**Notes to the Abbreviated Financial Statements  
For the Year Ended 30<sup>th</sup> November 2007**

**1. Accounting Policies**

**1.1 Accounting Convention**

The accounts are prepared under the Historical Cost Convention and in accordance with the Financial Reporting Standard for Smaller Entities ( effective June 2002 ).

**1.2 Deferred Taxation**

Deferred Tax is recognised in respect of all timing differences that have originated but not reversed at the Balance Sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax with the following exceptions:

Provision is made for tax gains arising from the revaluation ( and similar fair value adjustments ) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the Balance Sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the Balance Sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets sold.

Provision is made for deferred that would arise on remittance of the retained earnings of overseas subsidiaries, associates and joint ventures only to the extent that, at the Balance Sheet date, dividends have been accrued as receivable:

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the Balance Sheet date.

**2. Profit and Loss Account**

The Company has not traded, made profits or losses nor incurred any liabilities. Therefore there is no Profit or Loss reserve.
