## Strategic Report

The Directors present their Annual Report and Financial Statements of Premier Galvanizing Limited ('the Company') for the year ended 31 December 2021.

### Principal activity

The principal activity of the Company is hot-dip galvanizing of iron and steel articles.

### Business review and future developments

Overview – Turnover for the year increased to £11,987,000 (2020: £10,033,000) and operating profit for the year increased to £2,562,000 (2020: £2,080,000) on a slightly increased operating profit margin of 21.4% (2020: 20.7%). During April and May 2020, the Company experienced a material reduction in demand for its product due to the impact of COVID on the Company's customer base, with a corresponding reduction in activity. In 2021, the business has experienced a strong recovery in demand, particularly in the first half of the year, due to the release of security, construction and infrastructure projects which had previously been deferred as a result of the aforementioned impact of COVID. Demand has been sustained at normal levels since mid-2021 and there is no evidence of this changing in the foreseeable future. The Board therefore believes that the medium- and longer-term outlook for the business is positive.

Strategy – The Company's strategy continues to be the development of long term relationships with existing customers, to expand through targeted geographical areas by delivering outstanding customer service and product quality, and to improve efficiencies in both raw materials and production. Improving resources and training in Health and Safety is a key strategic objective. Investing in and developing employees plays a fundamental part in achieving these aims.

Corporate Social Responsibility – The Company recognises the importance of balancing the interests of its stakeholders - employees, customers, shareholders, suppliers and the wider community in which it operates. The Company remains committed to a continuous improvement in its environmental performance to ensure that its activities comply with or exceed environmental standards and legislation. The Company also supports its employees in their local charitable endeavours. Further details of Hill & Smith Holdings PLC's ("the Group's") CSR activities can be found in the Group's Annual Report.

Health and Safety – Health and safety compliance remains core to the Company's business. The Company is committed to a continuous improvement in its health and safety performance and compliance with health and safety standards and legislation. It has set itself a target of becoming the safest galvanizers in the world. Further details of the Group's health and safety activities can be found in the Hill & Smith Holdings PLC annual report.

### Principal risks and uncertainties

The Board continues to develop policies and procedures that reflect the nature and scale of the Company's business. These are designed to identify, mitigate and manage risk. The Board has identified the following key areas of risk to the business: volatility of raw material prices and loss of key customers or personnel. The Company mitigate and manage these risks by continuously monitoring current and future financial performance to facilitate rapid responses to changes in market conditions and focusing on talent development and engagement of employees alongside developing appropriate recruitment processes.

## Strategic Report (continued)

### Key performance indicators

The Group's key performance indicators are commented on in detail in the Hill & Smith Holdings PLC annual report. Those that specifically relate to the Company are as follows:

Financial – The Company considers revenue growth (year on year), operating profit margin and return on capital employed (defined as operating profit before reorganisation costs divided by the average capital employed) in the year to be its principal financial key performance indicators.

KPI	2021	2020
Revenue growth/(decline) (year on year)	19.5%	(7.7)%
Operating profit margin	21.4%	20.7%
Return on capital employed	60.8%	40.9%

An overview of the Company's financial performance compared to the prior year is included in the business review on page 1.

Non-financial – Health and safety compliance, energy and material efficiency, use of recycled products and waste management are all principal areas of focus for the Company. The Board considers the Company's performance in these areas to be satisfactory.

Impact of climate change - details of the Group's assessment of the impact of climate change can be found in the Hill & Smith Holdings PLC annual report.

### Statement by the directors in performance of their statutory duties in accordance with s172(1) of the Companies Act 2006 ("the Act")

The Company is part of the Group and is therefore required to produce a Section 172 statement.

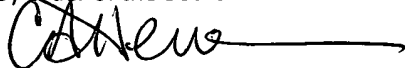

The Section 172 statement for Hill & Smith Holdings PLC, which this statement underpins, can be found on page 76 of its 2021 Annual Report.

The Board of the Company considers that it is suitably composed, with an appropriate range of pertinent skills and experience and the directors consider that they have acted, both individually and together, in good faith and in ways which would be most likely to promote the success of the Company for the benefit of its members as a whole, having regard to stakeholders and matters set out in s172 (1) (a-f) of the Act.

Our aim is to deliver sustainable profit growth from a sustainable business model and in so doing the Board is collectively responsible for upholding high standards of corporate governance and leadership, and we place a high priority on meeting our environmental and social responsibilities, whilst continuing to deliver value to all of our stakeholders: Employees; customers; suppliers; shareholders; local communities; and Government. Effective risk management is also critical to the achievement of our strategy, and our risk management processes are integrated into our daily business activities and integrated vertically, into that of our ultimate parent company, Hill & Smith Holdings PLC.

The Board has implemented policies, systems and procedures or updated existing ones, to inform and assist its strategic planning, management and decision-making in line with its values and in support of its ultimate parent company's strategic objectives. Further details on this can be found on page 6 of the 2021 Annual Report of Hill & Smith Holdings PLC.

