Directors' report

The directors present their report and the audited financial statements for the year ended 31 March 2006.

Principal activities

The principal activity of the company is that of a property holding company.

Business review

The results for the year are set out on page 4 of the financial statements and the loss for the year of £15,893 (2005: £20,010) has been transferred to reserves.

Proposed dividend

The directors do not recommend the payment of a dividend (2005: £Nil).

Directors and their interests

The directors of the Company during the year and their interests in the shares of the Company as recorded in the register of directors' interests were as follows:

S M L Hall

J E M Phillips

Alternate: G D McCallum (appointed 22 September 2006)

None of the directors who held office at the end of the financial year have any disclosable interest in the shares of the Company.

Disclosure of information to auditors

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditors are unaware; and each director has taken all the steps that she ought to have taken as a director to make herself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

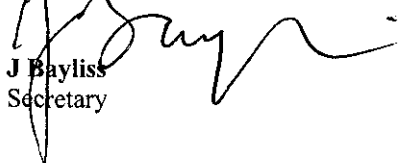

Auditors

The members of the Company have passed elective resolutions in accordance with Sections 366A, 252 and 386 of the Companies Act 1985 dispensing with the previous statutory requirement of holding annual general meetings, laying accounts before the Company in general meetings and reappointing auditors annually.

Pursuant to a shareholders' resolution, the company is not obliged to reappoint its auditors annually and KPMG LLP will therefore continue in office.

Statement of directors' responsibilities in respect of the Director's Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with UK Accounting Standards.

The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 1985. They have a general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Report of the independent auditors, KPMG LLP, to the members of 120 Campden Hill Road Limited

We have audited the financial statements of 120 Campden Hill Road Limited for the year ended 31 March 2006 which comprise the Profit and Loss Account, Company Balance Sheet and the related notes. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities on page 2, the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements. We also report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

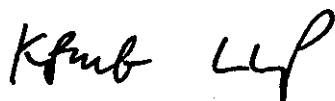

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion:

- the financial statements give a true and fair view, in accordance with UK Generally Accepted Accounting Practice, of the state of the company's affairs as at 31st March 2006 and of the company's loss for the year then ended;
- the financial statements have been properly prepared in accordance with the Companies Act 1985; and
- the information given in the Directors' Report is consistent with the financial statements.

Notes

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements except as noted below.

In these financial statements the following new standards have been adopted for the first time:

- FRS 21 'Events after the balance sheet date';
- the presentation requirements of FRS 25 'Financial instruments: presentation and disclosure'; and
- FRS 28 'Corresponding amounts'.

The accounting policies under these new standards are set out below. Their adoption has had no material effect. FRS 28 'Corresponding amounts' imposes the same requirements for comparatives as hitherto required by the Companies Act 1985.

Basis of accounting

The financial statements have been prepared on a going concern basis in view of the fact that the parent undertaking Virgin Group Investments Limited has formally indicated that it is its present intention to provide sufficient funding to the Company, to enable it to meet its liabilities as they fall due, for at least the next twelve months.

The directors have no reason to believe that the parent company will not be in a position to provide the support referred to above and, accordingly, they have prepared the financial statements on the going concern basis.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

Under Financial Reporting Standard 1 (revised 1996) the company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements.

Fixed assets and depreciation

Depreciation is provided to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows:

Freehold buildings	-	2% per annum
--------------------	---	--------------

Leases

Operating lease rental income is charged to the profit and loss account on a straight line basis with any rental increases recognised during the year to which they relate.

Taxation

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Turnover

Turnover represents the amounts receivable for property rental to related undertakings in the United Kingdom.
