.4 Invalidity

If, at any time, any provision of this Deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired.

18 Release

18.1 Expiry of Security Period

Upon the expiry of the Security Period, the Collateral Agent shall without recourse, representation or warranty, at the request and cost of the Chargors and US Chargors, take whatever action is necessary to release the Security Assets and Partnership Assets from the security constituted by this Deed and/or reassign the benefit of the Security Assets and/or Partnership Assets to the Chargors and/or US Chargors (as the case may be).

18.2 Permitted Disposals

On a disposal of any Security Asset or Partnership Asset which is a Permitted Disposal to a person that is not a Chargor or US Chargor and not required to be a Chargor or US Chargor

(as the case may be), the Collateral Agent shall (at the cost of the relevant Chargor or US Chargor) execute a release of that Security Asset or Partnership Asset and/or reassign the benefit of the relevant Security Asset or Partnership Asset to the relevant Chargor or US Chargor.

18.3 Other Accounts

At any time before the security created by this Deed shall have become enforceable, in the absence of any directions from the Collateral Agent to the contrary, any amounts permitted by the terms of the Credit Documents to be paid into an Other Account shall upon payment into such account stand released from the fixed charge over Book Debts created pursuant to Clause 2 and shall stand subject to the floating charge created by Clause 3, provided that such release shall in no respect prejudice the continuance of the fixed charge created pursuant to Clause 2 in respect of all other Book Debts.

19 Rights and Remedies

The rights of the Secured Creditors under this Deed are cumulative, may be exercised as often as considered appropriate and are in addition to the general law. Such rights (whether arising hereunder or under the general law) shall not be capable of being waived or varied otherwise than by an express waiver or variation in writing and, in particular, any failure to exercise or delay in exercising any of such rights shall not operate as a waiver or variation of that or any other such right, any defective or partial exercise of any such rights shall not preclude any other or further exercise of that or any other such right, and no act or course of conduct or negotiation by any Secured Creditor or on its behalf shall in any way preclude it from exercising any such right or constitute a suspension or any variation of any such right.

20.1 Delivery and Receipt

21.2 Jurisdiction

21.2.1 The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed) (a **Dispute**).

21.2.2 The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.

21.2.3 This Clause 21.2 is for the benefit of the Secured Creditors only. As a result, no Secured Creditor shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. 21.3 Process Agent Appointment