## Directors' Report

The Directors present their Report and audited Financial Statements for the year ended 31 December 2021.

### Research and development

The Company spent £nil on research and development during the year (2020: £nil).

### Dividends

A dividend payment of £3,000,000 has been made in the year ended 31 December 2021 (2020: £2,500,000). There are no proposed further dividends.

### Directors

The Directors serving during the year and in the period up to the date of this report were as follows:

G A Green

R J L Hall

S J Hopkins (resigned 29 April 2022)

S Whitehouse

A Stocks

### Political and charitable contributions

The Company made no political donations or incurred any political expenditure during the current or prior year.

The Company made charitable donations of £1,000 during the year (2020: nil).

### Employees

Details of the number of employees and related costs can be found in note 6 to the Financial Statements.

Applications for employment by disabled persons are considered fully, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment with the Company continues and that appropriate training is arranged. It is the policy of the Company that the training, career development and promotion of disabled persons should, as far as possible, be identical with that of other employees.

The Company participates in Hill & Smith Holdings PLC's policies and practices to keep employees informed on matters relevant to them as employees through appropriate means, such as employee meetings and newsletters.

### Going concern

The Company's business activities, together with the factors likely to affect its future development and position, are set out in the Strategic Report on page 1.

The Company is a trading company in the Group. As at 31 December 2021, the Company had net current assets of £1,179,000. The Company is a party to cross guarantees given for loans and borrowings of the ultimate parent company, Hill & Smith Holdings PLC, and certain fellow subsidiaries as detailed in note 17. As a result, the Company's funding requirements are directly linked to the Group's overall financial position.

At 31 December 2021, the Group had £327.6m of committed borrowing facilities, of which only £1.8m matures before December 2023 at the earliest, and a further £13.4m of on-demand facilities. The amount drawn down under these facilities at 31 December 2021 was £125.4m, which together with cash and cash equivalents of £18.8m gave total headroom of £234.4m (£221.2m committed, £13.2m on demand). The Group has not made any changes to its principal borrowing facilities between 31 December 2021 and the date of approval of these financial statements, and there have been no significant changes to liquidity headroom during that period.

The Group's principal borrowing facilities are subject to covenants that are measured biannually in June and December, being net debt to EBITDA of a maximum of 3.0x and interest cover of a minimum of 4.0x, based on measures as defined in the facilities agreements which are adjusted from the equivalent IFRS amounts. The ratio of net debt to EBITDA at 31 December 2021 was 1.0 times and interest cover was 25.4 times.

## Directors' Report (*continued*)

### ***Going concern (continued)***

In assessing whether these financial statements should be prepared on a going concern basis, the Directors have prepared cash flow forecasts for the Company through until 30 June 2023. The Group have aggregated the cash flow forecasts of the Group's subsidiaries to form a Group 'base case' scenario. In this 'base case' scenario, the forecasts indicate significant liquidity headroom will be maintained above the Group's borrowing facilities and financial covenants will be met throughout the period, including the covenant tests at 30 June 2022, 31 December 2022 and 30 June 2023.

The Group has carried out stress tests against the base case to determine the performance levels that would result in a breach of covenants or a reduction of headroom against its borrowing facilities to nil. For a breach of covenants to occur during the relevant period, the Group would need to experience a sustained revenue reduction of 24% compared with current expectations throughout the period from May 2022 through June 2023. A reduction in headroom against borrowing facilities to nil would occur if the Group experienced a sustained revenue reduction of 50% compared with current expectations between May 2022 and June 2023. The Directors do not consider either of these scenarios to be plausible given the ability of the Group to continue its operations throughout the COVID pandemic (noting that revenues fell by only 22% in the second quarter of 2020, the worst-affected period). The Group also has several mitigating actions under its control including minimising capital expenditure to critical requirements, reducing levels of discretionary spend, rationalising its overhead base and curtailing future dividend payments which, although not forecast to be required, could be implemented in order to be able to meet the covenant tests and to continue to operate within borrowing facility limits. Further details are provided in the Group's 2021 annual report which can be obtained from the address in note 22.

As a result of the above, the Company's ultimate parent, Hill & Smith Holdings PLC, have provided a letter of support to confirm their intention to provide sufficient funding to the Company to enable it to meet its liabilities as they fall due for a period of 12 months from the date of approval of these financial statements. The Directors have assessed the ultimate parent company's ability to provide such support through obtaining the latest consolidated financial statements of the Group, discussing the financial position with group management and assessing the level of funds available to the Group. Consequently, the directors are confident that the company will have sufficient funds to continue to meet its liabilities as they fall due for 12 months from the date of approval of the financial statements through until 30 June 2023, and therefore have prepared the financial statements on a going concern basis.

