### **Notes to the unaudited financial statements**

#### **1 General information**

P&O Princess Cruises International Limited ('the Company') acts as a holding company for various subsidiary companies of the Carnival plc group.

The Company is a private company limited by shares and is incorporated and domiciled in the UK. The address of its registered office is 3rd Floor, 1 Ashley Road, Altrincham, Cheshire, WA14 2DT.

#### **2 Significant accounting policies**

##### **2.1 Basis of preparation**

The financial statements of P&O Princess Cruises International Limited have been prepared under the historic cost convention and in accordance with Financial Reporting Standard 101, Reduced Disclosure Framework (FRS 101), and the Companies Act 2006.

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- The requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors.

##### **2.1.1 Going concern**

In the face of the global impact of COVID-19 the Company's ultimate parent, Carnival plc, paused its guest cruise operations for an extended period and is currently returning to service. The extent of the effects of COVID-19 on Carnival plc's business are uncertain and will depend on future developments including, but not limited to, the duration and continued severity of COVID-19 and the length of time it takes to return the company to profitability. COVID-19 and its ongoing effects, inflation and higher fuel prices are collectively having a material impact on its business, including its results of operations, liquidity and financial position.

Carnival plc has taken action to improve liquidity, including completing various capital market transactions, capital expenditure and operating expense reductions, and accelerated the removal of older cruise ships from its fleet. Based on these actions and assumptions regarding the impact of COVID-19, and considering its liquidity as at May 31, 2022, as well as its continued ongoing return to service, it has concluded that it has sufficient liquidity to satisfy its obligations for at least the next twelve months, and therefore continues to adopt the going concern basis of preparing financial statements.

The directors have considered the going concern assessment made by Carnival plc, as outlined above and the year-end net asset position of the Company and have concluded it is appropriate to adopt the going concern basis
