K A Povah	-	20	

The directors interests in that of the parent company, Rowsan Limited, are shown in those publicly available accounts.

Auditors

In accordance with section 385 of the Companies Act 1985, a resolution proposing that Arram Berlyn Gardner be reappointed as auditors of the company will be put to the Annual General Meeting.

DIRECTORS' REPORT (CONTINUED) FOR THE YEAR ENDED 30 APRIL 2003

Directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- -select suitable accounting policies and then apply them consistently;
- -make judgements and estimates that are reasonable and prudent;
- -prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

On behalf of the board

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF LE ROI ESTATES LIMITED

We have audited the financial statements of Le Roi Estates Limited on pages 4 to 10 for the year ended 30 April 2003. These financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002), under the historical cost convention and the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the directors and auditors

As described in the statement of directors' responsibilities on page 2 the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 30 April 2003 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2003

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings freehold

Not depreciated

Fixtures, fittings & equipment

10% Straight Line

FRS 15 permits the exclusion of properties on which the annual charge and accumulated depreciation charge are immaterial. Depreciation is immaterial as a result of very long estimated useful life and high residual value. This applies to the property in the company and accordingly the freehold buildings have not been depreciated. These values are retained subject to the requirement to test these assets for impairment in accordance with FRS 11.

1.4 Deferred taxation

The accounting policy in respect of deferred tax reflects the requirements of FRS19 - Deferred tax. Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes except that:

- the recognition of deferred tax assets is limited to the extent that the company anticipates making sufficient taxable profits in the future to absorb the reversal of the underlying timing differences.
- No provision has been made for deferred tax on gains recognised on revaluing property to its market value as the company does not intend to sell the revalued assets.

The deferred tax balance has not been discounted.

2	Operating profit	2003	2002
		£	£
	Operating profit is stated after charging:		
	Depreciation of tangible assets	12	12
	Auditors' remuneration	2,100	1,500
			1
3	Taxation	2003	2002
	Deferred tax		
	Deferred tax charge/credit current year	(40,291)	64,869

The company has estimated losses of £ 160,000 (2002: £ 97,465) available for carry forward against future trading profits.