### **Financial risk**

The financial risk management objectives and policies are managed by the directors of Hill & Smith Holdings PLC on a Group basis. From the perspective of the Company, the financial risks are integrated within the financial risks of the Group and are not managed separately. Accordingly, the financial risks of the Group, which include those of the Company, are discussed within the financial risk management section of the Group's Annual Report which does not form part of this Annual Report. Details on how to obtain a copy of the Group's Annual Report are included in note 22.

### **Disclosure of information to auditor**

The Directors who held office at the date of approval of this Directors' Report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware; and each Director has taken all the steps that he ought to have taken as a Director to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

### **Auditor**

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and Ernst & Young LLP will therefore continue in office.

**Directors' Report** *(continued)*

**Other matters**

In accordance with section 414C(11) of the Companies Act 2006, certain information, including future business developments, are not presented in the Directors' Report because it is disclosed in the Strategic Report.

## **Statement of Directors' responsibilities in respect of the Strategic Report, the Directors' Report and the Financial Statements**

The Directors are responsible for preparing the Strategic Report, Directors' Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare Financial Statements for each financial year. Under that law they have elected to prepare the Financial Statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 101 *Reduced Disclosure Framework*.

Under company law the Directors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these Financial Statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## **Independent Auditor's Report to the members of Premier Galvanizing Limited**

### **Opinion**

We have audited the financial statements of Premier Galvanizing Limited for the year ended 31 December 2021 which comprise the Profit and Loss Account, the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 23, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 101 "Reduced Disclosure Framework applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 31 December 2021 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of twelve months from when the financial statements are authorised for issue through until 30 June 2023.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

## **Independent Auditor's Report to the members of Premier Galvanizing Limited (*continued*)**

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and directors' report have been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, as set out on page 6, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

### ***Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud***

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

## **Independent Auditor's Report to the members of Premier Galvanizing Limited (continued)**

### ***Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud (continued)***

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the company and determined that the most significant are those that relate to the reporting framework (FRS 101 Reduced Disclosure Framework and the Companies Act 2006) and compliance with the relevant direct and indirect tax regulations in the United Kingdom. In addition, the Company complies with laws and regulations relating to its operations, health and safety, environmental and data protection.
- We understood how Premier Galvanizing Limited is complying with those frameworks by reviewing Premier Galvanizing Limited policies and procedures for creating awareness of laws and regulations and how to report any instances of non-compliance. This included: the issuance of, and adherence to, a Group Policy Manual; review by an internal audit function to ensure adherence; and availability of a whistle-blowing hotline to report any instances of non-compliance. We reviewed the board minutes for evidence of discussion of legal matters and corroborated the lack of legal matters through inspecting a sample of the legal expenses included in the company's income statement.
- We assessed the susceptibility of the company's financial statements to material misstatement, including how fraud might occur by understanding the culture and controls present at Premier Galvanizing Limited and whether this had a strong emphasis on the prevention and detection of fraud. We also understood the performance targets related to the Company and their influence on efforts that might be made by management to manage earnings or influence the perceptions of users of the financial statements. Through these procedures we determined there to be a risk of management override associated with revenue and a fraud risk around revenue recognition relating to manual journals. In relation to management override, we performed journal entries testing on the manual journals recorded in revenue using data analytic techniques to sample from the entire population of journals, identifying specific transactions which did not meet our expectations based on specific criteria, and investigated these and confirmed that the journals were for appropriate business reasons and verified them to relevant source documentation. Our analytical review procedures focused on identifying unusual trends and unexpected relationships and increased our understanding of the entity and its environment.
- Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved enquiry of senior management and those charged with governance as to their awareness of non-compliance with laws and regulations, enquiry of the Group's internal legal counsel and review of internal audit reports and board minutes. A review of payments to detect unrecorded liabilities, contrary evidence and available correspondence with third parties did not identify any non-compliance.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### **Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The share premium account represents the amount of proceeds received for shares in excess of their nominal value of 50p per share.

Capital redemption reserve arose on the repurchase and cancellation of own shares.

Profit and loss account reserve represents accumulated retained earnings.

## Notes to the financial statements

### 1 General Information

The Company is a private company limited by shares and incorporated and domiciled in England, United Kingdom. The registered office is Westhaven House, Arlestone Way, Shirley, Solihull, B90 4LH.

### 2 Accounting policies

The following accounting policies have been applied consistently in the current and prior period in dealing with items which are considered material in relation to the Company's Financial Statements and in accordance with applicable accounting standards.

#### *Basis of preparation*

These Financial Statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101"). The presentation and functional currency of these financial statements is Sterling and all amounts are rounded to thousands (£'000) except where otherwise indicated.

In preparing these Financial Statements, the Company applies the recognition, measurement and disclosure requirements of UK adopted international accounting standards, but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The Company's ultimate parent undertaking, Hill & Smith Holdings PLC includes the Company in its Consolidated Financial Statements. The Consolidated Financial Statements of Hill & Smith Holdings PLC are prepared in accordance with UK adopted international accounting standards and are available to the public and may be obtained from Group Headquarters (see note 22).

