The directors present their annual report and the audited financial statements for the 18 month period ended 30 September 2011

The company has changed its accounting reference date to 30 September to bring into line with the other companies in the group. Therefore the financial statements have been prepared for an extended period of account.

There is no provision for any onerous contractual commitments at the balance sheet date as there are not believed to be any. The financial statements do not include any provision for the future costs of terminating the business of the company as there not expected to be any material costs.

- each of the directors has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information (as defined) and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VSG STAFF HIRE LIMITED

We have audited the financial statements of VSG Staff Hire Limited for the 18 month period ended 30 September 2011 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 9. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 30 September 2011 and of its result for the 18 month period then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Emphasis of matter – Financial statements prepared other than on a going concern basis

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosure made in note 1 to the financial statements, which explains that the financial statements have been prepared on a basis other than that of a going concern.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the 18 month period for which the financial statements are prepared is consistent with the financial statements.

VSG STAFF HIRE LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VSG STAFF HIRE LIMITED (CONTINUED)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to take advantage of the small companies exemption in preparing the directors' report

1. ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable United Kingdom accounting standards. The principal accounting policies adopted are described below. They have been applied consistently in both the current and prior year.

Accounting convention

The financial statements are prepared under the historical cost convention. Consolidated accounts have not been prepared as the company has taken advantage of s401 of the Companies Act 2006 because it is a wholly owned subsidiary of a company registered in England and Wales which prepares consolidated accounts.

Going concern

The company no longer has any current contracts in operation. The financial statements have been prepared on a basis other than that of a going concern which includes, where appropriate, writing down the company's assets to net realisable value. There is no provision for any onerous contractual commitments at the balance sheet date as there are not believed to be any. The financial statements do not include any provision for the future costs of terminating the business of the company as there not expected to be any material costs.

Exemption from FRS 8 disclosures

As the company was a wholly owned subsidiary of Compass Group PLC at 30 September 2011, the company has taken advantage of the exemption to disclose related party transactions since such transactions are with other members of the group.

Cash Flow Statement

As the company is a wholly owned subsidiary and the ultimate parent company prepares a group cash flow statement, the company has taken advantage of the exemption in FRS1 'Cash flow statements'.

Turnover

The turnover is the revenue arising from the sale of goods and services. It is stated net of value added tax, rebates and discounts.

Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

FRS 19 "Deferred Tax" has been adopted requiring that deferred tax be recognised in respect of all timing differences that have originated but not reversed by the balance sheet date.
