Notice of the Result of Meeting of Creditors

Pursuant to Rule 2.30 Insolvency Rules 1986 I report as follows:

The Joint Administrators' proposals were approved as follows;

The Joint Administrators' should

1. continue to manage the business affairs and property of the Company on the basis of seeking to achieve the third purpose for which the Administration Order was made, namely a more advantageous realisation of the Company's assets than would be effected in a winding-up
2. do all such things and generally exercise all their powers in order to achieve the purposes of the Administration Order and preserve the value of the assets of the Company to maximise the realisations for the benefit of the creditors generally
3. once all assets have been realised, the Joint Administrators take all steps necessary to settle outstanding Administration costs and seek the views of all creditors in respect of the most appropriate exit route from Administration.