#### *Significant accounting estimates or judgements*

In the application of the Company's accounting policies outlined below, the directors are required to make estimates, assumptions and judgements about the carrying value of assets and liabilities that are not readily apparent.

In the opinion of the directors there were no estimates, assumptions or judgements that may have a significant risk of causing a material adjustment in these financial statements.

#### *New IFRS standards and interpretations adopted during 2021*

In 2021 the following amendments had been endorsed by the EU, became effective and therefore were adopted by the Company:

- Covid-19-Related Rent Concessions beyond 30 June 2021 – Amendments to IFRS 16
- Interest Rate Benchmark Reform – Phase 2 – Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16
- Attributing Benefit to Periods of Service – IAS 19 Interpretation

The amendments noted above have not had a material impact on the financial statements.

#### *Exemptions*

In these Financial Statements, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- a Cash Flow Statement and related notes;
- Comparative period reconciliations for share capital, tangible fixed assets and intangible assets;
- Disclosures in respect of transactions with wholly owned subsidiaries;
- Disclosures in respect of capital management;
- The effects of new but not yet effective IFRSs; and
- Disclosures in respect of the compensation of Key Management Personnel.

## Notes to the financial statements *(continued)*

### 2 Accounting policies *(continued)*

#### **Exemptions *(continued)***

As the Consolidated Financial Statements of Hill & Smith Holdings PLC include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- IFRS 2 Share Based Payments in respect of group settled share based payments
- Certain disclosures required by IAS 36 Impairment of assets in respect of the impairment of goodwill and indefinite life intangible assets;
- Certain disclosures required by IFRS 3 Business Combinations in respect of business combinations undertaken by the Company;
- Certain disclosures required by IFRS 13 Fair Value Measurement and the disclosures required by IFRS 7 Financial Instrument Disclosures;
- Certain disclosures required by IFRS 15 Revenue from Contracts with Customers; and
- Certain disclosures required by IFRS 16 Leases.

#### **Measurement convention**

The Financial Statements are prepared on the historical cost basis except that the following assets and liabilities are stated at their fair value: derivative financial instruments, financial instruments classified as fair value through the profit or loss or as available-for-sale, investment property and liabilities for cash-settled share-based payments. Non-current assets and disposal groups held for sale are stated at the lower of previous carrying amount and fair value less costs to sell.

#### **Going concern**

The Company's business activities, together with the factors likely to affect its future development and position, are set out in the Strategic Report on page 1.

The Company is a trading company in the Group. As at 31 December 2021, the Company had net current assets of £1,179,000. The Company is a party to cross guarantees given for loans and borrowings of the ultimate parent company, Hill & Smith Holdings PLC, and certain fellow subsidiaries as detailed in note 17. As a result, the Company's funding requirements are directly linked to the Group's overall financial position.

At 31 December 2021, the Group had £327.6m of committed borrowing facilities, of which only £1.8m matures before December 2023 at the earliest, and a further £13.4m of on-demand facilities. The amount drawn down under these facilities at 31 December 2021 was £125.4m, which together with cash and cash equivalents of £18.8m gave total headroom of £234.4m (£221.2m committed, £13.2m on demand). The Group has not made any changes to its principal borrowing facilities between 31 December 2021 and the date of approval of these financial statements, and there have been no significant changes to liquidity headroom during that period.

The Group's principal borrowing facilities are subject to covenants that are measured biannually in June and December, being net debt to EBITDA of a maximum of 3.0x and interest cover of a minimum of 4.0x, based on measures as defined in the facilities agreements which are adjusted from the equivalent IFRS amounts. The ratio of net debt to EBITDA at 31 December 2021 was 1.0 times and interest cover was 25.4 times.

In assessing whether these financial statements should be prepared on a going concern basis, the Directors have prepared cash flow forecasts for the Company through until 30 June 2023. The Group have aggregated the cash flow forecasts of the Group's subsidiaries to form a Group 'base case' scenario. In this 'base case' scenario, the forecasts indicate significant liquidity headroom will be maintained above the Group's borrowing facilities and financial covenants will be met throughout the period, including the covenant tests at 30 June 2022, 31 December 2022 and 30 June 2023.

## Notes to the financial statements *(continued)*

### 2 Accounting policies *(continued)*

#### ***Going concern (continued)***

The Group has carried out stress tests against the base case to determine the performance levels that would result in a breach of covenants or a reduction of headroom against its borrowing facilities to nil. For a breach of covenants to occur during the relevant period, the Group would need to experience a sustained revenue reduction of 24% compared with current expectations throughout the period from May 2022 through June 2023. A reduction in headroom against borrowing facilities to nil would occur if the Group experienced a sustained revenue reduction of 50% compared with current expectations between May 2022 and June 2023. The Directors do not consider either of these scenarios to be plausible given the ability of the Group to continue its operations throughout the COVID pandemic (noting that revenues fell by only 22% in the second quarter of 2020, the worst-affected period). The Group also has several mitigating actions under its control including minimising capital expenditure to critical requirements, reducing levels of discretionary spend, rationalising its overhead base and curtailing future dividend payments which, although not forecast to be required, could be implemented in order to be able to meet the covenant tests and to continue to operate within borrowing facility limits. Further details are provided in the Group's 2021 annual report which can be obtained from the address in note 22.

As a result of the above, the Company's ultimate parent, Hill & Smith Holdings PLC, have provided a letter of support to confirm their intention to provide sufficient funding to the Company to enable it to meet its liabilities as they fall due for a period of 12 months from the date of approval of these financial statements. The Directors have assessed the ultimate parent company's ability to provide such support through obtaining the latest consolidated financial statements of the Group, discussing the financial position with group management and assessing the level of funds available to the Group. Consequently, the directors are confident that the company will have sufficient funds to continue to meet its liabilities as they fall due for 12 months from the date of approval of the financial statements, through until 30 June 2023, and therefore have prepared the financial statements on a going concern basis.

#### ***Foreign currencies***

Transactions in foreign currencies are translated to the Company's functional currencies at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the Balance Sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined. Foreign exchange differences arising on translation are recognised in the Profit and Loss Account except for differences arising on the retranslation of qualifying cash flow hedges, which are recognised in other comprehensive income.

#### ***Turnover***

Turnover is measured based on the consideration specified in a contract with a customer for the provision of goods and services. The amount recognised excludes sales taxes and is adjusted for any discounts or volume rebates that are included in the contract. The Company does not routinely offer discounts or volume rebates, but where it does the variable element of revenue is based on the most likely amount of consideration that the Company believes it will receive. The Company recognises revenue when it transfers control over a good or service to a customer. Contracts with customers are generally simple. Revenue is recognised at a point in time, which is when the galvanising process has been completed and the customers' goods are available to them which is when the galvanized goods are either despatched or collected by the customer.

The Company classifies proceeds from the sale of by-products generated during the galvanizing process within revenue.

## Notes to the financial statements *(continued)*

### 2 Accounting policies *(continued)*

#### **Provisions**

A provision is recognised in the Balance Sheet when the Company has a present legal or constructive obligation as a result of a past event, that can be reliably measured and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects risks specific to the liability.

#### **Dividends**

Dividends are recognised in the Financial Statements in the period in which they are approved by the Company's shareholders.

#### **Financial instruments**

##### *Trade and other debtors*

Trade and other debtors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses.

##### *Trade and other creditors*

Trade and other creditors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method.

##### *Interest-bearing borrowings*

Interest-bearing borrowings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

##### *Derivative financial instruments*

Derivative financial instruments are recognised at fair value. The gain or loss on remeasurement to fair value is recognised immediately in profit or loss. However, where derivatives qualify for hedge accounting, recognition of any resultant gain or loss depends on the nature of the item being hedged.

##### *Fair value hedges*

Where a derivative financial instrument is designated as a hedge of the variability in fair value of a recognised asset or liability or an unrecognised firm commitment, all changes in the fair value of the derivative are recognised immediately in the Profit and Loss Account. The carrying value of the hedged item is adjusted by the change in fair value that is attributable to the risk being hedged (even if it is normally carried at cost or amortised cost) and any gains or losses on remeasurement are recognised immediately in the Profit and Loss Account (even if those gains would normally be recognised directly in reserves).

#### **Tangible Fixed assets and depreciation**

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

Where parts of an item of tangible fixed assets have different useful lives, they are accounted for as separate items of tangible fixed assets.

Depreciation is charged to the Profit and Loss Account on a straight-line basis over the estimated useful lives of each part of an item of tangible fixed assets. Land is not depreciated. The estimated useful lives are as follows:

Plant, equipment and vehicles	-	4 to 20 years
Buildings and leasehold improvements	-	50 years

Depreciation methods, useful lives and residual values are reviewed at each Balance Sheet date.

## Notes to the financial statements *(continued)*

### 2 Accounting policies *(continued)*

#### ***Stocks and work in progress***

Stocks are stated at the lower of cost and net realisable value. Cost is based on the first-in first-out principle, with the exception of raw materials which are carried on an average cost basis, and includes expenditure incurred in acquiring the stocks, production or conversion costs and other costs in bringing them to their existing location and condition. In the case of manufactured stocks and work in progress, cost includes an appropriate share of overheads based on normal operating capacity.

#### ***Taxation***

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the Profit and Loss Account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the Balance Sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for: the initial recognition of goodwill; the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination, and differences relating to investments in subsidiaries to the extent that they will probably not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the Balance Sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

#### ***Leases***

To the extent that a right-of-control exists over an asset subject to a lease and with a lease term exceeding one year, the Company recognises: a right-of-use asset, representing the underlying lease asset, and a lease liability, representing the Company's obligation to make lease payments. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, any initial direct costs incurred and an estimate of the dismantling, removal and restoration costs as required by the terms of the lease contract.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to annual impairment testing, where indicators of impairment exist.

The lease liability is measured at the present value of the future lease payments discounted using the Company's incremental borrowing rate, being the rate that the lessee would have to pay to borrow the funds necessary to obtain an asset of similar value in a similar economic environment with similar terms and conditions. Future lease payments include: fixed payments, variable lease payments that depend on an index or a rate (initially measured using the index or rate as at the commencement date), amounts expected to be payable under a residual guarantee and the exercise price of purchased options where it is reasonably certain that the option will be exercised. Finance charges, representing the unwinding of the discount rate, are recognised in the Profit and Loss Account over the period of the lease.

## Notes to the financial statements *(continued)*

### 2 Accounting policies *(continued)*

#### ***Leases (continued)***

The Company elects not to apply the lease accounting model to short term leases (less than 12 month lease term) and low value assets. Accordingly, the lease payments for short term leases and low value assets are recognised as an expense on a straight line basis over the lease term.

For vehicle leases, where it is not practical to separate the non-lease components from the lease components, the Company elects to treat lease component and non-lease component as a single lease component.

#### ***Expenses***

##### ***Interest receivable and Interest payable***

Interest payable and similar charges include interest payable, finance charges on shares classified as liabilities, interest expense on lease liabilities, unwinding of the discount on provisions, and net foreign exchange losses that are recognised in the Profit and Loss Account (see foreign currency accounting policy). Borrowing costs that are directly attributable to the acquisition, construction or production of an asset that takes a substantial time to be prepared for use, are capitalised as part of the cost of that asset. Other interest receivable and similar income include interest receivable on funds invested and net foreign exchange gains.

Interest income and interest payable is recognised in profit or loss as it accrues, using the effective interest method. Dividend income is recognised in the Profit and Loss Account on the date the entity's right to receive payments is established. Foreign currency gains and losses are reported on a net basis.

#### ***Pension scheme arrangements***

##### ***Defined contribution scheme***

Obligations for contributions to defined contribution pension schemes are recognised as an expense in the profit and loss account as incurred.

#### ***Share based payments***

Share-based payment arrangements in which the Company receives goods or services as consideration for its own equity instruments are accounted for as equity-settled share-based payment transactions, regardless of how the equity instruments are obtained by the Company.

The grant date fair value of share-based payments awards granted to employees is recognised as an employee expense, with a corresponding increase in equity, over the period in which the employees become unconditionally entitled to the awards. The fair value of the awards granted is measured using an option valuation model, taking into account the terms and conditions upon which the awards were granted. The amount recognised as an expense is adjusted to reflect the actual number of awards for which the related service and non-market vesting conditions are expected to be met, such that the amount ultimately recognised as an expense is based on the number of awards that do meet the related service and non-market performance conditions at the vesting date. For share-based payment awards with non-vesting conditions, the grant date fair value of the share-based payment is measured to reflect such conditions and there is no true-up for differences between expected and actual outcomes.

The share option programme allows employees to acquire shares of the ultimate parent company Hill & Smith Holdings PLC. The fair value of options granted are expensed with a corresponding increase in equity.

Share-based payments are recharged by the ultimate parent company to participating subsidiary undertakings on an annual basis. Where the Company's parent grants rights to its equity instruments to the Group's or the Company's employees, which are accounted for as equity-settled in the consolidated accounts of the parent, the Group or the Company as the case may be account for these share-based payments as equity settled.

## Notes to the financial statements *(continued)*

### 3 Turnover

The turnover of the Company is derived from the following geographical markets:

	2021 £000	2020 £000
United Kingdom	11,987	10,033
	<u>11,987</u>	<u>10,033</u>

In the opinion of the Directors, there is one major product line, the hot-dip galvanizing of iron and steel articles.

### 4 Profit before taxation

	2021 £000	2020 £000
<b>Profit before taxation is stated</b>		
<i>after charging:</i>		
Depreciation:		
Owned assets	220	257
Right-of-use assets	251	234
Auditor's remuneration	27	13
Loss on sale of fixed assets	-	1
	<u>          </u>	<u>          </u>

### 5 Remuneration of Directors

Aggregate Directors' remuneration for the year was as follows:

	2021 £000	2020 £000
Emoluments	54	40
	<u>54</u>	<u>40</u>
	<b>Number</b>	<b>Number</b>
Directors exercising share options	3	3
	<u>          </u>	<u>          </u>

The remuneration of the highest paid director is not required to be disclosed. The aggregate amount of gains made by directors on the exercise of share options was £261,000 (2020: £39,000).

In the current and prior year only one director has been remunerated directly by the Company. The remuneration of the remaining directors has not been recharged to the Company and their involvement in the activities of the Company are incidental to their other roles within the Group.

## Notes to the financial statements *(continued)*

### 6 Staff numbers and costs

The average number of persons employed by the Company (including Directors) all of whom were involved in the principal activity was:

	2021 Number	2020 Number
Production	47	42
Administration	18	18
Sales, distribution and management	3	4
	<hr/> 68	<hr/> 64
	<hr/> <hr/>	<hr/> <hr/>

The aggregate payroll costs of these persons were:

	£000	£000
Wages and salaries	2,355	2,162
Share-based payment (see note 20)	9	7
Social security costs	240	206
Other pension costs (see note 18)	69	63
	<hr/> 2,673	<hr/> 2,438
	<hr/> <hr/>	<hr/> <hr/>

### 7 Interest receivable

	2021 £000	2020 £000
Bank interest receivable	48	46
	<hr/> 48	<hr/> 46
	<hr/> <hr/>	<hr/> <hr/>

### 8 Interest payable and similar charges

	2021 £000	2020 £000
Interest on lease liabilities (note 11)	25	34
On loans to group undertakings	15	11
	<hr/> 40	<hr/> 45
	<hr/> <hr/>	<hr/> <hr/>

## Notes to the financial statements (continued)

### 9 Taxation on profit

#### Analysis of charge in year

	2021 £000	2020 £000
<i>UK corporation tax</i>		
Current tax for the year	457	387
Relating to the prior year	-	(13)
	<hr/>	<hr/>
Current tax charge	457	374
<i>Deferred tax (see note 15)</i>		
Current year charge	37	15
Relating to the prior year	(1)	9
Effect of change in tax rate	14	3
	<hr/>	<hr/>
Deferred tax charge	50	27
	<hr/>	<hr/>
Total tax charge	507	401
	<hr/>	<hr/>

#### Factors affecting tax charge for the year

The effective current tax rate for the year is higher (2020: higher) than the standard rate of corporation tax in the UK. The differences are explained below:

	2021 £000	2020 £000
<i>Total tax reconciliation</i>		
Profit before taxation	2,570	2,081
	<hr/>	<hr/>
Profit multiplied by the effective rate of corporation tax in the UK of 19% (2020: 19%)	488	395
<i>Effects of:</i>		
Expenses not deductible for tax purposes	4	7
Relating to the prior year	(1)	(4)
Capital allowances super deduction	(7)	-
Difference between current and deferred tax rates	9	-
Impact of deferred tax rate change	14	3
	<hr/>	<hr/>
Total tax charge	507	401
	<hr/>	<hr/>

The UK headline corporation tax rate for the year was 19.0% (2020: 19.0%). In the Spring Budget of 2021, the UK Government announced that from 1 April 2023 the rate of UK corporation tax will increase from 19% to 25%. This new law was substantively enacted on 24 May 2021. Therefore, UK deferred tax assets and liabilities have been calculated at a rate of 25% (2020: 19%).

## Notes to the financial statements *(continued)*

### 10 Tangible fixed assets

	Land and buildings £000	Plant, equipment and vehicles £000	Total £000
<b>Cost</b>			
At 1 January 2021	1,343	3,011	4,354
Additions	8	114	122
Disposals	-	(33)	(33)
	<hr/>	<hr/>	<hr/>
<b>At 31 December 2021</b>	<b>1,351</b>	<b>3,092</b>	<b>4,443</b>
	<hr/>	<hr/>	<hr/>
<b>Depreciation</b>			
At 1 January 2021	257	1,558	1,815
Charge for the year	33	187	220
Disposals	-	(33)	(33)
	<hr/>	<hr/>	<hr/>
<b>At 31 December 2021</b>	<b>290</b>	<b>1,712</b>	<b>2,002</b>
	<hr/>	<hr/>	<hr/>
<b>Net book value</b>			
<b>At 31 December 2021</b>	<b>1,061</b>	<b>1,380</b>	<b>2,441</b>
	<hr/>	<hr/>	<hr/>
At 31 December 2020	1,086	1,453	2,539
	<hr/>	<hr/>	<hr/>

## Notes to the financial statements (continued)

### 11 Leases

The leases held by the Company can be split into two categories: land and buildings and plant, equipment and vehicles. The Company leases two properties for its manufacturing and distribution activities. Plant, equipment and vehicles include all other leases.

The movements in the carrying value of the right-of-use assets and lease liabilities for the current and prior year are as follows:

Right-of-use assets	Land and buildings £000	Plant, equipment and vehicles £000	Total £000
At 1 January 2020	1,150	183	1,333
Additions	9	106	115
Charge for the year	(151)	(83)	(234)
	<hr/>	<hr/>	<hr/>
At 31 December 2020	1,008	206	1,214
Additions	-	54	54
Charge for the year	(165)	(86)	(251)
Re-measurement	89	-	89
	<hr/>	<hr/>	<hr/>
At 31 December 2021	932	174	1,106
	<hr/>	<hr/>	<hr/>

Lease liabilities	2021 £000	2020 £000
Balance at 1 January	1,292	1,428
Additions	55	115
Interest expense	25	34
Lease payments	(287)	(285)
Re-measurement	87	-
	<hr/>	<hr/>
Balance at 31 December	1,172	1,292
	<hr/>	<hr/>

The following table shows the breakdown of the lease expense between amounts charged to operating profit and amounts charged to finance costs:

	2021 £000	2020 £000
Depreciation of right-of-use assets	251	234
	<hr/>	<hr/>
Charged to operating profit	251	234
	<hr/>	<hr/>
Interest expense relating to lease liabilities	25	34
	<hr/>	<hr/>
Charged to profit before taxation	276	268
	<hr/>	<hr/>

## Notes to the financial statements *(continued)*

### 11 Leases *(continued)*

The maturity of the lease liabilities at 31 December were as follows:

	2021	2020
	£000	£000
Due within one year	274	239
Due between one and two years	255	229
Due between two and five years	256	371
Due after more than five years	387	453
	<hr/>	<hr/>
<b>Total lease liabilities</b>	<b>1,172</b>	<b>1,292</b>
	<hr/>	<hr/>

The Company has one lease contract that includes a termination option. Such options are negotiated by management to provide flexibility in managing the leased asset portfolio and align with the Company's business needs. Management exercise judgement in determining whether they are reasonably certain that the termination option will be exercised.

Set out below are the undiscounted potential future rental payments relating to periods that are included in the lease term as the break clauses are not expected to be exercised:

	2021			2020		
	Within five years	More than five years	Total	Within five years	More than five years	Total
	£000	£000	£000	£000	£000	£000
Termination options not expected to be exercised	325	425	750	225	525	750
	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>

## Notes to the financial statements *(continued)*

### 12 Stocks

	2021 £000	2020 £000
Raw material and consumables	949	939
Finished goods	26	26
	<u>975</u>	<u>965</u>

The amount of stocks expensed to the profit and loss account in the year was £4,205,000 (2020: £3,295,000).

### 13 Debtors

	2021 £000	2020 £000
Trade debtors	2,229	1,904
Amounts owed by group undertakings	1,217	1,222
Prepayments and accrued income	49	93
	<u>3,495</u>	<u>3,219</u>

Intercompany loans are unsecured with no fixed repayment date and therefore may not be settled within the next 12 months. Interest is charged at a rate equivalent to the Group's average borrowing rate for the year.

## Notes to the financial statements *(continued)*

### 14 Creditors

#### Creditors: amounts falling due within one year

	2021 £000	2020 £000
Trade creditors	1,367	1,206
Amounts owed to group undertakings	1,631	1,200
Corporation tax	457	384
Other tax and social security	323	319
Accruals	183	105
Deferred income	55	62
Lease Liabilities (note 11)	274	239
	<u>4,290</u>	<u>3,515</u>

Intercompany loans are unsecured with no fixed repayment date and therefore may not be settled within the next 12 months. Interest is charged at a rate equivalent to the Group's average borrowing rate for the year.

#### Creditors: amounts falling due after more than one year

	2021 £000	2020 £000
Lease liabilities (note 11)	898	1,053
	<u>898</u>	<u>1,053</u>

### 15 Deferred tax liability

The movements in deferred taxation during the year are as follows:

	Deferred Tax £000
At 1 January 2021	40
Profit and loss account	50
Movement taken to the statement of changes in equity	(14)
At 31 December 2021	<u>76</u>

## Notes to the financial statements *(continued)*

### 15 Deferred tax liability *(continued)*

Details of amounts provided for deferred taxation follow:

	2021 £000	2020 £000
Capital allowances in excess of depreciation	118	63
Short term timing differences	(26)	(7)
Right-of-use assets	(16)	(16)
	<hr/>	<hr/>
Deferred tax liability	76	40
	<hr/>	<hr/>

### 16 Called up share capital

	2021 £000	2020 £000
<i>Allotted, called up and fully paid</i>		
48,000 (2020: 48,000) A ordinary shares of 50p each	24	24
48,000 (2020: 48,000) B ordinary shares of 50p each	24	24
	<hr/>	<hr/>
	48	48
	<hr/>	<hr/>

The 'A' ordinary shares and 'B' ordinary shares rank 'pari passu' in respect of dividends, rights to capital and voting rights. There are no restrictions on any share.

### 17 Contingent liabilities

The Company is a party to cross guarantees given for bank loans and overdrafts of the ultimate parent company and certain fellow subsidiaries amounting to £146,004,000 (2020: £133,621,000).

The Company has no other guarantees (2020: £nil).

### 18 Pension Scheme
